## **Facets Of Ayn Rand:**

Facets of Ayn Rand Mary Ann Sures, Charles Sures, 2001      **Essays on Ayn Rand's Atlas Shrugged** Robert Mayhew, 2009-01-01 While the fiction of novelist philosopher Ayn Rand is extremely popular and enduring little has been written on it so far This book consists of essays most of which are new by top Rand scholars on Atlas Shrugged her magnum opus The essays deal with historical literary and philosophical topics surpassing related writings in breadth and depth of analysis The historical essays cover the writing of Atlas Shrugged its publication history and its reception The literary essays cover analysis of the novel's plot theme and characterization comparisons with other works such as the novels of Hugo Dostoevsky and Joyce and the proper approach to adapting Atlas Shrugged to film The philosophical essays cover a vast range of topics including the place of John Galt's speech in the novel the role of the mind in human life and the evil of non objective law Some of the essays make use of previously unpublished material from the Ayn Rand Archives Book jacket

Ayn Rand and the World She Made Anne Conover Heller, 2010-10-19 A New York Times Notable Book A Chicago Tribune Favorite Book of the Year A San Francisco Chronicle Best Book of the Year Ayn Rand's books have attracted three generations of readers shaped the Libertarian movement influenced White House economic policies throughout the Reagan years and beyond and inspired the Tea Party movement Yet twenty eight years after her death readers know very little about her life In this seminal biography Anne C Heller traces the controversial author's life from her childhood in Bolshevik Russia to her years as a Hollywood screenwriter the publication of her blockbuster novels and the rise and fall of the cult that worshipped her in the 1950s and 1960s Based on original research in Russia and scores of interviews with Rand's acquaintances and former acolytes Ayn Rand and the World She Made is a comprehensive and eye opening portrait of one of the most significant and improbable figures of the twentieth century      **Ayn Rand Explained** Ronald E. Merrill, 2013 Scorned by the established critics Rand wrote brilliant popular novels that have become permanent best sellers and founded an comprehensive philosophical and cultural movement which is shaking the foundations of the post New Deal American political order Merrill examines her espousal and then rejection of Nietzschean philosophy her dismissal of religious faith and her influence on and yet hostility to both conservatism and libertarianism      **A Companion to Ayn Rand** Allan

Gotthelf, Gregory Salmieri, 2021-11-08 The first volume to offer a comprehensive scholarly treatment of Rand's entire corpus including her novels her philosophical essays and her analysis of the events of her times this Companion provides vital orientation and context for scholars and educated readers grappling with a controversial and understudied thinker whose enduring influence on American and world culture is increasingly recognized The first publication to provide an in depth scholarly treatment ranging over the whole of Rand's corpus Provides informed contextual analysis for scholars in a variety of disciplines Presents original research on unpublished material and drafts from the Rand archives in California Features insightful and fair minded interpretations of Rand's controversial positions      *Quicklet on Ayn Rand's We the Living* Danielle

Clark,2012-07-30 ABOUT THE BOOK The closest thing to an autobiography of Ayn Rand s early life We the Living follows the main protagonist Kira as she tries to survive in an oppressive country that will not let her attend school hold a steady job or lead a normal life because her family belonged to the upper class before a cataclysmic war MEET THE AUTHOR Danielle Clark has an M F A in Creative Writing from St Mary s College of California and a B A in English Literature from UC Davis She currently resides in the Bay Area and works as a Journalist in San Francisco s Financial District EXCERPT FROM THE BOOK Rand uses an omniscient third person point of view narrator who goes into the head of every character sometimes even characters passing on the street In doing this the reader sees how the proletariat is broken down by the Communist Party The people who are constantly being made to work are not seen as individuals but as part of the whole working class Kira notes several times when she is going through the motions of her daily life how she has been reduced to the status of a living machine through the constant routine of work eat sleep The theme of work is used several times throughout the novel in an ironic sense as well Throughout We The Living Rand takes many excursions from the plot of the story to go off on multi page descriptive tangents At the beginning of almost every chapter the narrative veers into winding sensory images that describe the bustling life in her hometown of Petrograd The omniscient narrative steps into the mind of almost every character encountered in Petrograd Since We The Living was Rands first attempt to write a long work in English she wanted to focus on a setting that she felt very comfortable with and the best way to do that was to focus on her hometown CHAPTER OUTLINE Quicklet On Ayn Rand s We the Living Ayn Rand s We the Living Striving For individualism Ayn Rand The Life of A Counter Revolutionary Summary of Ayn Rand s We The Living Chapter by Chapter Summary for We The Living and much more *Philosophers of Capitalism* Edward W. Younkins,2005-11-10 *Philosophers of Capitalism* provides an interdisciplinary approach attempting to discover the feasibility of an integration of Austrian Economics and Ayn Rand s philosophy of Objectivism In the first section of the book Edward W Younkins supplies essays presenting the essential ideas of Carl Menger Ludwig von Mises and Ayn Rand Building upon these essential ideas the second portion of the book brings together scholarly perspectives from top academics analyzing Menger von Mises and Rand The third and final section of the book looks toward the future and the possibility of combining and extending the insights of these champions of a free society emphasizing how the errors omissions and oversights made by one theorist can effectively be negated or compensated for by integrating insights from one or more of the others Featuring a list of recommended reading for the major ideas and theorists discussed *Philosophers of Capitalism* is an essential book for both philosophers and economists *Goddess of the Market* Jennifer Burns,2009-10-19 Worshipped by her fans denounced by her enemies and forever shadowed by controversy and scandal the novelist and philosopher Ayn Rand was a powerful thinker whose views on government and markets shaped the conservative movement from its earliest days Drawing on unprecedented access to Rand s private papers and the original unedited versions of Rand s journals Jennifer Burns offers a groundbreaking reassessment of this key cultural figure

