Facets Of First Language Loss

Suzette Haden Elgin, Suzette Elgin

Facets Of First Language Loss:

Face[t]s of First Language Loss Sandra G. Kouritzin, 1999-04 An important contribution to the understanding of first language loss in both immigrant and indigenous communities drawing on data from 21 life history case studies of adults who had lost their first language while learning English

Memory, Language, and Bilingualism Jeanette Altarriba, Ludmila Isurin, 2013 A comprehensive and interdisciplinary approach to the study of memory language and cognitive processing across various populations of bilingual speakers

First Language Attrition, Use and Maintenance Monika S. Schmid, 2002 Accompanying CD also called a CD ROM by publisher contains excerpts from more than twenty of the interviews analyzed p 4 of cover

First Language Attrition Monika S. Schmid, 2004-01-01 This volume provides a state of the art treatment of research on language attrition the non pathological loss of a language through lack of exposure It combines a review of past and present research with in depth treatments of specific theoretical and methodological issues and reports on individual studies Special prominence is given to the identification of problematic areas in attrition research with a view to pointing out possible solutions The book specifically addresses itself to those who wish to acquaint themselves with the research area of language attrition providing them with both a thorough overview of the field and a basis on which to build their own research The combination of experience and an innovative outlook present in this collection however make it a valuable source for those familiar with attrition as well Especially useful to both beginners and veterans is the extensive annotated bibliography

Transmitting Minority Languages Michael Hornsby, Wilson McLeod, 2022-04-13 This book gives fresh insight into the diverse ways in which the transmission of minority and heritage languages is carried out in a range of sociolinguistic contexts When traditional modes of intergenerational transmission begin to break down minority language and diaspora communities resort to other modes of transmission out of necessity to complement traditional mechanisms and secure language maintenance This volume brings together a broad range of studies of these alternative modes of transmission examining the complex and diverse practical ideological and personal challenges that arise in different settings Beyond addressing the dynamics of language use within the home and family the book also emphasises the importance of the participation of the minority community itself in language and cultural transmission These mechanisms and initiatives sometimes overlooked or dismissed in the academic literature will prove to be essential in maintaining and ensuring the survival of minority and heritage languages into the 21st century and beyond The twelve chapters in the book are divided into four sections intergenerational transmission transmission in post traditional families alternatives to traditional transmission and transmission in diasporic contexts and the language contexts both minoritised and diasporic which are discussed include Basque Breton Galician Guernesais Irish M ori Russian Scottish Gaelic Sorbian and Spanish This book will be of interest to students and scholars of sociolinguistics language acquisition heritage language maintenance and revitalization and language policy and planning

The Cambridge Handbook of Bilingual Processing John W.

Schwieter,2015-08-06 How does a human acquire comprehend produce and control multiple languages with just the power of one mind What are the cognitive consequences of being a bilingual These are just a few of the intriguing questions at the core of studying bilingualism from psycholinguistic and neurocognitive perspectives Bringing together some of the world's leading experts in bilingualism cognitive psychology and language acquisition The Cambridge Handbook of Bilingual Processing explores these questions by presenting a clear overview of current theories and findings in bilingual processing This comprehensive handbook is organized around overarching thematic areas including theories and methodologies acquisition and development comprehension and representation production control and the cognitive consequences of bilingualism The handbook serves as an informative overview for researchers interested in cognitive bilingualism and the logic of theoretical and experimental approaches to language science It also functions as an instrumental source of readings for anyone interested in bilingual processing

First Language Attrition Herbert W. Seliger,Robert M. Vago,1991-06-27 Examines linguistic aspects of the attrition or loss of first language abilities in bilinguals *Aspects of Multilingual Aphasia*

Martin R. Gitterman,Mira Goral,Loraine K. Obler,2012-06-20 This volume presents a broad overview of current research and thought on aphasia in individuals who speak more than one language The range of topics covered and their in depth treatment should be of interest to researchers clinicians and students

