Faith Duty The True Story Of A Soldiers War In Northern Ireland:

The Politics of Memoir and the Northern Ireland Conflict Stephen Hopkins, 2013 This book examines memoir writing by many of the key political actors in the Northern Irish Troubles 1969-1998 and argues that memoir has been a neglected dimension of the study of the legacies of the violent conflict It investigates these sources in the context of ongoing disputes over how to interpret Northern Ireland's recent past A careful reading of these memoirs can provide insights into the lived experience and retrospective judgments of some of the main protagonists of the conflict The period of relative peace rests upon an uneasy calm in Northern Ireland Many people continue to inhabit contested ideological territories and in their strategies for shaping the narrative telling of the conflict key individuals within the Protestant Unionist and Catholic Irish Nationalist communities can appear locked into exclusive and self justifying discourses In such circumstances while some memoirists have been genuinely self critical many others have utilised a post conflict language of societal Times of Troubles Andrew Sanders, 2012-05-02 This is the first academic study of the British Army in Northern Ireland It investigates the complex experiences of English Scottish Welsh and Irish soldiers alike during the often controversial Operation Banner 1969-2007 The experiences of these soldiers raise many important and difficult questions on war and policy When do troubles riots and insurgency become war How does a liberal state respond to an internal war within its own borders How does it decide on its rules of engagement for its armed forces Featuring key interviews with former soldiers paramilitaries and Special Branch detectives amongst other key actors the authors attempt to answer these questions and enhance our knowledge of conflict resolution by providing a deep analysis of one of the most significant British military operations since the Second World War *A Long Long War* Ken Wharton, 2008-05-16 The author of *Bloody Belfast* delivers a vivid and unforgettable record of the Northern Irish conflict that captures the true horrors of war Best of British There are stories from some of the most seminal moments during the troubles in Northern Ireland the Crossmaglen firefights the 1988 corporals killings the Ballygawley bus bombing and more told from the perspective of the British soldiers who served there between 1969 and 1998 This was a war against terrorists who knew no mercy or compassion a war involving sectarian hatred and violent death Over 1 000 British lives were lost in a place just thirty minutes flying time away from the mainland The British Army was sent into Northern Ireland on August 14 1969 by the Wilson government as law and order had broken down and the population mainly Catholics and property were at grave risk Between then and 1998 some 300 000 British troops served in Northern Ireland This is their story in their own words from first to last Receiving a remarkable amount of cooperation from Northern Ireland veterans eager to tell their story the author has compiled a vivid and unforgettable record Their experiences sad and poignant fearful and violent courageous in the face of adversity even downright hilarious make for compelling reading Their voices need to be heard One of the first and only books to offer the perspective of regular British soldiers serving in the Northern Irish conflict a valuable addition to the extensive literature about the Irish Troubles Choice

Bringing War to Book Rachel Woodward, K. Neil Jenkins, 2018-05-04 This book explores how military memoirs come to be written and published Looking at the journeys through which soldiers and other military personnel become writers the authors draw on over 250 military memoirs published since 1980 about service with the British armed forces and on interviews with published military memoirists who talk in detail about the writing and production of their books A range of themes are explored including the nature of the military memoir motivations for writing authors reflections on their readerships inclusions and exclusions within the text the memories and materials that authors draw on the collaborations that make the production and publication of military memoirs possible and the issues around the design of military memoirs distinctive covers Written by two leading commentators on the sociology of the military Bringing War to Book offers a new and original argument about the representations of war and the military experience as a process of social production The book will be of interest to students and scholars across a range of disciplines including sociology history and cultural studies

Belfast and Derry in Revolt Simon Prince, Geoffrey Warner, 2019-09-16 In the late 1960s and early 1970s a civil war started in Northern Ireland This book tells that story through Belfast and Derry using original archival research to trace how multiple and overlapping conflicts unfolded on their streets The Troubles grew out of a political process that mobilised opponents and defenders of the Stormont regime and which also dragged London and Dublin into the crisis Drawing upon government papers police reports army files intelligence summaries evidence to inquiries and parish chronicles this book sheds fresh light on key events such as the 5 October 1968 march the Battle of the Bogside the Belfast riots of August 1969 the Battle of St Matthew's June 1970 and the Falls Road curfew July 1970 Prince and Warner offer us two richly detailed engaging narratives that intertwine to present a new history of the start of the Troubles in Belfast and Derry one that also establishes a foundation for comparison with similar developments elsewhere in the world

David and Goliath Malcolm Gladwell, 2013-10-01 Explore the power of the underdog in Malcolm Gladwell's dazzling examination of success motivation and the role of adversity in shaping our lives from the bestselling author of The Bomber Mafia Three thousand years ago on a battlefield in ancient Palestine a shepherd boy felled a mighty warrior with nothing more than a stone and a sling and ever since then the names of David and Goliath have stood for battles between underdogs and giants David's victory was improbable and miraculous He shouldn't have won Or should he have In David and Goliath Malcolm Gladwell challenges how we think about obstacles and disadvantages offering a new interpretation of what it means to be discriminated against or cope with a disability or lose a parent or attend a mediocre school or suffer from any number of other apparent setbacks Gladwell begins with the real story of what happened between the giant and the shepherd boy those many years ago From there David and Goliath examines Northern Ireland's Troubles the minds of cancer researchers and civil rights leaders murder and the high costs of revenge and the dynamics of successful and unsuccessful classrooms all to demonstrate how much of what is beautiful and important in the world arises from what looks like suffering and adversity In the tradition of

