United Methodist ,1903 **Mending a Fractured Church** Michael Bird,Brian Rosner,2015-11-20 What does it really mean for the church to have unity When Jesus prayed for his followers to be one he prayed that this unity would demonstrate the truth of his claims to an unbelieving world Sadly the world often sees a church that is divided Some of our divisions are based on legitimate theological concerns yet many others are simply matters of opinion To the world it s all another reason to doubt God What are the differences worth dividing over How should we handle diversity Mending a Fractured Church edited by Michael Bird and Brian Rosner seeks to answer such questions looking to the Bible for examples of how to behave when Christians differ Speaking to pastors churches and seminary students the contributors provide a guide to maintaining unity without compromise **Directory of American Scholars: Philosophy, religion and law** ,1999 **Unity** ,1929 New Catholic Encyclopedia ,1967 Christian Ethics and U.S. Foreign Policy L. Larry Pullen,2000-01-01 Christian Ethics and U S Foreign Policy examines the evolution of American foreign policy toward the Soviet Union during the period 1973 1980 In particular Larry Pullen investigates how and why human rights issues became an increasingly significant part of the U S Soviet relationship focusing on the development of the Helsinki Accords and the process of monitoring compliance with its human rights provisions Pullen presents an informed critique of both realist Henry Kissinger s and idealist Jimmy Carter s human right s policies in the tradition of Christian realism associated with Reinhold Neibuhr The study is sure to provoke debate among students and scholars of foreign policy and ethics *The Living Church* ,1911 *Marks of Methodism* Russell E. Richey,Dennis M. Campbell,William Benjamin Lawrence,2005 In this synthesis of the prior volumes in the United Methodism and American Culture series Richey and his colleagues challenge the caricature of Methodism as a nontheological tradition by teasing out the theological dimensions that are embedded in characteristic Methodist practices Their articulation

of the various implications of itinerancy discipline connectionalism and catholicity will be central to all future considerations of Methodist ecclesiology But just as important is the way in which they constantly move beyond description to challenge and provide resources for North American Methodists as we move into this new century *Encyclopedia of American Women and Religion* June Melby Benowitz, 2017-08-18 This two volume set examines women s contributions to religious and moral development in America covering individual women their faith related organizations and women s roles and experiences in the broader social and cultural contexts of their times This second edition of *Encyclopedia of American Women and Religion* provides updated and expanded information from historians and other scholars of religion covering new issues in religion to better describe and document women s roles within religious groups For instance the term evangelical feminism is one newly defined aspect of women s involvement in religious activism Changes are constantly occurring within the many religious faiths and denominations in America particularly as women strive to gain positions within religious hierarchies that previously were exclusive to men and rise within their denominations to become theologians church leaders and bishops The entries examine the roles that American women have played in mainstream religious denominations small religious sects and non traditional practices such as witchcraft as well as in groups that question religious beliefs including agnostics and atheists A section containing primary documents gives readers a firsthand look at matters of concern to religious women and their organizations Many of these documents are the writings of women who merit entries within the encyclopedia Readers will gain an awareness of women s contributions to religious culture in America from the colonial era to the present day and better understand the many challenges that women have faced to achieve success in their religion related endeavors *The Congregationalist and Christian World* ,1902 **Living Church** ,1917 Congressional Record United States.