Social and structural aspects of language contact and change Bettina Migge,Shelome Gooden,2022-10-20 This book brings together papers that discuss social and structural aspects of language contact and language change Several papers look at the relevance of historical documents to determine the linguistic nature of early contact varieties while others investigate the specific processes of contact induced change that were involved in the emergence and development of these languages A third set of papers look at how new datasets and greater sensitivity to social issues can help to re assess persistent theoretical and empirical questions as well as help to open up new avenues of research In particular they highlight the heterogeneity of contemporary language practices and attitudes often obscured in sociolinguistic research The contributions all focus on language variation and change but investigate it from a variety of disciplinary and empirical perspectives and cover a range of linguistic contexts

Studies on Turkish and Turkic Languages Ashl Göksel,Celia Kerslake,2000 This book contains papers presented at the Ninth International conference on Turkish Linguistics held in Oxford in August 1998 The papers cover a wide range of topics in theoretical and descriptive linguistics relating to Turkish and Turkic languages bringing together the work of the most eminent researchers in the field In addition to articles in the core areas of linguistics which focus on topics such as the morpho syntactic properties of argument structure word stress aspect and modality word order embedding cliticisation and compounding there are sections on psycholinguistics language acquisition discourse analysis language contact and bilingualism Although the main language of investigation is Modern Turkish the articles cover a wide range of Turkic languages including Karaim Eynu Sarigh Yoghur Salar Gagauz Noghay Khalaj and Iraqi Turkmen some of which are

endangered as well as historic varieties such as Middle Turkish Old Anatolian Turkish and Old Turkic The book will be of interest to linguists working on theoretical comparative and diachronic aspects of linguistic research as well as those who are interested in descriptive aspects of Turkish and other Turkic languages **The Language Imperative** Suzette Haden Elgin, Suzette Elgin, 2008-01-03 Many of us view language as a tool a means by which to communicate our thoughts and emotions But is there more to language than just talk Can learning languages actually change the way you think In *The Language Imperative* best selling author and linguistic scholar Suzette Haden Elgin examines the power of language to shape our lives She confronts some of the most pressing issues parents and educators face today Is it a good or bad idea for Americans to have command of more than one language Should learning languages be a luxury for only the rich Or should it be a goal of the public educational system as well Based on solid science and filled with personal insights *The Language Imperative* is required reading for anyone interested in how words shape our lives both as individuals and as a nation

Minority and Cross-Cultural Aspects of Neuropsychological Assessment F. Richard Ferraro, 2015-07-16 Minority and cross cultural psychology is more relevant now than ever in our diverse world Given the dramatic local and global changes occurring daily with regard to demographics population changes and immigration issues minority and cross cultural psychology is fast becoming a respected and critical area of scientific study Pair that with the fact that people of all cultures and racial groups are living longer and experiencing age related diseases and disorders one can easily see the need for additional work on issues related to neuropsychological assessment This new edition brings to the forefront recent developments by seasoned experts in the field They offer up their newest projects in minority and cross cultural aspects of neuropsychological assessment and are joined by new up and coming professionals across a wide array of disciplines including psychology medicine and neuropsychology Like the first edition this updated collection sheds light on the ever growing need for adequate neuropsychological assessment to a wider subset of individuals crossing many cultural and minority barriers in the process Continuously pushing the boundaries of neuropsychological assessment this collection is essential reading for cognitive and clinical psychologists and neuropsychologists and a model text for advanced courses dealing with minority and cross cultural issues **Handbücher zur Sprach- und Kommunikationswissenschaft** Hans

Goebel, Herbert Ernst Wiegand, 1996 Cross-Linguistic Aspects of Processability Theory Manfred Pienemann, 2005-12-14 Seven years ago Manfred Pienemann proposed a novel psycholinguistic theory of language development Processability Theory PT This volume examines the typological plausibility of PT Focusing on the acquisition of Arabic Chinese and Japanese the authors demonstrate the capacity of PT to make detailed and verifiable predictions about the developmental schedule for each language This cross linguistic perspective is also applied to the study of L1 transfer by comparing the impact of processability and typological proximity The typological perspective is extended by including a comparison of different types of language acquisition The architecture of PT is expanded by the addition of a second set of principles that

contributes to the formal modeling of levels of processability namely the mapping of argument structure onto functional structure in lexical mapping theory This step yields the inclusion of a range of additional phenomena in the processability hierarchy thus widening the scope of PT