Gladwell's previous bestsellers *The Tipping Point*, *Blink*, *Outliers* and *What the Dog Saw* David and Goliath draws upon history psychology and powerful storytelling to reshape the way we think of the world around us **The Month**, 1999

Choosing the Green? Brian Dooley, 2004 Brian Dooley looks at what it means to be second or third generation Irish today He traces the history of prominent and unsung second third generation individuals in the founding of the modern Irish state The impact of IRA actions in Britain on victims on the justice system and on second and third generation activists is considered in detail The author's assessment of how the armed conflict helped shape second third generation Irish identity in Britain includes the role of Irish people in the British Army Dooley also highlights their role in the peace process Faith and Duty Nicky Curtis, 2003 Nick Curtis is one of the most highly decorated British soldiers ever to serve in Northern Ireland In this compelling and unique book he graphically portrays his experiences in the Province during the turbulent years of 1969-1976 After surviving nearly 2 000 fired rounds Curtis's duty as a uniformed officer ended and he was awarded the Military Medal for acts of bravery in the field But he returned to the Province to become a key figure in undercover operations liaising closely with such figures as Captain Robert Nairac himself a legend for his undercover work among the IRA Hard hitting uncompromising and extraordinarily frank Nick Curtis's dramatic account of his life in Northern Ireland encompasses the extremities of urban civil war the intrigues of undercover operations and the political machinations that helped to form both *The Church Times*, 1901 **Aftermath** Ruth Dudley Edwards, 2013-09-30 On Saturday 15th August 1998 a massive bomb placed by the so called Real IRA ripped through the town of Omagh killing twenty nine people including eleven children and injuring over two hundred It was the worst massacre in Northern Ireland's modern history yet from it came a most extraordinary tale of human resilience as the families of ten of the dead channelled their grief into action Taking for their motto For evil to triumph all that is necessary is for good men to do nothing they decided to pursue the men whom the police believed responsible for the atrocity through the civil courts where the burden of proof is lower This is the remarkable account of how these families who had no knowledge of the law and no money became internationally recognised formidable campaigners and surmounted countless daunting obstacles to win a famous victory Longlisted for the Orwell Prize 2010 **Northern / Irish Feminist Judgments** Máiréad Enright, Julie McCandless, Aoife O'Donoghue, 2017-02-09 The Northern Irish Feminist Judgments Project inaugurates a fresh dialogue on gender legal judgment judicial power and national identity in Ireland and Northern Ireland Through a process of judicial re-imagining the project takes account of the peculiarly Northern Irish concerns in shaping gender through judicial practice This collection following on from feminist judgments projects in Canada England and Australia takes the feminist judging methodology in challenging new directions This book collects 26 rewritten judgments covering a range of substantive areas As well as opinions from appellate courts the book includes first instance decisions and a fictional review of a Tribunal of Inquiry Each feminist judgment is accompanied by a commentary putting the case in its social context and explaining the original decision The book also includes

introductory chapters examining the project methodology constructions of national identity theoretical and conceptual issues pertaining to feminist judging and the legal context of both jurisdictions The book shines a light on past and future possibilities and limitations for judgment on the island of Ireland This book provides a rich and expansive addition to the feminist judgments catalogue The judgments demonstrate powerfully how Northern Irish judges have contributed to the gendered politics of national identity and how the narrow subject positions they have created for women and others could have been so much wider and more open Professor Rosemary Hunter School of Law Queen Mary University London The Northern Irish Feminist Judgments Project is inspirational reading for anyone interested in feminism or Irish studies It is a model of how to conduct feminist enquiry Its most innovative contribution to scholarship and politics is how the rewriting of landmark legal judgments from a feminist perspective allows us to imagine and therefore begin to construct a more egalitarian a more just future Associate Professor Katherine O'Donnell School of Philosophy University College Dublin If you let it this book will make you think It made me think it reminded me I suppose that legal writing can be wonderful rigorous creative deeply observant provocative Read it and see what it makes you think Professor Theresa Murphy School of Law Queen's University Belfast

Religion and Equality W. Cole Durham, Jr., Donlu D Thayer, 2016-05-26 This volume presents an analysis of controversial events and issues shaping a rapidly changing international legal political and social landscape Leading scholars and experts in law religious studies and international relations thoughtfully consider issues and tensions arising in contemporary debates over religion and equality in many parts of the world The book is in two parts The first section focuses on the anti discrimination dimension of religious freedom norms examining the developing law on equality and human rights and how it operates at international and national levels The second section provides a series of case studies exploring the contemporary issue of same sex marriage and how it affects religious groups and believers This collection will be of interest to academics and scholars of law religious studies political science and sociology as well as policymakers and legal practitioners

The Truth Seeker, 1915 **The Examiner**, 1826 **Jack Lynch, A Biography** Dermot Keogh, 2009-09-04 Jack Lynch is one of the most important and perhaps most underrated Irish political leaders of the twentieth century A sportsman who won six All Ireland medals in a row with Cork he was also a civil servant and a barrister before being elected to Dáil Éireann in 1948 During his thirty one years as a parliamentarian he held the ministries of Education Industry and Commerce and Finance before succeeding Seán Lemass as Taoiseach in 1966 Lynch held office during the critical years of the late 1960s and early 1970s when Northern Ireland disintegrated and civil unrest swept through Belfast Derry and other towns This precipitated one of the worst crises in the history of the Irish state Jack Lynch upheld the parliamentary democratic tradition at great personal and political cost even to the point of fracturing the unity of his government and his party If you want to know what happened during those terrible years read this book News Letter of the Friends of Irish Freedom, National Bureau of Information, Washington, D.C.
