**Magick and Misfits, Books 1-4** Ann Gimpel, 2021-03-25 Urban fantasy and slow burn romance wrapped into a serial that will keep you up reading long into the night Over a thousand pages of pure delight Strange bedfellows rock worlds Court of Rogues Reluctant recruit to the nines I became Faery's regent by default Sure I was next in line for the throne but I never believed Oberon and Titania were gone for good until first a decade rolled by and then two and then ten They'll never be back and the land is mourning Or pissed It's hard to tell which and I'm not sure what difference it makes I split my time between Faery and Earth searching for a way to mend the rift that's killing my realm I haven't made much progress Time is running through the glass mocking my paltry efforts A sultry Witch is barely a blip on the radar So what if she counts cards in the casino I run on Earth and makes my pit boss a little nuts Out of the blue she spits out the unbelievable and I discover she's not a Witch after all A glamour hid her Fae Sidhe blood so well she'd fooled me Her mixed blood is an affront By rights I should haul her before the Court to face justice She understood the chance she took revealing herself to me and her offer to join forces is tempting but it could cost me my throne Some risks are worth the price If I cross the line there'll be no going back Midnight Court My days as Faery's reluctant regent have crashed and burned Either I left the land to rot in a squalid soup of broken promises or I destroyed her enemies one by one No choice there Not really I'd known some of those enemies

since childhood which was centuries ago They say familiarity breeds contempt In my case it bred sorrow as I consigned Fae who d been friends to eternal destruction and fed them to the land Dariyah the Witch who wasn t one crossed my path for reasons I m still figuring out Her long lost mother presided over one of Faery s many dirty secrets the Midnight Court Some like to believe Fae blood is pure It s not We and the Sidhe are joined at the hip and the Midnight Court was once a living symbol of our bond Court of the Fallen Faery has changed so much I barely recognize her The worst part is I didn t see this coming A few minor skirmishes sure but the Unseelie fielded tens of thousands against us The King of Winter is finally exacting revenge against the consort who spurned him The rest of us are collateral damage He played his hand well attracted powerful allies and punted us into a definite one down position For the moment Pegasus is the king s primary ally I possess knowledge that will blow their partnership sky high And proof in case neither of them believes me Timing is everything though We must wrest Faery from the enemy I finally hold the land link but success is far from a foregone conclusion More blood will flow before we re done Buckets of the stuff but I can t let that stop me Court of Destiny Faery s castle lies in ruins a reflection of the rest of a land I love My land my realm has altered almost beyond recognition The part that hasn t changed is the incredible people and creatures who live in Faery Unicorns Fauns Satyrs Fae Sidhe Their spirits have been indomitable and it makes me proud to call them brothers But then the Unseelie used to be brethren too Now they stand against us along with a collection of monsters intent on sucking every last breath of life from Faery The worst part about all of this has been not knowing whom I can call friend As we lurch into the endgame my life soul and fortunes are linked with the woman I love We rise or fall together If it comes down to a gut wrenching choice will I pick Faery or Dariyah

Gwenevere and the Round Table Wendy Berg,2012 The new book by Wendy Berg puts her acclaimed Red Tree White Tree into practice It shows how the Round Table was an actual practical system of magic demonstrated by Gwenevere who was its prime interpreter within the court of the Round Table Central to the book is the concept of five Faery kingdoms described in the legends with which Gwenevere was closely associated Lyonesse Sorelois Gorre and Oriande about the central Grail kingdom of Listenois The book comprises a graded series of meditations practical magical exercises guided visualisations and a full ritual which take the reader into each of the Faery kingdoms in turn guided by Gwenevere to experience the various challenges and gifts that they each represent The fourth kingdom Oriande takes the reader into the Round Table of the Stars an experiential journey through 12 constellations which very neatly and remarkably demonstrates the continuing work of the Round Table into the future