examining her life her ideas and her impact on conservative political thought Goddess of the Market follows Rand from her childhood in Russia through her meteoric rise from struggling Hollywood screenwriter to bestselling novelist including the writing of her wildly successful *The Fountainhead* and *Atlas Shrugged* Burns highlights the two facets of Rand's work that make her a perennial draw for those on the right her promotion of capitalism and her defense of limited government Both sprang from her early bitter experience of life under Communism and became among the most deeply enduring of her messages attracting a diverse audience of college students and intellectuals business people and Republican Party activists libertarians and conservatives The book also traces the development of Rand's Objectivist philosophy and her relationship with Nathaniel Branden her closest intellectual partner with whom she had an explosive falling out in 1968 One of the *Denver Post*'s Great Reads of 2009 One of Bloomberg News's Top Nonfiction Books of 2009 Excellent Time magazine A terrific book a serious consideration of Rand's ideas and her role in the conservative movement of the past three quarters of a century *The American Thinker* A wonderful book beautifully written completely balanced extensively researched The match between author and subject is so perfect that one might believe that the author was chosen by the gods to write this book She has sympathy and affection for her subject but treats her as a human being with no attempt to cover up the foibles *Mises Economics Blog* *Egoism without Permission* Tara Smith, 2024-07-15 Ayn Rand controversially defended rational egoism the idea that people should regard their own happiness as their highest goal Given that numerous scholars in philosophy and psychology alike are examining the nature of human flourishing and an ethics of well being the time is ripe for a close examination of Rand's theory *Egoism without Permission* illuminates Rand's thinking about how to practice egoism by exploring some of its crucial psychological dimensions Tara Smith examines the dynamics among four partially subconscious factors in an individual's well being a person's foundational motivation for being concerned with morality their attitude toward their desires their independence and their self esteem A clearer grasp of each Smith argues sheds light on the others and a better understanding of the set in turn enriches our understanding of self interest and its sensible pursuit Smith then traces the implications for a broader understanding of what a person's self interest genuinely is and correspondingly of what its pursuit through rational egoism involves By highlighting these previously underexplored features of Rand's conceptions of self interest and egoism Smith betters our understanding of how vital these psychological levers are to a person's genuine flourishing *Why Businessmen Need Philosophy* Debi Ghate, Richard E. Ralston, 2011-04-05 The intellectual took every business person needs in the boardroom Includes two rare essays by Ayn Rand With government and the media blaming big business for the world economic crisis capitalism needs all the help it can get It's the perfect time for this collection of essays presenting a philosophical defense of capitalism by Ayn Rand and other Objectivist intellectuals Essential and practical *Why Businessmen Need Philosophy* reveals the importance of maintaining philosophical principles in the corporate environment at all levels of business from daily operations to executive decisions and provides the tactical and tactful rational thinking

