Faith and Feminism Helen LaKelly Hunt, 2007-11-01 Why do so many women of faith have such a strong aversion to feminism And why do so many feminists have an ardent mistrust of religion These questions are at the heart of Helen LaKelly Hunt's illuminating look at the alliance between spiritual conviction and social action Intelligent and heartfelt *Faith and Feminism* offers a perceptive look at the lives of five spirited and spiritual women of history women who combined their undying faith with feminist beliefs and who made the world a better place by doing so St Teresa of Avila a woman whose bravery in confronting her shadows gave her the strength to connect with the world and live a life of divine action Lucretia Mott a Quaker minister who rose from her quiet upbringing to become a passionate speaker and activist working tirelessly on behalf of justice and peace Sojourner Truth a Christian slave who spoke out with unwavering courage to claim her God-given rightful place as an African American and a woman Emily Dickinson an extraordinary poet who touched the world with her ability to capture and transform the experience of suffering Dorothy Day a radical journalist who lived a life of voluntary poverty as a way of expressing her passion for the Christian faith and care for those in need A remarkable book that focuses on the idea that spirituality and feminism are really different expressions of the same impulse to make life more whole *Faith and Feminism* offers a powerful catalyst for reflecting on our sense of self and for living and loving according to our deepest values

Beyond Patching Sandra Marie Schneiders, 2004 Asserts that the current half-hearted attempts to patch up the excruciating tensions due to the sometimes morally unacceptable way women are treated in the Catholic Church must be replaced with a whole-hearted renewal or the Church stands in danger of losing touch with many of its women Reissue

Jesus and Women Niamh Middleton, 2022-01-01 In Jesus and Women Niamh Middleton combines insights from evolutionary biology feminism and the MeToo movement to highlight the revolutionary attitude of Jesus towards women Her careful exegesis comparing the treatment and depiction of women in the

Old and New Testaments illuminates the way forward for the treatment of women by Church and society More importantly however it holds the potential to greatly enrich our understanding of Jesus divinity Middleton s bold approach encourages Christian women to reclaim their religion as a tool for empowerment correcting the regressive course that Christianity has taken in this regard since Roman times She also cites the remarkable life and untimely death of Western heroine Diana Princess of Wales as an archetypal example of why Christianity must be reclaimed by its female members Above all she powerfully argues that while political feminism can tackle the symptoms of the perennial battle of the sexes only a revolution of grace can bring about a full restoration of the harmony between the sexes described in Genesis
