AMPLIFIED BIBLE 12 For now we are looking in a mirror that gives only a dim blurred reflection of reality in a riddle or enigma but then when perfection comes we shall see in reality and face to face Now I know in part imperfectly but then I shall know and understand fully and clearly even in the same manner as I have been fully and clearly known and understood by God 13 And so faith hope love abide faith conviction and belief respecting man's relation to God and divine

things hope joyful and confident expectation of eternal salvation love true affection for God and man growing out of God's love for and in us these three but the greatest of these is love      Contending for the Faith Ralph C. Wood, 2003 In this book Ralph Wood calls for churches to offer a sustained and unapologetically Christian witness to a postmodern world Wood carefully chronicles how the church is watching the complete destruction of post-Christian institutions and practices that once shaped human character toward fulfillment in goods larger than humanity's own self-interest the chief of these being the worship and service of God Wood contends that Christian existence can never be taken for granted and so the church itself must seek to create a Christian culture that offers the world a drastic alternative to its own cultureless existence