Theoretical and Experimental Aspects of Syntax-Discourse Interface in Heritage Grammars Tania Ivanova-Sullivan, 2015-01-27 In Theoretical and Experimental Aspects of Syntax Discourse Interface in Heritage Grammars Tanya Ivanova Sullivan investigates comprehension and production of anaphoric dependencies with null and overt subject pronouns She discusses the divergent behaviour of the heritage speakers of Russian by providing a closer look at their proficiency level quantity of input and order of language acquisition She explains the results with various degrees of successful application of pragmatic principles and efficiency in allocating cognitive resources The contribution of the monograph lies in the discussion of theoretical and experimental issues related to anaphora resolution along with an investigation of all aspects of representation and processing of anaphoric pronouns by various kinds of bilinguals heritage speakers L2 learners and L1 attriters

Immigrant Languages in Europe Guus Extra, Ludo Th Verhoeven, 1993 The focus of this book is on immigrant groups and immigrant languages with a recent or earlier background of migration to industrialized countries in Western and Northern Europe After presenting some basic concepts in the area of language and immigration the book focuses on demographic statistics of immigrant groups in European Community countries and Scandinavia and on research in the field of immigrant language varieties

Aspects of Language Teaching Rekha Aslam, 1992 It involves theories from various fields and imbibes the findings in them as from the field of psychology philosophy of language technology sociology and so on With such an inter disciplinary orientation language teaching consists of first language learning theories second language learning theories language teaching methods a sub part of which is language planning and teaching tasks language testing and variables in language learning This entails looking up different books on the various subjects which is not an easy proposition This book presents the topic comprehensively in one place saving in terms of time and effort which can be put to more constructive use Discuss the various aspects of language teaching and the theories examples and illustrations and how their applied form influences the theory The chapters are classified as language learning theories language teaching methods language planning and materials production language teaching tasks testing programmed instruction and CA EA and variables in language learning

Progression and Regression in Language Kenneth Hyltenstam, Ake Viberg, 1993 First published in 1994 this crosslinguistic collection looks at changes and developments in language involving gain or loss in structural complexity or utility The dynamics of these processes of progression and regression are examined at the societal and the individual level and the two are compared In the former the focus is on the social and cultural forces that influence groups of speakers to create new languages or abandon old ones In the latter the acquisition and attrition of both first and second languages are considered Questions raised include Can parallel structural patterning be observed in whole languages and in the individual's version of a language

Is there parallelism between progression and regression Can changes occurring in progression and regression be interpreted in a typological framework These are addressed from sociological neuropsychological and linguistic perspectives

Bilingual Cognition and Language David Miller,Fatih Bayram,Jason Rothman,Ludovica Serratrice,2018-02-15 This collection brings together leading names in the field of bilingualism research to celebrate the 25th anniversary of the Studies in Bilingualism series Over the last 25 years the study of bilingualism has received a tremendous amount of attention from linguists psychologists cognitive scientists and neuroscientists The breadth of coverage in this volume is a testament to the many different aspects of bilingualism that continue to generate phenomenal interest in the scholarly community The bilingual experience is captured through a multifaceted prism that includes aspects of language and literacy development in child bilinguals with and without developmental language disorders language processing and mental representations in adult bilinguals across the lifespan and the cognitive and neurological basis of bilingualism Different theoretical approaches from generative UG based models to constructivist usage based models are brought to bear on the nature of bilingual linguistic knowledge The end result is a compendium of the state of the art of a field that is in constant evolution and that is on an upward trajectory of discovery *Proceedings of the VIIIth International Conference on Turkish Linguistics* Kamile Imer,N. Engin Uzun,1997

Facets Of First Language Loss Introduction

In the digital age, access to information has become easier than ever before. The ability to download Facets Of First Language Loss has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Facets Of First Language Loss has opened up a world of possibilities. Downloading Facets Of First Language Loss provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Facets Of First Language Loss has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Facets Of First Language Loss. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Facets Of First Language Loss. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Facets Of First Language Loss, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Facets Of First

Language Loss has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Facets Of First Language Loss Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Facets Of First Language Loss is one of the best book in our library for free trial. We provide copy of Facets Of First Language Loss in digital format, so the resources that you find are reliable.
