Religion and Ethnicity in Canada

Paul Bramadat,David Seljak,2009-01-01 As the leading book in its field Religion and Ethnicity in Canada has been embraced by scholars teachers students and policy makers as a breakthrough study of Canadian religio ethnic diversity and its impact on multiculturalism A team of established scholars looks at the relationships between religious and ethnic identity in Canada s six largest minority religious communities Hindus Buddhists Sikhs Jews Muslims and practitioners of Chinese religion The chapters also highlight the ethnic diversity extant within these traditions in order to offer a more nuanced appreciation of the variety of lived experiences of members of these communities Together the contributors develop consistent themes throughout the volume among them the changing nature of religious practice and ideas current demographics racism and the role of women Chapters related to the public policy issues of healthcare education and multiculturalism show how new ethnic and religious diversity are challenging and changing Canadian institutions and society Comprehensive and insightful Religion and Ethnicity in Canada makes a unique contribution to the study of world religions in Canada

Identity and

Marginality among New Australians

Viktor Zander,2012-10-24 This work deals with the identification and integration

process of immigrants in Australia and the role that religion plays in this process Viktor Zander investigates the immigrant community of Slavic Baptists in Victoria and analyzes the relationship between ethnic and religious identities as well as their social dynamics Identity and marginality are addressed as crucial issues for Slavic immigrants and their Australian born children The work is based on the author s field research in the Slavic Baptist community in Victoria Key Features Second volume in relaunch of the series Religion and Society RS *For Canada's Sake* Gary Miedema,2005-12-19 Breaking away from the traditional analysis of church policy sermons and clerical scholarship *For Canada s Sake* presents an exemplary analysis of the meaning behind religiously informed public celebrations and rituals such as centennial hymns and prayers and Expo pavillions Miedema argues that the 1967 celebrations reveal the continued importance of religion to Canadian public life showing that a waning Christian Canada was being replaced by an officially interfaith country The author throws into bold relief the varied attempts of government officials and religious leaders to come to terms with new Canadian and global realities as well as the response of Canadians to their own increasing religious diversity

The Church in the Canadian Era

John Webster Grant,1998 John Webster Grant s *The Church in the Canadian Era* was originally published in 1972 It remains a classic and important text on the history of the Canadian churches since Confederation This updated edition has been expanded to include a chapter on recent history as well as a new bibliographical survey Its approach is ecumenical taking account not only of the whole range of Christian denominations but of sources in both national languages

Breadwinning

Daughters Katrina Srigley,2010-01-01 Katrina Srigley argues that young women were central to the labour market and family economies of Depression era Toronto *Baptists in Canada* Gordon L. Heath,Dallas Friesen,Taylor Murray,2020 Baptists

arrived in what would become Canada in the mid eighteenth century and from those early arrivals Baptists from a wide variety of backgrounds planted churches in every region of the vast nation This book traces that history of Baptists in Canada and provides historical antecedents and theological rationales for their church polity Written in a generous spirit it recognizes what Baptists share with other Christian communities and how they differ among themselves on some matters It places Baptists in Canada in the larger historical and global context and concludes with commentary on opportunities and challenges ahead Publisher **Race and Racism** Leo Driedger, Shivalingappa S. Halli, 2000 This book brings together contributions from academic and government sectors to analyze the nature and extent of racism in Canada Approaches ranging from sociology cultural anthropology demography and psychology are represented **Sex and the Married Girl** Heather Stanley, 2022-11-01 Sex who was having it who shouldn't have it and who was supposed to be having it but wasn't was a major concern to social authorities in the immediate postwar era Though they are often remembered with nostalgia as a sexually simpler time the 1950s and early 1960s were incredibly sexually productive years Sex and the Married Girl examines how two interrelated and dominant groups in Canada medical professionals and church leaders used married heterosexual female sexuality as a lever to rebuild the Canadian family and the state itself Using embodied historical methodologies the book examines not only discourses around sex but also how those discourses could influence the actual experience of sex for married women Heather Stanley draws upon extensive oral life histories of women who lived married and had sex during this liminal social period to demonstrate that this was a time of simultaneous sexual and gender quiescence and change ***The Canadian Protestant Experience, 1760 to 1990*** George A. Rawlyk, 1994 Five leading Canadian religious historians address the Canadian Protestant experience Each author considers a separate period taking into account the major underlying themes of the time and noting the influence exerted by key personalities As this collection shows Protestantism had its most profound effects on Canadian life in the nineteenth century As the twentieth century unfolded however Canadian Protestantism battered by demographic change profound inner doubt so called modernity and secularization was gradually pushed to the periphery of Canadian experience The contributors are Phyllis D Airhart Nancy Christie Michael Gauvreau John G Stackhouse Jr and Robert A Wright **Interdisciplinary Approaches to Canadian Society** Association for Canadian Studies, 1990 Far more than a bibliographic account of the major works in Canadian Studies Interdisciplinary Approaches to Canadian Society provides a broad examination of the state of this growing field of study Each chapter stresses the importance of the interdisciplinary and multidisciplinary approaches which have come to characterize Canadian Studies Also in an unprecedented collaborative effort almost all the chapters are jointly authored by anglophone and francophone scholars The works on Quebec and the francophone community respect the distinct nature of this facet of Canada As stated in the introduction this work is a primer in the field and a guide to further pursuits Its users will welcome it as a friendly introduction to an exciting country **Canadian Evangelicalism in the Twentieth Century**

