to right a decades old wrong And the 6 8 earthquake that strikes Southern California one warm March night is the fateful event that brings family therapist Ann Hart and trauma specialist Ted McConaughy back together In search of her cell phone after the tremor Ann picks up a shard of vintage cut glass from a collection she and her husband gathered during the four years of their marriage For the millionth time she thinks about the day six years ago when he disappeared on a search and rescue mission in the Sierra foothills Sitting atop the shattered crystal a small silver cigar lighter glistens in the beam of her flashlight Gently she returns the Victorian piece to the shelf What does it mean that something she and Ted her ex fianc bought together survived when Alex s beautiful glass is smashed to dust Ann tells herself that it doesn t mean anything more than glass breaks and silver doesn t Sara Jane McConaughy has never experienced a strong earthquake and as her father comforts his 16 year old daughter his mind is flooded with memories of the Northridge quake in 1994 He was living with his fianc e his ex fianc e and even after all these years he doesn t know what caused the split but he always loved her And he d been sure she loved him Volunteering with the American Red Cross in the aftermath of the earthquake brings Ann and Ted face to face for the first time since their break up twenty years ago Angry flustered excited and bewildered by Ted s sudden appearance and unusual behavior while she s teaching a small group of people relaxing exercises Ann demands he leave Just as excited and bewildered Ted rushes away His exit leaves both of them wondering about everything The earthquake or is it seeing Ann ignites a series of recurring dreams peopled by total strangers in places Ted has never been Accompanied by short lapses of time and sleepwalking the dreams take a heavy toll on his waking hours Sara Jane s concern sends Ted on a quest to discover the cause and find a cure When all medical possibilities are exhausted he turns to a colleague whose diagnosis leaves Ted more baffled than ever Tom Alderman believes that the dreams are memories of past lives The lives live in his subconscious and the cure is hypnotherapy After several months of suffering with these increasingly emotional recurring dreams Ted turns to Ann for help One of Ann s specialties is hypnotherapy and since he must be able to trust the hypnotist Ann is his only salvation Ann s agreement to try and help at the urging of a mutual friend sends her carefully regimented and calm life into complete turmoil The garden gate they pass through together sends them on a journey that defies time and reason forcing them to rethink their past present and future Now each must reconsider their capacity for love and forgiveness Things are not always what they seem