required to defend companies from ideological attacks      Ayn Rand Jeff Britting,2004 Presents a brief biography of philosopher and author Ayn Rand from her birth in Russia in 1905 to her death in New York City in 1982 and features a wealth of photographs and illustrations selected from the Ayn Rand Archives      *Quicklet on Ayn Rand's Philosophy: Who Needs It* Mia Claudia Wood,2012-03-14 ABOUT THE BOOK Ayn Rand studied philosophy at university and devoted much of her life to developing her own philosophy known as Objectivism In Rand s view no one who does not have either an implicit or explicit worldview can adequately deal with life s problems Hence the titular essay of her book Philosophy Who Needs It The original essay was delivered as an address to the graduating class of the United States Military Academy at West Point in 1974 A recording of this talk along with the subsequent Q A is also available MEET THE AUTHOR Mia has two intersecting careers She is a philosophy professor in the Philosophy Sociology Department at Pierce College and a freelance writer Her combined skills experience and broad range of interests make me a thorough and efficient researcher concept analyst and developer and writer across a wide array of topics and subjects Whether she writes fiction or non fiction her main interests involve societal issues and culture primarily from a philosophical standpoint What that means is that she not only attempts to investigate and inquire into the ideas that underpin or permeate certain issues and topics but also to remain open to changing my her views It is often the case that inquiry forces one to re evaluate and amend one s beliefs It can be a rather uncomfortable experience but worthwhile nonetheless Such is the case with Mia She attempts to see where the topic at hand leads her and questions what sort of method she uses in her investigation and then draws a conclusion Mia s philosophical interests range across metaphysical and epistemological subjects such as free will and moral responsibility causation conditionals consciousness personal identity punishment and metaphor to contemporary issues such as same sex marriage She greatly enjoys conducting introductory courses in the history of philosophy logic and ethics Perhaps her greatest satisfaction comes through connecting philosophical topics with the details of daily life we take for granted Looking for example at the purpose of marriage yields interesting discussions about what it means to be human Mia s Ph D is in Philosophy and she teaches a broad range of subject areas in her discipline Her freelance writing experience includes articles essays and ghostwriting fiction and non fiction Please visit her Web site to learn more about her [www.girlzillawrites.com](http://www.girlzillawrites.com) Cheers EXCERPT FROM THE BOOK Philosophy Who Needs It is a collection of conceptually connected essays by the writer Ayn Rand The majority of the essays build upon each other with the titular piece introducing the reader in some of the broadest strokes possible to the general outlines of Objectivism Rand s somewhat systematic theory of reality knowledge morality politics and education Because Rand often utilizes terms in fairly specific ways it is helpful to consult The Ayn Rand Lexicon Another reason to peruse the lexicon is because although Rand uses terms in specific ways she rarely distinguishes the same terminology used differently by the philosophers she references As a result her references may be misleading if you do not have a working knowledge of her definitions CHAPTER OUTLINE Quicklet on Ayn Rand Philosophy Who Needs It

About the Book About the Author Synopsis Key Terms and Definitions and much more Quicklet on Ayn Rand s Philosophy Who Needs It *Ayn Rand's Atlas Shrugged* Edward W. Younkins,2016-04-15 Since its publication in 1957 *Atlas Shrugged* the philosophical and artistic climax of Ayn Rand s novels has never been out of print and has received enormous critical attention becoming one of the most influential books ever published impacting on a variety of disciplines including philosophy literature economics business and political science among others More than a great novel *Atlas Shrugged* is an abstract conceptual and symbolic work that expounds a radical philosophy presenting a view of man and man s relationship to existence and manifesting the essentials of an entire philosophical system metaphysics epistemology politics and ethics Celebrating the fiftieth year of *Atlas Shrugged* s publication this companion is an exploration of this monumental work of literature Contributions have been specially commissioned from a diversity of eminent scholars who admire and have been influenced by the book the included essays analyzing the novel s integrating elements of theme plot and characterization from many perspectives and from various levels of meaning

**Daily Rituals** Mason Currey,2013-04-23 More than 150 inspired and inspiring novelists poets playwrights painters philosophers scientists and mathematicians on how they subtly maneuver the many self inflicted obstacles and self imposed daily rituals to get done the work they love to do Franz Kafka frustrated with his living quarters and day job wrote in a letter to Felice Bauer in 1912 time is short my strength is limited the office is a horror the apartment is noisy and if a pleasant straightforward life is not possible then one must try to wriggle through by subtle maneuvers Kafka is one of 161 minds who describe their daily rituals to get their work done whether by waking early or staying up late whether by self medicating with doughnuts or bathing drinking vast quantities of coffee or taking long daily walks Thomas Wolfe wrote standing up in the kitchen the top of the refrigerator as his desk dreamily fondling his male configurations Jean Paul Sartre chewed on Corydrane tablets a mix of amphetamine and aspirin ingesting ten times the recommended dose each day Descartes liked to linger in bed his mind wandering in sleep through woods gardens and enchanted palaces where he experienced every pleasure imaginable Here are Anthony Trollope who demanded of himself that each morning he write three thousand words 250 words every fifteen minutes for three hours before going off to his job at the postal service which he kept for thirty three years during the writing of more than two dozen books Karl Marx Woody Allen Agatha Christie George Balanchine who did most of his work while ironing Leo Tolstoy Charles Dickens Pablo Picasso George Gershwin who said his brother Ira worked for twelve hours a day from late morning to midnight composing at the piano in pajamas bathrobe and slippers Here also are the daily rituals of Charles Darwin Andy Warhol John Updike Twyla Tharp Benjamin Franklin William Faulkner Jane Austen Anne Rice and Igor Stravinsky he was never able to compose unless he was sure no one could hear him and when blocked stood on his head to clear the brain