John G. Stackhouse, Jr.,1998-10 In the 1980s evangelical Protestantism emerged as a prominent new force in Canada While political campaigns and sexual scandals among American evangelicals attracted attention north of the border as well Canadian evangelicals were quietly establishing a network of individuals and institutions that reflected their distinctive concerns While the United Anglican and Presbyterian churches continued to enjoy mainline Protestant status in Canadian culture more Canadians who actually practiced Christianity in measurable ways could be counted among the evangelicals than among these dominant Protestant denominations And while most Canadians including experts in religious studies continued to think of Canadian Christianity in traditional denominational terms evangelicalism was coming into focus as a category essential to understanding this new pattern of allegiance and activity Introduction *The Sociology of Mennonites, Hutterites and Amish* Donovan E. Smucker,2006-01-01 No detailed description available for The Sociology of Mennonites Hutterites and Amish *Interfaces Baptists and Others* David Bebbington,2014-07-08 The book is a collection of twenty one essays discussing how Baptists throughout the world have related to other Christians and to other institutions and movements over the centuries The theme of this collection of twenty one essays Baptists and Others includes relations with other Christians and with other institutions and movements What the authors ask has been the Baptist experience of engaging with different groups and developments The theme has been explored by means of case studies some of which are very specific in time and place while others cover long periods and more than one country In the first half the contents are arranged by period The first section examines early Baptists the second nineteenth century Baptists in Britain and America and the third Baptists in the twentieth century The second half turns to various parts of the world There is a section on Australia another on New Zealand and a third on Asia and Africa The overall picture is one of a complicated series of relationships as Baptists defined themselves as different from other bodies and yet especially in the twentieth century tried to co operate in mission and ecumenical endeavour Baptists are often regarded as enthusiastic separatists and unenthusiastic ecumenists These essays based on hard evidence rather than passing impressions are a necessary correction to superficial prejudices and show the reality to be much more complex and nuanced as well as varied over time and place The book is a smorgasbord of delights Yet readers should avoid the temptation to pick and choose from the menu ensuring rather that each offering is digested so they enjoy a balance and nutritious meal Derek Tidball [Rethinking Church, State, and Modernity](#) David Lyon,Marguerite Van Die,2000-01-01 The contributors consider how Canada s religious experience is distinctive in the modern world somewhere between the largely secularized Europe and the relatively religious United States [The Oxford History of Protestant Dissenting Traditions, Volume V](#) Mark P. Hutchinson,Mark Hutchinson,2018 Volume V extends the study of the Oxford History of Dissenting Protestant Traditions series into the twentieth century following the spatial cultural and intellectual changes in dissenting identity and practice as these once European traditions globalized and settled down in other places *Social Science and the Cults* John A. Saliba,2019-03-20 This book first published in 1990

brings together descriptive comparative and theoretical materials on cults and sects in Western culture focusing on literature published since 1970 A historical section links the rise of the new movements to similar past phenomena in Western culture Other sections examine the methodology of studying religious movements and the various theories which have been brought to explain them current studies on traditional sects that are sometimes compared to the new religions and many studies of individual contemporary cults **Religions of Rome: Volume 1, A History** Mary Beard,John North,Simon

