*Emotion in the Human Face* Paul Ekman, Wallace V. Friesen, Phoebe Ellsworth, 2013-10-22 Emotion in the Human Face Guidelines for Research and an Integration of Findings reviews research findings about the link between the face and emotion and provides some guidelines for study of this complicated but intriguing phenomenon Some of the conceptual ambiguities that have hindered research and the methodological decisions that must be made in planning research on the face and emotion are discussed How past

investigators handled these matters is presented critically and a set of standards is offered This book is comprised of 21 chapters and begins with an overview of questions about how the face provides information about emotion with emphasis on evidence based on scientific research largely in psychology The reader is then introduced to conceptual ambiguities and methodological decisions related to research on the face emotion connection including sampling along with some important research findings In particular emotion categories and dimensions that observers can judge on the basis of facial behavior are analyzed and whether such judgments can be accurate The similarities and differences in facial behavior across cultures are also considered along with the relative contribution of facial behavior and contextual information to the judgment of emotion This monograph is intended primarily for students of psychology anthropology ethology sociology and biology as well as those planning or already conducting research on the face     *Unmasking the Face* Paul Ekman,Wallace V. Friesen,2003 Filled with breakthrough research the book explains how to identify the facial expression of basic emotions and how to tell when people try to mask simulate or neutralize their expression Features practical exercises to help build skills     **Like People You See in a Dream** Edward L. Schieffelin,Robert Crittenden,1991 This book is at once a detailed ethnographic and historical analysis of one of the final modern day experiences of first culture contact a classic example of historical geography and an extraordinary tale of exploration imperialist arrogance blood shed suffering courage and near disaster By the 1930 s the interior of the island of New Guinea protected from outside penetration over the centuries by its rugged mountains and unruly rivers remained one of the few places outsiders had never seen In early January of 1935 the Papuan colonial administration dispatched patrol officers including 40 Papuan carriers and police to explore the vast unknown country between the Strickland and Purari rivers The expedition moved inland along the river systems by steam launch and canoe until in mid February they abandoned their boats and proceeded on foot through the tropical forest and into the mountains Along the way the party encountered hitherto unsuspected populations peoples of six tribes numbering in the tens of thousands who had never before seen white men and who were still using Stone Age tools     **Social Psychology, 2nd Edition** Roger Brown,1986 Providing a complete new set of information in the second edition world renowned psychologist Roger Brown provides insight on language and communication issues of sexual liberation and equity and altruism in regard to social psychology A completely revised book with new organization and topics in comparison to the first volume Social Psychology evaluates the pros and cons of current arguments in the ever changing world of psychology In a balance of opinion and research in order to activate a flow of relevant memories and introspection Roger Brown helps readers comprehend abstract concepts and principles in psychology As each chapter is fully understandable on its own this reference book is the perfect source of information for students teachers and professionals     *Lippincott's Monthly Magazine* ,1895
