*Faces of Community* Conrad Edick Wright, Reed Ueda, 2003 For hundreds of thousands of immigrants coming to Massachusetts has meant exchanging one community for another in multiple ways that are often overlooked Whether home was originally an Irish tenant farm or the slave quarters of a Southern plantation or an Eastern European ghetto whether its mention evoked warm memories or nightmares immigration has required adopting a new identity consonant with new circumstances Men who considered themselves Milanese moved to Boston s North End and became Italian Americans women who identified themselves with County Cork turned into Irish Americans when Worcester became their hometown The identities that immigrants adopted demarcated the outlines of their new communities This collection of essays explores some of the communities that Massachusetts immigrants created for themselves in the nineteenth and twentieth centuries Contributions investigate how individual immigrant settlements came about and how groups interacted with one another as well as how newcomers were received The essays also assess how immigration affected those who experienced it the men and women who gave up the rhythms of their birthplaces in favor of the pulsing beat of their adopted homeland Because the Bay State was a primary destination for immigrants during the social reorganization caused by industrial and urban development the volume offers important case studies with national significance of how newcomers and natives adjusted to each other and reshaped the boundaries of American communities The collection explores the common aspects of community creation and development that linked their various ethnic experiences Irish French Canadian Jewish Italian Swedish and African American The Book Review Digest ,2005 *Henry Adams & the Need to Know* William Merrill Decker, Earl N. Harbert, 2005 To many he speaks with unprecedented urgency For Henry Adams at the turn of the twentieth century as for his successors in the twenty first the relation of mind to a world remade by technology and geopolitical conflict largely determines the destiny of civil life Henry Adams and the Need to Know presents fourteen essays that articulate Adams s ongoing interest to both scholarly and general readerships stressing his eclecticism and his need to clarify the role of critical intelligence in public life *American Book Publishing Record* ,2003 *Forthcoming Books* Rose Arny, 2003 Books in Print Supplement ,2002 Includes authors titles subjects **America, History and Life** ,2004 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide **Books in Print** ,2006 Subject Guide to Books in Print ,1971 *Massachusetts Historical Society Studies in American History and Culture* Massachusetts Historical Society, 1989 *Massachusetts Historical Society Studies in American History and Culture* ,1989 **Collections of the Massachusetts Historical Society** Massachusetts Historical Society, 1804 For the statement above quoted also for full bibliographical information regarding this publication and for the contents of the volumes 1st ser v 1 7th series v 5 cf Griffin Bibl of Amer hist society 2d edition 1907 p 346 360
