DP Hallahan

Excavating The Past The Aztecs Empire Hardback:

The Aztec Empire Nicholas J. Saunders, Tony Allan, 2005 Presents the history of the Aztec empire by examining archaeological excavations of historical sites and the artifacts found at those sites

Oklahoma Archeology, 2006

Journal of the Oklahoma Anthropological Society ,2007 The Digging Stick ,2001 The South African Paperbound Books in Print ,1971-07 Archaeological Bulletin .1998 **R & D Mexico** .1980 From the First **Rising Sun** Charla Jean Morris, 2011-08-10 While in medical school which I did not have the privilege of completing once a week we had a small group discussion class called Focus On Problems Each group had a leader a member of the medical school staff or someone closely associated with the school usually an MD or Ph D Our group leader was Dean of the Medical School H David Wilson MD One class period focused on working with patients of different ethnic backgrounds Dr Wilson asked me what were some of the traditions of my tribe in regard to medicine that would be helpful for a doctor to know My reply was that I had been raised like a white that I had grown up learning about various herbal and natural remedies but that I knew nothing about the specific medical traditions ceremonial or secular of my people I had always longed to know of the traditions of my people before that but circumstances of my family history had not allowed it That question in the Focus On Problems class caused that longing to intensify into a sharp pang of longing that would not be satisfied until many years later While in the first two years of medical school as a nontraditional student I was in an environment that encouraged the development of the knowledge of Native American traditions We had Native American speakers that came and elaborated on Native American traditions One area that was lacking was tribal histories but what academics label prehistory I commented to her that when white man came they did all they could to destroy our social and religious fabric so the old traditions were not passed down to most of the remaining members of the tribes Now we know nothing of our old history There is nothing left The white side of my family history is easy to know but not my Cherokee and Choctaw side She replied by saying that yes many of our peoples have lost their old traditions and it is sad **New York Times Saturday Review of Books and Art** ,1958 Forthcoming Books Rose Arny, 1997-12 British Bulletin of Publications on Latin America, the Caribbean, The School Librarian ,1993 The New York Times Index ,1985 Portugal and Spain ,1978 **National Geographic Investigates:** Ancient Aztec Tim Cooke, 2007 Describes the work of archaeologists who have uncovered the artifacts of ancient Aztecs of Mexico The Aztecs Peter Hicks, 1993 Examines the history work family life and culture of the Aztecs Washington International Arts Letter ,1973 At Home with the Aztecs Michael Choice ,1964 Smith, 2016-02-22 At Home with the Aztecs provides a fresh view of Aztec society focusing on households and communities instead of kings pyramids and human sacrifice This new approach offers an opportunity to humanize the Aztecs moving past the popular stereotype of sacrificial maniacs to demonstrate that these were successful and prosperous communities Michael

Smith also engagingly describes the scientific logistic and personal dimensions of archaeological fieldwork drawing on

decades of excavating experience and considering how his research was affected by his interaction with contemporary Mexican communities Through first hand accounts of the ways archaeologists interpret sites and artifacts the book illuminates how the archaeological process can provide information about ancient families Facilitating a richer understanding of the Aztec world Smith s research also redefines success prosperity and resilience in ancient societies making this book suitable not only for those interested in the Aztecs but in the examination of complex societies in general

At Home with the Aztecs Michael Ernest Smith,2016 At Home with the Aztecsprovides a fresh view of Aztec society focusing on households and communities instead of kings pyramids and human sacrifice This new approach offers an opportunity to humanize the Aztecs moving past the popular stereotype of sacrificial maniacs to demonstrate that these were successful and prosperous communities Michael Smith also engagingly describes the scientific logistic and personal dimensions of archaeological fieldwork drawing on decades of excavating experience and considering how his research was affected by his interaction with contemporary Mexican communities Through first hand accounts of the ways archaeologists interpret sites and artifacts the book illuminates how the archaeological process can provide information about ancient families Facilitating a richer understanding of the Aztec world Smith's research also redefines success prosperity and resilience in ancient societies making this book suitable not only for those interested in the Aztecs but in the examination of complex societies in general The Aztecs Michael E. Smith,2013-03-01 The Aztecs brings to life one of the best known indigenous civilizations of the Americas in a vivid comprehensive account of the ancient Aztecs A thorough examination of Aztec origins and civilization including religion science and thought Incorporates the latest archaeological excavations and research into explanations of the Spanish conquest and the continuity of Aztec culture in Central Mexico Expanded coverage includes key topics such as writing music royal tombs and Aztec predictions of the end of the world
