**Jennifer Scheper Hughes**

## **Faces Of Jesus Latin American Christologies:**

*Faces of Jesus* Jose Miguez Bonino, 2002-11-20      **Christology as Narrative Quest** Michael LaVelle Cook, 1997 How central is narrative to human experience to Christology What is the significance of Mark's turn to narrative in the development of the Christian Scriptures and of the return to narrative in liberation theology as exemplified in the Mexican American experience How does the move toward more conceptual language in the Creed and in Aquinas Summa theologiae relate to the foundational priority of narrative In exploring such questions this book maintains the primacy and centrality of narrative in communicating the significance of Jesus Mark and Guadalupe both communicating through the power of narrative frame the Creed which is a symbolic evocation of John's narrative and the Summa which even in its systematization assumes the foundational narratives Thus the Fathers of the Church and Thomas Aquinas no less than the Gospel authors and Juan Diego's heirs are seen to be on a narrative quest      **Courting Betrayal** Helen Orchard, 1998-05-01 This study explores the dynamics of violence within John's Gospel focusing on the portrayal of the character of Jesus It offers an understanding of the Johannine Jesus that counters the traditional model of a serene figure who maintains sovereign control over his environment Establishing the prevalence of material indicating opposition to Jesus it argues that his experience and perception of victimization are key to his identity Furthermore it is suggested that Jesus colludes with his victimizers raising the issue of who is responsible for his betrayal and death Drawing on the disciplines of victimology literary criticism and liberation theology the work comprises targeted exegesis of substantial portions of the Gospel revealing the prominence of the theme of violence and raising a number of christological questions      *Jesus in the Hispanic Community* Harold Joseph Recinos, Hugo Magallanes, 2010-01-01 This first of its kind collection reveals U S Latino a theological scholarship as a vital terrain of study in the search for better understanding of the varieties of religious experience in the United States While the insights of Latino a theologians from Central and South America have gained attention among professional theologians until now the role of U S Latino a theology in the formation of North American theological identity has been largely unacknowledged Nonetheless the four centuries old Latino a presence in the United States has been forming a rich creative and distinctively North American Latino a Christology Exploring both constructive theology and popular religion this collection of essays from top U S Latino a scholars reveals the varieties of religious experience in the United States and the importance of Latino a understandings of Christ to both academy and community      **Biography of a Mexican Crucifix** Jennifer Scheper Hughes, 2010-01-27 In 1543 in a small village in Mexico a group of missionary friars received from a mysterious Indian messenger an unusual carved image of Christ crucified The friars declared it the most poignantly beautiful depiction of Christ's suffering they had ever seen Known as the Cristo Aparecido the Christ Appeared it quickly became one of the most celebrated religious images in colonial Mexico Today the Cristo Aparecido is among the oldest New World crucifixes and is the beloved patron saint of the Indians of Totolapan In Biography of a Mexican Crucifix Jennifer Scheper

Hughes traces popular devotion to the Cristo Aparecido over five centuries of Mexican history. Each chapter investigates a single incident in the encounter between believers and the image. Through these historical vignettes, Hughes explores and reinterprets the conquest of and mission to the Indians, the birth of an indigenous syncretic Christianity, the violent processes of independence and nationalization, and the utopian vision of liberation theology. Hughes reads all of these through the popular devotion to a crucifix that over the centuries becomes a key protagonist in shaping local history and social identity. This book will be welcomed by scholars and students of religion, Latin American history, anthropology, and theology.

*Theologies of Land* K. K. Yeo, Gene L. Green, 2020-12-24 The Crosscurrents series highlights emerging theologies and biblical interpretations from Majority World and minoritized communities. The first volume in the series elaborates theologies of land, a theme often missing or ignored by churches and theologians, especially in the Global North. In this volume, four authors who represent Palestinian, First Nations, Latinx, and South African communities examine the intricate relationship among land, space, migration, and identity. Together with a Malaysian Chinese, the authors deliberate on the complex issues arising out of political domination as well as humanity's conquest and abuse of land that create unjust space for landless people and the broken landscape of God's creation.

*Dalit Theology and Dalit Liberation* Peniel Rajkumar, 2016-05-13 In fulfilling the long-awaited need for a constructive and critical rethinking of Dalit theology, this book offers and explores the synoptic healing stories as a relevant biblical paradigm for Dalit theology in order to help redress the lacuna between Dalit theology and the social practice of the Indian Church. Peniel Rajkumar's starting point is that the growing influence of Dalit theology in academic circles is incompatible with the praxis of the Indian Church, which continues to be passive in its attitude towards the oppression of the Dalits both within and outside the Church. The theological reasons for this lacuna between Dalit theology and the Church's praxis, Rajkumar suggests, lie in the content of Dalit theology, especially the biblical paradigms explored, which do not offer adequate scope for engagement in praxis.