Price,1998-06-28 This book offers a radical new survey of more than a thousand years of religious life at Rome It sets religion in its full cultural context between the primitive hamlet of the eighth century BC and the cosmopolitan multicultural society of the first centuries of the Christian era The narrative account is structured around a series of broad themes how to interpret the Romans own theories of their religious system and its origins the relationship of religion and the changing politics of Rome the religious importance of the layout and monuments of the city itself changing ideas of religious identity and community religious innovation and ultimately revolution The companion volume Religions of Rome A Sourcebook sets out a wide range of documents richly illustrating the religious life in the Roman world The Sacred in a Secular Age Phillip E. Hammond,2023-11-15 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1985

matlab

train bayesian neural network matlab simulink mathworks - Aug 15 2023

web a bayesian neural network bnn is a type of deep learning network that uses bayesian methods to quantify the uncertainty in the predictions of a deep learning network this example uses bayes by backpropagation also known as bayes by backprop to estimate the distribution of the weights of a neural network

bayes network for classification in matlab bnt - Jul 02 2022

web jul 30 2013 from this point on it is up to the user to decide whether to appoint class to state 1 or 2 when it comes to classification in the simplest and not very advisable case you can define a posterior probability threshold of 0.5 and say if p class 1 > 0.5 class 1 else class 2 end

classification matlab simulink mathworks - Aug 03 2022

web classification supervised and semi supervised learning algorithms for binary and multiclass problems classification is a type of supervised machine learning in which an algorithm learns to classify new observations from examples of labeled data

bayes classifier github topics github - Mar 10 2023

web jan 9 2022 bayes classifier here are 8 public repositories matching this topic language matlab mikeroyal bayesian statistics guide star 3 code issues pull requests bayesian statistics guide

neural network model for classification matlab mathworks - Apr 30 2022

web a classificationneuralnetwork object is a trained feedforward and fully connected neural network for classification the first fully connected layer of the neural network has a connection from the network input predictor data x and each subsequent layer has a connection from the previous layer

naive bayes classification for multiclass classification matlab - Jul 14 2023

web classificationnaivebayes is a naive bayes classifier for multiclass learning trained classificationnaivebayes classifiers store the training data parameter values data distribution and prior probabilities

naive bayes code in matlab download scientific diagram - Dec 27 2021

web figure 7 shows the matlab code of naive bayes classification with many coefficients the result of network traffic classification is shown in figure 8 the normal class set is limited

naive bayes classification matlab simulink mathworks - Apr 11 2023

web the naive bayes classification model classificationnaivebayes and training function fitcnb provide support for normal gaussian kernel multinomial and multivariate multinomial predictor conditional distributions to specify distributions for the predictors use the distributionnames name value pair argument of fitcnb

classification using bayesian networks matlab code - Nov 06 2022

web may 15 2023 suggest matlab code learn how to use neural network toolbox to solve your technical challenge by exploring code learning network for classification using bayesian optimization download matlab classification toolbox for free matlab classification toolbox contains implementations of the following classifiers naive

bayesian networks in matlab stack overflow - Jan 08 2023

web mar 19 2011 is there any example or toolbox in matlab where i can apply bayesian networks i am solving a problem with 8 variables but do not really how to begin someone are dependent of some variables

naive bayes matlab simulink mathworks - May 12 2023

web classification this example shows how to perform classification using discriminant analysis naive bayes classifiers and decision trees visualize decision surfaces of different classifiers this example shows how to visualize the decision surface for different classification algorithms

tutorial for classification by naive bayes classifier - Feb 09 2023

web aug 29 2019 1d matrix classification using naive bayes based machine learning for 3 class problems it also consist of a matrix based example for input sample of size 12 and 3 features

naive bayes classifier github topics github - Mar 30 2022

web dec 19 2019 code issues pull requests naive bayes classifiers work by correlating the use of tokens typically words or sometimes other things with spam and non spam e mails and then using bayes theorem to calculate a probability that an email is or is not spam ml naive bayes classifier updated on sep 20 2022

bayesian network github topics github - Jun 13 2023

web aug 1 2023 bayesian network here are 10 public repositories matching this topic language matlab airspace encounter models em model manned bayes star 13 code issues pull requests discussions manned bayesian network encounter models aviation bayesian network aircraft updated last month matlab mikeroyal bayesian statistics

classification matlab simulink example mathworks - Jun 01 2022

web classification this example shows how to perform classification using discriminant analysis naive bayes classifiers and decision trees suppose you have a data set containing observations with measurements on different variables called predictors and their known class labels

matlab simple examples applications of bayesian networks stack overflow - Sep 04 2022

web nov 22 2012 i want to implement a baysian network using the matlab s bnt toolbox the thing is i can t find easy examples since it s the first time i have to deal with bn can you prop stack overflow

machine learning bayes network classification stack overflow - Feb 26 2022

web jul 21 2013 1 answer sorted by 3 assuming all variables you mention are categorical and the edge directions are from

up to down priors in the first naive bayes example the conditional probability table cpt of class consists solely of its prior distribution because it is a root node i.e. does not have any parents
