The True Story of My Life: A Sketch Hans Christian Andersen, 2020-09-28 My life is a lovely story happy and full of incident If when I was a boy and went forth into the world poor and friendless a good fairy had met me and said Choose now thy own course through life and the object for which thou wilt strive and then according to the development of thy mind and as reason requires I will guide and defend thee to its attainment my fate could not even then have been directed more happily more prudently or better The history of my life will say to the world what it says to me There is a loving God who directs all things for the best My native land Denmark is a poetical land full of popular traditions old songs and an eventful history which has become bound up with that of Sweden and Norway The Danish islands are possessed of beautiful beech woods and corn and clover fields they resemble gardens on a great scale Upon one of these green islands Funen stands Odense the place of my birth Odense is called after the pagan god Odin who as tradition states lived here this place is the capital of the province and lies twenty two Danish miles from Copenhagen In the year 1805 there lived here in a small mean room a young married couple who were extremely attached to each other he was a shoemaker scarcely twenty two years old a man of a richly gifted and truly poetical mind His wife a few years older than himself was ignorant of life and of the world but possessed a heart full of love

The young man had himself made his shoemaking bench and the bedstead with which he began housekeeping this bedstead he had made out of the wooden frame which had borne only a short time before the coffin of the deceased Count Trampe as he lay in state and the remnants of the black cloth on the wood work kept the fact still in remembrance Instead of a noble corpse surrounded by crape and wax lights here lay on the second of April 1805 a living and weeping child that was myself Hans Christian Andersen During the first day of my existence my father is said to have sat by the bed and read aloud in Holberg but I cried all the time Wilt thou go to sleep or listen quietly it is reported that my father asked in joke but I still cried on and even in the church when I was taken to be baptized I cried so loudly that the preacher who was a passionate man said The young one screams like a cat which words my mother never forgot A poor emigrant Gomar who stood as godfather consoled her in the mean time by saying that the louder I cried as a child all the more beautifully should I sing when I grew older **The Annotated Hans Christian Andersen (The Annotated Books)** Hans Christian

My Life Sofia Andreevna Tolstaya,2011-02-21 One hundred years after his death Leo Tolstoy continues to be regarded as one of the world s most accomplished writers Historically little attention has been paid to his wife Sofia Andreevna Tolstaya Acting in the capacity of literary assistant translator transcriber and editor she played an important role in the development of her husband s career Her memoirs which she titled *My Life* lay dormant for almost a century Now their first time ever

appearance in Russia is complemented by an unabridged and annotated English translation Tolstaya's story takes us from her childhood through the early years of her marriage the writing of War and Peace and Anna Karenina and into the first year of the twentieth century She paints an intimate and honest portrait of her husband's character providing new details about his life to which she alone was privy She offers a better understanding of Tolstoy's character his qualities and failings as a husband and a father and forms a picture of the quintessential Tolstoyan character which underlies his fiction My Life also reveals that Tolstaya was an accomplished author in her own right as well as a translator amateur artist musician photographer and businesswoman a rarity in the largely male dominated world of the time She was actively involved in the relief efforts for the 1891-92 famine and the emigration of the Doukhobors in 1899 She was a prolific correspondent in touch with many prominent figures in Russian and Western society Guests in her home ranged from peasants to princes from anarchists to artists from composers to philosophers Her descriptions of these personalities read as a chronicle of the times affording a unique portrait of late 19th and early 20th century Russian society ranging from peasants to the Tsar himself My Life is the most important primary document about Tolstoy to be published in many years and a unique and intimate portrait of one of the greatest literary minds of all time The Modern Language Association MLA awarded the Lois Roth Award to John Woodsworth and Arkadi Klioutchanski of the University of Ottawa's Slavic Research Group for their translation of Sofia Andreevna Tolstaya's My Life memoirs My Life was selected among the top 100 non-fiction works of 2010 by The Globe and Mail It has also won an honourable mention in the Biography and Autobiography category of the 2010 American Publishers Awards for the Professional and Scholarly Excellence PROSE awards And finally it made it into the Association of American University Presses 2011 Book Jacket and Journal Show Published in English **The True Story of My Life: a Sketch ...**

Translated by Mary Howitt Hans Christian Andersen, 1847 *My Life Story* Narcisa Lecuşanu, Narcisa Lecu anu provides valuable insight into what it takes to achieve long term success and influence in the sports world First as a player where she excelled on both the domestic and international level then in leadership roles at the European Handball Federation and within Romania and now as a member of the IHF Executive Committee Her contributions to handball are numerous including aiding the development of women's handball as Chairwoman of the IHF's Women's Handball and Gender Equality Working Group and promoting handball to children in her home country I appreciate her unmatched passion for handball She is a role model and her story will definitely inspire you Dr Hassan Moustafa President of International Handball Federation Narcisa Lecu anu stands for personal development and success through sport of which the practice of sport is life changing With dedication and passionate engagement the ritualistic actions of the athlete evolve as they move through the levels from novice to expert and as handball permeates their very essence it results in a life's work For decades I have witnessed the talent of Narcisa Lecu anu on the handball court and a commitment to the sport that supported the drive and determination through her service to handball in Romania the enthusiasm brought to the Women's Handball Board within the European

Handball Federation and most recently to the Executive Committee of the International Handball Federation To experience the transformation of Narcisa Lecu anu through her eyes is an opportunity for those wanting to stoke the fires of ambition because her story is not over as we read this book to absorb where Narcisa has come from we can clearly imagine where she will go in the future Michael Wiederer President of European Handball Federation Narcisa Lecu anu the leader of Romanian handball is outstanding through her native qualities and through a continuous tenacity throughout the long and difficult performance sport journey Until my departure from the Romanian Handball Federation I continued my collaboration with Narcisa and supported her seeing in her the future president of the Romanian Handball Federation Ing Cristian Ga u Honorary President of RHF Narcisa Lecu anu s personality is equally difficult and pleasant to analyze first of all because she was and remained a star in a world of sports in which success and failure guide the opinions of those specialized and of the public Prof Adrian Dragnea I understood what a long way she came Huge efforts to get over all the slag here the need for home the desire for success while speaking the same language All combined Narcisa was great for me only when I saw through her the very clear horizon after so many storms Radu Naum If I were a painter and wanted to be in a self portrait I would focus on what is beyond my face I would avoid any touch that expresses frustration and I would render in serene colors the positive attitude the optimistic projection of some situations that I anticipate the tenacity the resistance to long effort the care not to lose the reins of modesty And the gaze would necessarily look up as a sign of giving thanks to God Narcisa Lecu anu There are people who once they come into your life remain in your soul forever Narcisa is one of those people for whom I thank God that I met them We met when she was a teenager and I became a young adult on the national team That seriousness ambition and that noble simplicity of a fine person made me love her from the very beginning and feel like a younger sister We grew up we evolved from a sports and professional point of view but she remained the same noble and nice man directly proportional to the success of her impeccable career as a handball player Every victory she won made me proud of her proud to know her Florentina Carcadia The Story of My Life [translated by D.
