Sharma,2007 Papers presented at various national and international seminars      **Facets of Qing Daoism** Monica Esposito,2016-03-11 As China is rapidly reemerging as the world s dominant economic powerhouse that it had been until the mid eighteenth century interest in its religions and philosophies is on the rise Just as the history and culture of Western civilizations can hardly be grasped without a measure of knowledge about Christianity an understanding of Chinese civilization and its history seems impossible without some comprehension of Daoism Though it has long been clear that modern Daoism has its roots in Daoist movements of the Qing dynasty 1644 1911 research on premodern Daoism had been largely neglected Published in six languages Italian French English German Chinese and Japanese the pioneering studies by Monica Esposito 1962 2011 on Qing Daoism have been instrumental in kindling keen scholarly interest both in the West and in China and Japan This book presents corrected and augmented versions of three of Dr Esposito s seminal articles that had originally been published in English Daoism in the Qing The Longmen School and its Controversial History and Longmen Daoism in Qing China Doctrinal Ideal and Local Reality along with English versions of two articles that had hitherto only been available in Japanese and Chinese Beheading the Red Dragon The Heart of Feminine Alchemy and An Example of Daoist and Tantric Interaction during the Qing Dynasty The Longmen xinzong In addition this volume contains a bibliography of all her publications and a detailed index      *Handbook of Religion and the Authority of Science* James R. Lewis,Olav Hammer,2010-11-19 The present collection examines the many different ways in which religions appeal to the authority of science The result is a wide ranging and uniquely compelling study of how religions adapt their message to the challenges of the contemporary world      Ultimate Realities Robert C. Neville,2001-01-01 Explores ultimate realities in a range of world religions and discusses the issue and philosophical implications of comparison itself      *Facets of Buddhist Thought* Kulatissa Nanda Jayatilleke,1971      **Pilgrimage Centres of India** Brajesh Kumar,2003      **Religion in Contemporary Japan** Ian Reader,1991-04-01 What role does religion play in contemporary Japanese society and in the lives of Japanese people today This text examines the major areas in which the Japanese participate in religious events the role of religion in the social system and the underlying views within the Japanese religious world Through a series of case studies of religion in action at crowded temples and festivals in austere Zen meditation halls at home and at work at dramatic fire rituals it illustrates the immense variety energy and colour inherent in Japanese religion It also discusses the continued relevance and responses of religion in a rapidly modernizing and changing society      **Beyond Indigenization: Christianity and Chinese History in**

**a Global Context** Feiya Tao, 2022-11-28 The volume edited by Tao Feiya and featuring recent Chinese scholarly articles translated into English for the first time by Max L Bohnenkamp traces the history of Christianity in China and explores the dynamics of Christian practices in Chinese society Its twenty chapters written by Chinese scholars of the history of religion span the development of Christianity in China from the era of the Tang Dynasty to the twentieth century The four parts of the volume explore the Sinicization of Christian texts and thought the conflicts within China between Christianity and Chinese institutions relations between religious groups and societal and political issues beyond religion Taken together this volume places the practice of Christianity in China into the context of world history while investigating the particular and localized challenges of Christianity s spread in China

**Universality of Buddha** Shiv Sharma, 2002 Thailand's International Meditation Centers Brooke Schedneck, 2015-05-15 This book explores contemporary practices within the new institution of international meditation centers in Thailand It discusses the development of the lay vipassana meditation movement in Thailand and relates Thai Buddhism to contemporary processes of commodification and globalisation Through an examination of how meditation centers are promoted internationally the author considers how Thai Buddhism is translated for and embodied within international tourists who participate in meditation retreats in Thailand Shedding new light on the decontextualization of religious practices and raising new questions concerning tourism and religion this book focuses on the nature of cultural exchange spiritual tourism and religious choice in modernity With an aim of reframing questions of religious modernity each chapter offers a new perspective on the phenomenon of spiritual seeking in Thailand Offering an analysis of why meditation practices appeal to non Buddhists this book contends that religions do not travel as whole entities but instead that partial elements resonate with different cultures and are appropriated over time

**Religions of Korea in Practice** Robert E. Buswell Jr., 2018-06-05 Korea has one of the most diverse religious cultures in the world today with a range and breadth of religious practice virtually unrivaled by any other country This volume in the Princeton Readings in Religions series is the first anthology in any language including Korean to bring together a comprehensive set of original sources covering the whole gamut of religious practice in both premodern and contemporary Korea The book s thirty two chapters help redress the dearth of source materials on Korean religions in Western languages Coverage includes shamanic rituals for the dead and songs to quiet fussy newborns Buddhist meditative practices and exorcisms Confucian geomancy and ancestor rites contemporary Catholic liturgy Protestant devotional practices internal alchemy training in new Korean religions and North Korean Juche self reliance ideology an amalgam of Marxism and Neo Confucian filial piety focused on worship of the father Kim Il Sung Religions of Korea in Practice provides substantial coverage of contemporary Korean religious practice especially the various Christian denominations and new indigenous religions Each chapter includes an extensive translation of original sources on Korean religious practice accompanied by an introduction that frames the significance of the selections and offers suggestions for further reading This book will help any reader gain a better

appreciation of the rich complexity of Korea's religious culture      *On Understanding Japanese Religion* Joseph Mitsuo Kitagawa, 2021-02-09 Joseph Kitagawa one of the founders of the field of history of religions and an eminent scholar of the religions of Japan published his classic book *Religion in Japanese History* in 1966 Since then he has written a number of extremely influential essays that illustrate approaches to the study of Japanese religious phenomena To date these essays have remained scattered in various scholarly journals This book makes available nineteen of these articles important contributions to our understanding of Japan's intricate combination of indigenous Shinto Confucianism Taoism the Yin Yang School Buddhism and folk religion In sections on prehistory the historic development of Japanese religion the Shinto tradition the Buddhist tradition and the modern phase of the Japanese religious tradition the author develops a number of valuable methodological approaches The volume also includes an appendix on Buddhism in America Asserting that the study of Japanese religion is more than an umbrella term covering investigations of separate traditions Professor Kitagawa approaches the subject from an interdisciplinary standpoint Skillfully combining political cultural and social history he depicts a Japan that seems a microcosm of the religious experience of humankind

Facets Of Buddhism: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. Facets Of Buddhism : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Facets Of Buddhism : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
