Faceless Strangers Isis:

Hand of Isis Jo Graham, 2009-03-03 Following her acclaimed debut Jo Graham returns to the ancient world with a novel that will captivate lovers of fantasy history and romance Set in Ancient Egypt Hand of Isis is the story of Charmian a handmaiden and her two sisters It is a novel of lovers who transcend death of gods who meddle in mortal affairs and of women who guide empires

Staging Strangers Barry Freeman, 2017-03-01 Twenty first century media and political discourse sometimes makes strangers refugees immigrants minorities the scapegoats for social and economic disorder In this heated climate theatre has the potential to promote greater compassion and empathy for outsiders A study of cultural difference in contemporary Canadian theatre Staging Strangers considers how theatre facilitates an understanding of distant places and issues Theatre in Canada and especially in Toronto has long been a place for communities to celebrate their traditions but it is now emerging as a forum for staging stories that stretch beyond the local and the national Combining archival research and performance analysis Barry Freeman analyzes the possibilities and hazards of representing strangers and the many ways the stranger on stage may be fetishized or domesticated marked for assimilation or turned into an object of fear A fresh look at ways to cultivate ethical responsibility for global issues Staging Strangers imagines a role for theatre in creating a more tolerant caring and cooperative world

Watching Murder Simon Cottee, 2022-06-24 Watching Murder shines a light onto the dark world of jihadi murder videos and the people who watch and share them on the internet Images and videos of murder torture and other cruelties are everywhere on the internet Why do some people seek out and watch this material how are they affected by it and do they have a right to watch any of it in the first place In this ground breaking book terrorism scholar Simon Cottee visits the murky fringes of the internet in search of answers Focusing on ISIS he shows how the group transformed the urban myth of the snuff movie into a grim reality watched by tens of thousands of people across the globe On shock sites he finds a contingent of ISIS fans who while hating the group love to watch its most monstrous depredations in high definition He interviews his fellow extremism researchers and asks them about all the dark things they have seen online and how this has affected their mental health He speaks with the cleaners whose job is to report and remove violent jihadi propaganda from the internet And he surveys thousands of young adults to find out what they think of ISIS and its notorious beheading videos Cottee exposes the hysteria around online radicalization and shows how our engagement with violent online spectacles is much more complex and multifaceted than many would have us believe Watching Murder will appeal to anyone with an interest in violence media terrorism and ISIS It will be of particular interest to students and scholars of terrorism studies political science culture and communication