**Liberty Means Freedom for All** Steven H. Propp,2012-11 Thomas Anderson has just graduated from CSU Stentoria with his degree in Political Science It s an election year and as a young progressive in California who has been raised by equally progressive

parents he is very much concerned with the political issues currently being discussed in the mass media A chance encounter with a fellow graduate named Kelly Kelso however shakes up his settled view of the world He is challenged to examine the rising number of alternatives to the two party system presented by third party movements such as the Libertarian Party and the Green Party and is forced to acknowledge that there is far more to politics than simply Democrat versus Republican and liberal versus conservative Thomas delves energetically into not only the growing Libertarian movement but the free market perspective of the Austrian School of economics as well as the rigid yet compelling view of Ayn Rand's philosophy of Objectivism His explorations grow wider now encompassing the Tea Party movement and the Christian Right tax resisters and gun rights advocates survivalists and militia members anarchists communists and Democratic Socialists as well as the Occupy Wall Street movement He debates the radical environmental views of animal welfare and animal rights advocates and challenges opponents of corporate globalism as well as deniers of global warming as he struggles to reformulate and articulate his own developing beliefs while coping with a sea of conflicting ideas and opposition But this abstract political theory is brought into sharp encounter with concrete political reality when Thomas hears a news report of an armed conflict with authorities taking place just outside of town involving someone with whom he has become emotionally involved **Ayn**

**Rand and the Posthuman** Ben Murnane, 2018-05-17 Ayn Rand and the Posthuman is a study of the American novelist's relationship with twenty first century ideas about technology Rand wrote science fiction that has inspired Silicon Valley entrepreneurs politicians and economists Ben Murnane demonstrates Rand's connection to and impact on those with a posthuman vision in which human and machine merge The text examines the philosophical intersections between Rand's philosophy of Objectivism and posthumanism and Rand's influence on transhumanism a major branch of posthumanist thought The book further investigates Rand's presence and portrayal in various examples of posthumanist science fiction including Gene Roddenberry's Andromeda popular videogame BioShock and Zoltan Istvan's novel The Transhumanist Wager Considering Rand's influence from a cultural political technological and economic perspective this study throws light on an under documented but highly significant aspect of Rand's legacy *The Publishers Weekly*, 2003 **Ayn Rand Cult** Jeff Walker, 2012-03-30 Despised by the intellectual establishment Ayn Rand continues to attract many thousands of devoted followers Her Objectivist movement preaches an uncompromising hard line on politics art sex and psychological health Though much has been written about Rand The Ayn Rand Cult is the first book to explain the true origin of her ideas and to show how they were shaped into a new atheistic religion Jeff Walker shatters many myths about Rand exposing Objectivism as a classic cult unusual because of its overt emphasis on self interest rationality and atheism but typical of cults in its guru worship thought control trial and excommunication of deviants and hostility to existing society **Ayn Rand and the Russian Intelligentsia** Derek Offord, 2022-05-05 This book examines the writings of the American novelist Ayn Rand especially The Fountainhead 1943 and Atlas Shrugged 1957 which Rand considered her definitive statement about the need

for an unregulated free market in which superior humans could fully realize themselves by living for no one but themselves It explores Rand s conception of American identity which exalted individualism and capitalism and her solution for saving the modern American nation which she believed was losing the spirit of its 18th and 19th century founders and frontiersmen having been degraded morally and economically by the rampant socialism of the mid 20th century world Derek Offord crucially goes on to analyse how Rand s writings functioned as a vehicle in which she a Russian Jewish writer born in St Petersburg in 1905 engaged with ideas that had long animated the Russian intelligentsia Her conception of human nature and of a utopian community capable of satisfying its needs her reversal of conventional valuations of self sacrifice and selfishness her division of humans into an extraordinary minority and the ordinary mass her comparison of competing civilizations in all these areas Offord argues that Rand drew on Russian debates and transposed them to a different context Even the type of novel she writes the novel of ideas is informed by the polemical methods and habits of the Russian intelligentsia The book concludes that her search for a brave new world continues to have topicality in the 21st century with its populist critiques of liberal democracies and acrimonious debates about countries moral social and economic priorities and their identities inequalities and social tensions *Einstein's Beets* Alexander Theroux, 2017-05-10 Britney Spears loathes meatloaf and all lumpy stuff Arturo Toscanini hated fish Ayn Rand despised salads Alexander Theroux s Einstein s Beets is a study of the world of food and food aversions The novelist and poet probes the secret and mysterious attitudes of hundreds of people mostly famous and well known toward eating and dining out hilariously recounting tales of confrontation and scandalous alienation it contains gossip confession embarrassment and perceptive observations
