Not God's Type Holly Ordway, 2014-07-29 This is the story of a glorious defeat Ordway an atheist academic was convinced that faith was superstitious nonsense As a well educated college English professor she saw no need for just so stories about God Secure in her fortress of atheism she was safe or so she thought from any assault by irrational faith So what happened How did she come to lay down her arms in surrender to Christ and then a few years later enter the Catholic Church This is the moving account of her unusual journey It is the story of an academic becoming convinced of the truth of

Christianity on rational grounds but also the account of God's grace acting in and through her imagination. It is the tale of an unfolding developing relationship with God told with directness and honesty and of a painful surrender at the foot of the Cross. It is the account of a lifelong transformative love of reading and the story of how a competitive fencer put down her sabre to pick up the sword of the Spirit. Above all, this book is a tale of grace acting in and through human beings but always issuing from God and leading back to Him. And it is the story of a woman being brought home. **The Arthurian Quest** Amber Wolfe, 2002-09.