*God--The World's Future* Ted Peters, 2015-08-01 *God: The World's Future* has been a proven textbook in systematic theology for over twenty years. Thoroughly revised and expanded, this third edition is explicitly crafted to address our postmodern context and explains the whole body of Christian historical doctrine from within a proleptic framework. Peters skillfully deploys this concept not only to organize the various theological areas or loci but also to rethink doctrines in light of key postmodern challenges from ecumenism, critical historical thinking, contemporary science, and gender and sexuality issues.

*Spirit Outside the Gate* Oscar García-Johnson, 2019-07-23 Oscar García-Johnson explores a new grammar for the study of theology and mission in global Christianity, especially in Latin America. Moving to recover important elements in ancestral traditions of the Americas, he discerns pneumatological continuity between the pre-Columbian and post-Columbian communities. With an interdisciplinary narrative approach, this work offers a constructive theology of mission for the church in global contexts.

*Divino Compañero* Sammy Alfaro, 2010-09-01 *Divino Compañero* explores the necessary foundations for constructing a Hispanic Pentecostal Christology.

Although traditionally Pentecostal Christologies have been anchored in a two nature Chalcedonian model Alfaro proposes that Spirit Christology is a more suitable paradigm for a Hispanic Pentecostal Christology provided it is grounded in the experience faith and worship of its community and oriented toward liberative praxis After reviewing the christological reflection of early Pentecostals and the contemporary turn to Spirit Christology Alfaro lays out the main components needed to construct a christological model born out of the Hispanic Pentecostal reality rooted in the broader Pentecostal christological imagination and informed by the Pentecostal way of doing theology Following this method Alfaro concludes the central metaphor of Hispanic Pentecostal Christology is El Divino Companero for in their pilgrimage through this world it is Jesus the Divine Companion who through the Spirit guides and nurtures his followers on their way back home Matthew Jeannine K. Brown, Kyle Roberts, 2018-09-27 In this latest addition to the Two Horizons New Testament Commentary series biblical scholar Jeannine Brown and theologian Kyle Roberts together illuminate the Gospel of Matthew for pastors scholars and serious students of Scripture Including an original translation of the text along with section by section commentary this volume features chapters on thinking theologically with Matthew about such themes as kingdom Christology the Holy Spirit and discipleship Brown and Roberts also offer constructive theological engagement with a number of contemporary viewpoints including feminist global political and ethical post Holocaust perspectives At once interdisciplinary and insightful their commentary will appeal to a wide readership **Hear and Be Wise** Alyce M. McKenzie, 2010-09-01 Empowers the preacher to understand the role of wise leader to which he or she has been called and to claim that role with conviction and joy Pastors are called to an exciting ministry of proclamation and leadership That excitement however often turns to demoralization and burnout as pastors become increasingly uncertain of what their role is supposed to be Competing claims by the congregation the denomination and society about who and what the pastor is supposed to be breed confusion and disappointment Are they primarily managers Therapists Fundraisers A way out of this confusion lies in reclaiming the biblical understanding of who the pastor is One of the biblical roles within the pastoral vocation that often goes neglected is that of wise teacher or sage Scripture presents as a model of pastoral leadership those who interpret the word and will of God for daily living Especially in their preaching pastors are called to help the congregation understand their place in God's world In this book Alyce McKenzie lays out the four qualities of the wise teacher the bended knee the listening heart the cool head and the courageous voice and encourages pastors to make each of these integral to their ministry and vocation She goes on to demonstrate that the sermon is the prime opportunity to function in the role of wise teacher She offers strategies for applying biblical wisdom to all areas of everyday life The strategies include 1 Preaching that is as sensory as life is using imagery metaphor simile and story to connect with people's emotions as well as their intellect 2 Preaching that uses first person experiences without being narcissistic 3 Preaching that teaches without boring 4 Preaching on public often controversial issues that minimizes defensiveness and maximizes dialogue **The Vicarious Humanity of Christ and the**

**Reality of Salvation** Christian D. Kettler, 2011-03-01 In this book the problem of the reality of salvation is addressed by T F Torrance's doctrine of the vicarious humanity of Christ Through this approach salvation as humanization is affirmed yet without the problems of anthropocentric theologies This book is unique in that it offers both a survey of contemporary Christian thinking on salvation as well as a constructive alternative based on Torrance's doctrine a significant yet neglected contribution to modern theology

