

A promotional image for the TV show 'Facing Evil'. On the left, a woman with short dark hair and light-colored eyes, identified as Candice DeLong, looks directly at the camera with a serious expression. She is wearing a dark leather jacket over a grey top. The background is a blurred, high-angle view of a city with many houses, possibly San Francisco, under a cloudy sky. The title 'FACING EVIL' is written in a large, serif font, and 'WITH CANDICE DELONG' is written in a smaller, similar font below it.

Facing Evil:

Facing the Catastrophe Nikolaj Plotnikov, Originally published in Germany in its uncensored Russian version and now available in English this volume presents a unique collection of essays by Russian speaking intellectuals from Russia Ukraine and Europe The book offers a profound analysis of the catastrophic war in Ukraine through philosophical moral sociological and historical lenses Although published abroad to avoid Russian censorship the book has been banned in Russia for discrediting the Russian armed forces This manifesto critically examines the origins and social impact of the war and continues to engage a global audience and foster vital discussions about the conflict and its profound effects The English edition makes these important insights accessible to a wider audience and enhances global understanding of the war s complexities It invites international readers to engage with the philosophical debates it presents contributing to a broader discourse on peace justice and accountability in times of conflict

Facing Evil John Kekes,1990 Arguing that the prevalence of evil presents a fundamental problem for our secular sensibility John Kekes develops a conception of character morality as a response He shows that the main sources of evil are habitual unchosen actions produced by our character defects and that we can increase our control over the evil we cause by cultivating a reflective temper

Facing The Extreme Tzvetan Todorov,1997-04-15 Studies the moral practices in concentration camps uncovering the virtues that persevered throughout inhuman living conditions

Facing Fear Anna Hampton,2023-05-16 Developing an Anti Fragile Faith Violence against Christ followers is increasing globally The lived reality for many Christians involves daily threats risks and persecution When evil casts its shadow on us and we re tempted to despair it is vital to develop anti fragile faith and the guts to endure in hard places Facing Fear is a practical guide for believers who long to have bold mature courage Cultivating this courage is necessary to endure wisely for Christ s sake Anna Hampton integrates exegesis and psychology to explain how humans respond to fear and how the Holy Spirit enables us to make a different choice than our normal Learning to face our fears name them and manage them requires learning specific steps to reduce their impact on us This book is a pastoral and practical resource for those working to advance the gospel in the world s most dangerous places You ll gain valuable skills to become shrewd as a serpent and stand with unshakable faith in unsafe situations Risk can be an offering of worship Jesus is worthy of whatever pain you go through whatever loss you experience and whatever fears you have

It's a Dark World Roger J. Boehm,2007-06 A compilation of the author s books In the Face of Evil Evil Defined The book details the author s actual experiences as he comes into contact with the activities of the powers of darkness and the treatment of multiple personality disorders DID in the ministry Among the issues discussed are Satanic Ritual Abuse in the United States and Voodoo in Haiti The history of his inner and outer struggle becomes an open book to be read The book helps expose how dark the darkness of evil really is Included in the book are over 800 definitions as well as descriptions of evil and the occult As a licensed Christian Counselor the author has worked extensively with those dealing with evil in thier lives and with Satanic

Ritual Abuse victims The Reluctant Journey Richard Leslie Parrott, Refraction, 2014-10-21 Imagine the God of the universe whispering in your ear What shall we create out of your life that will serve My purpose The path of authenticity is not a solo endeavor but a calling to a partnership with God that requires utter honesty trust commitment and wisdom God guides your path with a two fold promise You know I love you as you are but together we can make of your life what I created you to be Following the petitions of our Lord s Prayer Dr Richard Parrott examines a family of authentic partners the family of Abraham and Sarah their son Isaac grandson Jacob and great grandson Joseph This fresh telling of the story reveals practical answers to the question How can my partnership with God be genuine mature and significant The Reluctant Journey is an honest and practical guide for relating to God As authentic Christians we can live true in Christ and our love for him each day choosing His best for us so that together we advance His kingdom on earth as it is in heaven Features include Truths from the Lord s Prayer Stories of the founders of our faith Thought provoking questions for spiritual conversation or reflection

