for Christianity Metropolitan Kallistos reminds us is the Way of Acts 19 23 24 22 and it is precisely as the journey that this word implies that he presents the tradition of Orthodox Christianity its teachings and its practices The result is not an abstract presentation of Orthodoxy an outside look at or description of its dogmatics rituals and ascetic disciplines compared to and contrasted with others but an invitation to enter into the way to begin the journey and to do so always into eternity into the mystery of God through the living experience of the Orthodox Church As Metropolitan Kallistos often points out just as undertaking a journey into an unfamiliar land or climbing a mountain requires an experienced and knowledgeable guide so also an experienced and trusted spiritual guide a mystagogue is needed for the spiritual journey to ascend Mount Sinai and encounter the mysterious God in its darkness and to climb Mount Tabor and behold the mystery of the transfigured Lord and to be initiated into the mysteries of the Jerusalem above our Mother the Church The Orthodox Way is such a guide a book that takes the reader into the very mystery of God and now speaks to us in a new century and a new edition New edition with a Foreword by Fr John Behr About the Author Metropolitan Kallistos Ware is a renowned writer lecturer and churchman His works have introduced countless people to the life and traditions of the Orthodox Church and he has left an indelible mark on contemporary Orthodox thought and history **At the Corner of East and Now** Frederica

readers who have been Orthodox all their lives say they learned things they never knew before Enjoyable easy to read and leavened with humor Welcome to the Orthodox Church is a gracious guide to the ancient faith of the Christian East *Light from the Christian East* James R. Payton Jr.,2007-07-26 James R Payton Jr introduces us to Eastern Orthodox history theology and practice For all readers interested in ancient ecumenical Christian theology and spirituality this book is especially open and sympathetic to what evangelicals can learn from orthodoxy **The Orthodox Church** John Anthony McGuckin,2008-06-03 A comprehensive study of Eastern Orthodoxy its historical development and theology and also an engaging assessment of Orthodoxy s political role in today s secularized Western world Things of the Hidden God Christopher Merrill,2016-03-07 If I had learned anything during the war it was that our walk in the sun is brief and so I resolved to wander from monastery to monastery a sojourner in the world of last things So poet and journalist Christopher Merrill tells us near the beginning of this gripping account of the transforming pilgrimages he made to Mount Athos in Greece in the aftermath of the Balkan wars of the 1990s It was time for me to come to terms with the way my life had turned out the love I had squandered the misgivings I had about my vocation and my faith the dread I felt at every turn In despair and longing to end his spiritual desolation Merrill became one of a handful of visitors permitted entry to Mount Athos a mysterious land that for more than a thousand years has been the secret heart of the Eastern Orthodox Church There amid the beautiful terrain the ancient rhythms and the spiritual rigor of this holy place he found a haven As Merrill s story unfolds we too hike the rough trails of Athos exploring a place and a way of life scarcely altered since medieval times We share encounters with monks and spiritual seekers visit Athos s twenty monasteries where exquisite art treasures are sequestered make our way to lonely hermitages that clutch the cliffs above the sea Like Merrill we come to consider existence in a new and different light Part journal of personal discovery part meditation upon the history and traditions of the contemplative life Things of the Hidden God takes us where the temporal and the eternal intersect where community and solitude coexist and where centuries old practices offer insight for how to live today Eastern Orthodoxy Through Western Eyes Donald Fairbairn,2002-01-01 In the last decade Eastern Orthodoxy has moved from being virtually unknown to Western Christians to being a significant presence on the religious scene in North America and Great Britain In light of Orthodoxy s growing presence this book will introduce Western Christians to the Eastern Orthodox vision of the Christian life by examining Orthodox theology and worship and will also alert readers to the cultural and historical factors that shape any interpretation of the Christian faith Eastern Orthodoxy Illuminated by the Gospel Ivica Stamenkovic,Ivica Stamenković,2023-07-12 Eastern Orthodoxy illuminated by the Gospel is one of the greatest books ever written about the Orthodoxy Reading the book Eastern Orthodoxy illuminated by the Gospel is like climbing a high mountain where your visual field gets expanded with each step discovering new and exciting details and finally gives an exceptional panoramic view that evokes the strongest feelings Each new line is like a new stair leading to a highest top from where you can observe the whole Orthodoxy

Orthodoxy from God's perspective Light of the glorious Gospel and Christ's teachings shines like the sun throughout this book illuminating a complete profession of faith of the Eastern Orthodox Church Sladjan Djuric Author of the book Only Scripture Serbia I have never understood why Eastern Orthodox people practice or believe certain things When I would ask I would either get silence or a very confusing and superficial answer Ivica's book made those mysterious things clear for the first time and helped me understand the essence and the roots of the Orthodox religion Without exaggeration I think this is a first class apologetic manual ever written Everyone who is called to work with Orthodox believers should have this book because it can help them understand the people who practice Eastern Orthodoxy and give them directions how to pray and preach the Gospel more efficiently 2 Corinthians 4:3-4 Ephesians 6:12 Jan Vareca Editor of a Christian e magazine The trumpet of Zion Serbia Eastern Orthodoxy has been largely unknown in the West but in the recent years there has been a surge of interest particularly among Christians of Protestant Evangelical orientation many of whom wish to find out more about this mystical expression of faith that captivates by its ancient charm and connection to the early church fathers The book Eastern Orthodoxy Illuminated by the Gospel by Ivica Stamenkovic will unlock the mysteries of Eastern Orthodoxy for the Western readers A native of Serbia a country with a strong Eastern Orthodox majority Ivica had the advantage of studying Eastern Orthodoxy at its source The product of his studies is a volume that deserves to be called nothing less than a textbook on Eastern Orthodoxy and probably the first of its kind available in the English language His clear scholarly approach leaves no stones unturned Needless to say a study such as this one has been long overdue in the West Even though scholarly the book is by no means dry and is an enjoyable read cover to cover Alex Jovanovic Pastor of Mooretown Brethren in Christ Church Sandusky Michigan USA *Mystery of the Church* William Bush, 1999-06 If C. S. Lewis were alive today and a convert to the Orthodox Church this is the book he would write Professor Bush has written the most uplifting and at the same time informative book on the Orthodox Church I have ever read If you are going to read only one book on Orthodoxy this is it Writing both for the Orthodox and the non Orthodox the author explains why in spite of wide ethnic diversity Orthodox Christians speak confidently of the Orthodox Church This stimulating and informative presentation of Orthodoxy as the right glory of apostolic Christianity still alive in the world today is illuminated by pertinent examples from Orthodoxy's long glorious but often suffering history as the Kingdom of the Holy Trinity on earth The author proposes that the Holy Fathers teaching that God is beyond human concepts applies equally to God's Church its mystery being rooted also in the dual nature of Christ and the triune nature of God Like holiness the church's mystery becomes a personal reality only through an on going ascetic love for Orthodoxy's liturgical life whereby the believer gains an ever deepening intimacy with Holy Scriptures and Holy Tradition as well as with Jesus Christ as Lord and God