**Christianity , Theological Foundations** John J. Mueller, 2007 Here a team of award winning teaching scholars has come together to create an introductory text that offers a truly unique and innovative contribution to the discipline of theological studies This first book provides students of any religious tradition with the foundational skills vocabulary conceptual understanding and research abilities that they need to succeed in theology and religious studies Theological Foundations provides the following Ten chapters that introduce the major sub disciplines of theology creating a well rounded source for understanding the discipline as a whole Contributions that are clear accessible and steeped in content A strong basis for vigorous intellectual and personal exploration of life and our relation to God Flexibility that allows the instructor to assign readings in any order that fits his or her syllabus A one of a kind integrated library research component From the Reference Librarian which teaches students the foundational skills needed for successful study in theology and in any academic discipline

*The Cambridge Companion to Jesus* Markus Bockmuehl, 2001-11-08 This Companion takes as its starting point the realization that Jesus of Nazareth cannot be studied purely as a subject of ancient history a man like any other man History literature theology and the dynamic of a living worldwide religious reality all appropriately impinge on the study of Jesus The two parts of the book roughly correspond to the interdependent tasks of historical description and critical and theological reflection It incorporates the most up to date historical work on Jesus the Jew with the bigger issues of critical method the story of Christian faith and study and Jesus in a global church and in the encounter with Judaism and Islam Written by seventeen leading international scholars the book encourages students of the historical Jesus to discover the vital contribution of theology and students of doctrine to engage the Christ of faith as Jesus the first century Jew

**Jesus The Holy Fool** Elizabeth-Anne Stewart, 1999-08 Richly written Jesus the Holy Fool combines diverse images from religious traditions world literature Jungian archetype and Scripture Weaving the best theology and spirituality Jesus the Holy Fool is a fresh and inviting Christology The Scriptures tell us that religious leaders thought Jesus was possessed and his own family thought he was crazy In his open table fellowship choice of followers radical passion and his death and resurrection Jesus was willing to appear as a fool for the sake of God's reign His teachings especially the parables paradoxes and the beatitudes advocate a way of life that is grounded in Holy Foolishness Through an archetypal examination of the fool motif as it applies to Jesus in the Gospels Jesus the Holy Fool develops the connections between holiness and folly Offering new insights into Christology and exploring its practical pastoral ramifications Jesus the Holy Fool presents Holy Foolishness as a paradigm for the Christian journey and as a new model of

what it means for us to be church      **The Radical Teaching of Jesus** Duncan S. Ferguson, 2016-01-18 The Radical Teaching of Jesus carefully and thoughtfully invites the reader into an understanding of the life and teachings of Jesus Both his life and teachings are radical in that Jesus intended those who observed his life and heard his teachings to make a major change in their lives by fully receiving the power and presence of God The implications of this transformation would result in a life of loving God with heart and mind and one's neighbor without condition This volume underlines that to have a full understanding of the implications of the radical teaching of Jesus requires a careful reading of the history of the Gospel records of the circumstances in which Jesus lived and of Jesus sense of vocation This understanding makes possible a more credible and nuanced grasp of the style and content of the life and teaching of Jesus and its extraordinary relevance for our rapidly changing and troubled global context The book speaks poignantly both to those within the Christian family who find traditional categories regarding Jesus increasingly difficult to affirm and to those of other faith traditions or religious unaffiliated who seek an authentic spiritual way      Reaping the Whirlwind John R. Pottenger, 2007-07-05 As early as the sixteenth century the liberal democratic state has been forced to confront the question of religion in politics The result has been a tense and uncomfortable balancing act Today in the public square of liberal democracy a number of religious confessions and beliefs compete for attention In the American experience some sense of religious pluralism and relative social harmony has been maintained However for this relationship to prevail a tension must continue to exist one that balances the political and social pursuits of self interest with meeting the objectives of the common good In Reaping the Whirlwind John R Pottenger shows how this process began in the modern world and how societies attempt to manage this ongoing conflict The first part of the book lays the groundwork of his analysis by using examples from history to demonstrate the genesis of political and religious whirlwinds It goes on to explore contemporary case studies such as conflicts between Mormons and Evangelicals in the United States liberation theology in Latin America Islam and the state in Uzbekistan and radical Christian reconstructionism Pottenger believes that the formal institutions of liberal democracy should maintain this turbulence even as religious activism threatens to upset the balance He concludes by advocating religious liberty and recognizing the individual and social need for expression At the same time he maintains that the survival of liberal democracy requires that these religious traditions not dominate the public sphere      **Brown Church** Robert Chao Romero, 2020-05-26 The Latino culture and identity have long been shaped by their challenges to the religious socio economic and political status quo Robert Chao Romero explores the Brown Church and how this movement appeals to the vision for redemption that includes not only heavenly promises but also the transformation of our lives and the world

The Engaging World of Kindle Books: A Thorough Guide Unveiling the Advantages of Kindle Books: A World of Convenience and Versatility E-book books, with their inherent portability and ease of access, have liberated readers from the limitations of hardcopy books.