Evil Online Dean Cocking, Jeroen Van den Hoven, 2018-05-29 I am delighted to offer my highest praise to Dean Cocking and Jeroen van den Hoven s brilliant new book Evil Online The confrontation between good and evil occupies a central place in the challenges facing our human nature and this creative investigation into the spread of evil by means of all powerful new technologies raises fundamental questions about our morality and values Cocking and Van den Hoven s account of the moral fog of evil forces us to face both the demons within each of us as well as the demons all around us In the end we are all enriched by their perceptive analyses Phil Zimbardo Professor Emeritus of Psychology Stanford University Principal Investigator Stanford Prison Experiment The internet offers new and deeply concerning opportunities for immorality much of it shocking and extreme This volume explains with great insight and clarity the corrupting nature of the internet and the moral confusion it has produced It will play a vital role in the growing debate about how to balance the benefits of the internet against the risks it poses to all of us Evil Online is an excellent book Roger Crisp Professor of Moral Philosophy University of Oxford We now live in an era defined by the ubiquity of the internet From our everyday engagement with social media to trolls on forums and the emergence of the dark web the internet is a space characterized by unreality isolation anonymity objectification and rampant self obsession the perfect breeding ground for new unprecedented manifestations of evil Evil Online is the first comprehensive analysis of evil and moral character in relation to our increasingly online lives Chapters consider traditional ideas around the phenomenon of evil in moral philosophy and explore how the dawn of the internet has presented unprecedented challenges to older theoretical approaches Cocking and Van den Hoven propose that a growing sense of moral confusion moral fog pushes otherwise ordinary normal people toward evildoing and that values basic to moral life such as autonomy intimacy trust and privacy are put at risk by online platforms and new technologies This new theory of evildoing offers fresh insight into the moral character of the individual and opens the way for a burgeoning new area of social thought A comprehensive analysis of an emerging and disturbing social phenomenon Evil Online examines the

morally troubling aspects of the internet in our society Written not only for academics in the fields of philosophy psychology information science and social science Evil Online is accessible and compelling reading for anyone interested in understanding the emergence of evil in our digitally dominated world This Thing of Darkness: Shedding Light on Evil Claudio V. Zanini,Lima Bhuiyan,2019-01-04 This volume was first published by Inter Disciplinary Press in 2016 Evil has been historically associated to people facts and situations labelled disturbing weird non civilised bizarre or out of standards Many artistic fictional and media representations associate evil to darkness because of its apparent ugliness we tend to make all kinds of efforts so as to hide this thing of darkness which is intrinsic to humanity and social relations Through its chapters this volume sheds light on evil questioning its status quo places origins and pointing out its importance for social balance The discussions and viewpoints rely on approaching evil human wickedness and violence in real and imagined prisons contemporary media representations of the feminine and witches from Salem and Blair alike While movies television series works of literature media coverage public institutions and social relations are analysed evil is approached from different philosophical perspectives theories pertaining to mass media documentary film history anthropology and psychoanalysis

Renounce, Resist, Rejoice Michael Coffey, 2017-10-12 The election of Donald Trump as the forty fifth president of the United States was a watershed moment in American history In this book Michael Coffey reflects on major social and religious issues leading up to and following the election Coffey addresses the political issues of the day not from a partisan position but from the question of what it means to be faithful as church now Rather than pit left against right or Republican against Democrat Pastor Coffey seeks to explore fundamental issues of Christian commitments centered in love of God and neighbor Coffey shares his personal responses to the events surrounding the election while exploring central biblical and theological themes that have shaped and challenged the church in every age This book confronts conservative and liberal Christian assumptions and creates space for dialogue about what it means to prioritize the Gospel message of compassion and mercy over partisan politics nationalism and ideology Church leaders will find resources for leading conversation Church members will find a rich and challenging resource for dialogue Those outside of religious communities who are politically engaged will find insight for understanding how people of faith live out their commitments in the public realm

