Faction War:

Faction Man David Marr,2015-09-21 The top job is within Bill Shorten's grasp But who is he How did he rise to become Labor leader And does he have what it takes to lead the country In this dramatic essay David Marr traces the hidden career of a Labor warrior He shows how a brilliant recruiter and formidable campaigner mastered first the unions and then the party Marr presents a man willing to deal with his enemies and shift his allegiances whose ambition to lead has been fixed since childhood But does he stand for anything Is Shorten a defender of Labor values in today's Australia or a shape shifter driven entirely by politics How does the union world he comes from shape the prime minister he might be Marr reveals a man we hardly know a virtuoso with numbers and a strategist of skill who Labor hopes will return the party to power Australians distrust Shorten almost as much as they distrust Abbott That's why this election will be fought on trust It's going to be dirty At the heart of the contest will be Shorten's character All the way to polling day Australians will be invited to rake over every detail of his short life and hidden career David Marr **Faction Man** This issue contains correspondence relating to Blood Year by David Kilcullen from Hugh White Jim Molan Waleed Aly Paul McGeough Audrey Kurth Cronin Martin Chulov James Brown Clive Kessler and David Kilcullen **Combat Veteran Suffering From LUBAG** Glenn Angeles,2015-12-10 I AM A COMBAT VETERAN SUFFERING FROM LUBAG IT'S AN INHERITED X LINKED DISORDER , **Peking Politics, 1918-1923** Andrew James Nathan,1976 Living by the Gun in Chad Marielle Debos,2016-10-15 How do people live in a country that has experienced rebellions and state organised repressions for decades and that is still marked by routine forms of violence and impunity What do combatants do when they are not mobilised for war Drawing on over ten years of fieldwork conducted in Chad Marielle Debos explains how living by the gun has become both an acceptable form of political expression and an everyday occupation Contrary to the popular association of violence and chaos she shows that these fighters continue to observe rules frontiers and hierarchies even as their allegiances shift between rebel and government forces and as they drift between Chad Libya Sudan and the Central African Republic Going further she explores the role of the globalised politico military entrepreneurs and highlights the long involvement of the French military in the country Ultimately the book demonstrates that ending the war is not enough The issue is ending the inter war which is maintained and reproduced by state violence Combining ethnographic observation with in depth theoretical analysis Living by the Gun in Chad is a crucial contribution to our understanding of the intersections of war and peace **My Traitor's Heart** Rian Malan,2018-09-01 An essay collection that offers a fascinating glimpse of post apartheid South Africa from the bestselling author of My Traitor's Heart The Sunday Times The Lion Sleeps Tonight is Rian Malan's remarkable chronicle of South Africa's halting steps and missteps taken as blacks and whites try to build a new country In the title story Malan investigates the provenance of the world famous song recorded by Pete Seeger and REM among many others which Malan traces back to a Zulu singer named Solomon Linda He follows the trial of Winnie Mandela he writes about the last Afrikaner an old Boer woman who settled on

