English Fairy Tales Joseph Jacobs, 2009 This volume contains forty three English folk stories and tales But why call them FAIRY STORIES One cannot imagine a child saying Tell me a folk tale or Another nursery tale please grandma Fairy tales are stories in which occurs something fairy something extraordinary fairies giants dwarfs speaking animals or the remarkable stupidity of some of the characters Many of the tales in this volume are what folklorists call Drolls a humorous story in which there is a jester or a wag They justify the title of Merrie England a phrase which once indicated the underlying capacity for fun and humour of the English The story of Tom Tit Tot for example is unequalled among all other folk tales for its combined humorousness and dramatic power So take some time out and travel back to a period before television and radio a time when families would gather around a crackling and