God After Christendom? Brian Haymes, Kyle Gingerich Hiebert, 2017-03-08 In the face of what appears to be a widespread questioning of the practical usefulness of serious theological reflection on the nature and purposes of God the

authors of this intriguing book argue that a return to the sources of the Christian tradition represents nothing less than a rich trove of resources for Christian living By revisiting the story of speech about God in scripture and in the living tradition of the church the authors argue that we are thereby enabled to confront the contemporary temptations that too often unwittingly remake God in our own image In this way the authors provocatively suggest that at least part of what Christian discipleship involves today is bound up with the task of unlearning some of the ways of speaking of God that have become so familiar to us By learning to reread the texts of the Christian tradition particularly in its most vital and creative moments the authors suggest that we might become better equipped to faithfully read the signs of our own times

Forgiveness and Revenge Trudy Govier, 2011-02-25 Forgiveness and Revenge is a powerful exploration of our attitudes to serious wrongdoings and a careful examination of the values that underlie our thinking about revenge and forgiveness From adulterous spouses to terrorist factions we are surrounded by wrongdoing yet we rarely agree which response is appropriate The problem of how to respond realistically and sensitively to the wrongs of the past remains a perplexing one Trudy Govier clarifies our thinking on this subject by examining the moral and practical impact of revenge and forgiveness both personal and political Forgiveness and Revenge offers much needed clarity and reason where emotions often prevail It is essential reading for anyone interested in the ethics of attitudes to wrongdoing

The Things That Really Matter Michael Hauskeller, 2022-05-10 While being rooted in the academic discourse The Things That Really Matter comprehensively explores the most fundamental aspects of human life in an accessible non technical language adding fresh perspectives and new arguments and considerations that are designed to stimulate further debate and in some cases a deliberate redirection of research interests in the respective areas It features a series of conversations about the things in our life that we all in one way or another wrestle with if we are at all concerned about what kind of world we live in and what our role in it is things like birth age and death good and evil the meaning of life the nature of the self and the role the body plays for our identity our gendered existence love and faith free will beauty and our experience of the sacred Situating abstract ideas in concrete experience The Things That Really Matter encourages the reader to participate in an open ended dialogue involving a variety of thinkers with different backgrounds and orientations Lively and accessible it shows thinking as an open ended process and a collaborative endeavour that benefits from talking to each other rather than against each other featuring real conversations where ideas are explored tested changed and occasionally dropped It is thinking in motion personal yet universal

Irreparable Evil David Scott, 2024-02-20 What was distinctive about the evil of the transatlantic slave trade and New World slavery In what ways can the present seek to rectify such historical wrongs even while recognizing that they lie beyond repair Irreparable Evil explores the legacy of slavery and its moral and political implications offering a nuanced intervention into debates over reparations David Scott reconsiders the story of New World slavery in a series of interconnected essays that focus on Jamaica and the Anglophone Caribbean Slavery he emphasizes involved not only scarcely imaginable brutality on a mass scale but also the

irreversible devastation of the ways of life and cultural worlds from which enslaved people were uprooted Colonial extraction shaped modern capitalism plantation slavery enriched colonial metropolises and simultaneously impoverished their peripheries To account for this atrocity Scott examines moral and reparatory modes of history and criticism probing different conceptions of evil He reflects on the paradoxes of seeking redress for the specific moral evil of slavery criticizing the limitations of liberal rights based arguments for reparations that pursue reconciliation with the past Instead this book argues in making the urgent demand for reparations we must acknowledge the fundamental irreparability of a wrong of such magnitude

The Illusions of Egalitarianism John Kekes, 2007 In this systematic and scathing attack on the dominant contemporary version of liberalism John Kekes challenges political assumptions shared by the majority of people in Western societies Egalitarianism as it is widely known holds that a government ought to treat all citizens with equal consideration Kekes charges that belief in egalitarianism rests on illusions that prevent people from facing unpleasant truths Kekes a major voice in modern political thought argues that differences among human beings in the areas of morality reasonability legality and citizenship are too important for governance to ignore In a rigorous criticism of prominent egalitarian thinkers including Dworkin Nagel Nussbaum Rawls Raz and Singer Kekes charges that their views present a serious threat to both morality and reason For Kekes certain inegalitarian truths are obvious people should get what they deserve those who are good and those who are evil should not be treated as if they had the same moral worth people should not be denied what they have earned in order to benefit those who have not earned it and individuals should be held responsible for their actions His provocative book will compel many readers to question their faith in liberalism