the slopes of Mount Meru he plunges into President Mbeki's AIDS policies of the 1990s and finally he tells the story of the Alcock brothers sons of Neil and Creina whose heartbreaking story was told in *My Traitor's Heart* two white South Africans raised among the Zulu and fluent in their language and customs The twenty one essays collected here combined with Malan's sardonic interstitial commentary offer a brilliantly observed portrait of contemporary South Africa a grimly realistic picture of a nation clinging desperately to hope *The Guardian* *Trapped in a Dating Sim: Otome Games Are Tough For Us, Too! (Light Novel)* Vol. 3 Yomu Mishima, Moge Toi, 2025-01-30 Marie's always longed to relive her school trip Reincarnated in an otome game she'll get her chance But she's not the only one seizing an opportunity While Julius is gone Olivia's enemies drag her to a casino and force her to rack up debts Leon himself jumps in to save her Can this would be high roller bail Olivia out Or will his ill advised gamble doom Marie's planned holiday and Olivia's academic career *Identity and Religion in Palestine* Loren D. Lybarger, 2018-06-05 This remarkable book examines how the Islamist movement and its competition with secular nationalist factions have transformed the identities of ordinary Palestinians since the first Palestinian uprising or intifada of the late 1980s Drawing upon his years living in the region and more than eighty in depth interviews Loren Lybarger offers a riveting account of how activists within a society divided by religion politics class age and region have forged new identities in response to shifting conditions of occupation peace negotiations and the fragmentation of Palestinian life Lybarger personally witnessed the tragic days of the first intifada the subsequent Oslo Peace Process and its failures and the new escalation of violence with the second intifada in 2000 He rejects the simplistic notion that Palestinians inevitably fall into one of two camps pragmatists who are willing to accept territorial compromise and extremists who reject compromise in favor of armed struggle Listening carefully to Palestinians themselves he reveals that the conflicts evident among the Islamists and secular nationalists are mirrored by the internal struggles and divided loyalties of individual Palestinians *Identity and Religion in Palestine* is the first book of its kind in English to capture so faithfully the rich diversity of voices from this troubled part of the world Lybarger provides vital insights into the complex social dynamics through which Islamism has reshaped what it means to be Palestinian *Armor*, 2002 The magazine of mobile warfare **The Works of William H. Philosophical Conversion in the Ancient Mediterranean Traditions, 2022-03-07 The interest in interdisciplinary research on the experience of religious conversion or spiritual transformation grows progressively In light of this burgeoning area of study this volume explores conversion or converting experience in the ancient Mediterranean with attention to early Judaism early Christianity and philosophy in the Roman empire The contributions include both historical and philological reconstructions relying on source material and utilizing interdisciplinary approaches Similarly the authors analyze the literary use of the motif of conversion the topic of philosophical conversion as well as ritual social and embodied aspects of spiritual transformation **Founding Martyr** Christian Di Spigna, 2019-06-11 A rich and illuminating biography of America's forgotten Founding Father the patriot physician and major general who fomented rebellion and died heroically at the battle of Bunker Hill on the brink of revolution Little has been known of one of the most important figures in early American history Dr Joseph Warren an architect of the colonial rebellion and a man who might have led the country as Washington or Jefferson did had he not been martyred at Bunker Hill in 1775 Warren was involved in almost every major insurrectionary act in the Boston area for a decade from the Stamp Act protests to the Boston Massacre to the Boston Tea Party and his incendiary writings included the famous Suffolk Resolves which helped unite the colonies against Britain and inspired the Declaration of

Independence Yet after his death his life and legend faded leaving his contemporaries to rise to fame in his place and obscuring his essential role in bringing America to independence Christian Di Spigna s definitive new biography of Warren is a loving work of historical excavation the product of two decades of research and scores of newly unearthed primary source documents that have given us this forgotten Founding Father anew Following Warren from his farming childhood and years at Harvard through his professional success and political radicalization to his role in sparking the rebellion Di Spigna s thoughtful judicious retelling not only restores Warren to his rightful place in the pantheon of Revolutionary greats it deepens our understanding of the nation s dramatic beginnings *The Atlantic Monthly* ,1903

Finance from Kaiser to Fuhrer C. Edmund Clingan,2000-11-30 Germany s ability to support its war machine financially has long puzzled scholars The young nation had exhausted itself paying for its loss in the First World War had suffered a hyperinflation in the early 1920s and had ended the 1920s with a terrible economic depression This is the first book in any language to examine the budget policies of the middle years of the Weimar Republic and to look at how these policies changed the politics of the time It is also the first work to support the government s aggressive use of deficit spending and fiscal stimuli to promote economic growth Some findings even indicate that the German government could have used creative financial solutions to avoid the worst of the Depression and to avert the Nazi regime Clingan explores the changes and continuities in fiscal policy and budget making politics beginning in the last years of the Wilhelmine Empire and continuing into the 1930s Although this is a story about money it is also a story about men Very few in Nazi Germany understood the intricacies of fiscal policy and budget making and political parties tended to follow the lead of those who did Clingan combines their personal stories with the tale of a country still growing into its economic power and still trying to learn both its limits and its strengths
