**How to Toughen Your Faith in Tough Times** Phillip Woods, 2013-12-20 The bible teaches us that we Christians will have difficulties or tough times which we will have to deal with For instance Jesus said these things I have spoken unto you that in me ye might have peace In the world ye shall have tribulations John 16 33 In this particular scripture the word tribulations has a Greek meaning which is pressure afflictions burdens persecution and trouble So if you read that same verse and insert the words that define tribulations we can plainly see that in this world we will have challenges or we could simply say we will have troubles However Jesus went on to say in the same breath but be of good cheer I have overcome the world In the Amplified bible it reads I have deprived it the world of it s power to harm you Thank God we have the promise of the Lord s help despite any trial or test we may face yet the fact remains we will have tough times Therefore let s take a look at a couple of other verses to validate what I m saying Many are the afflictions of the righteous but the Lord delivereth him out of them all Psalm 34 19 Beloved think it not strange concerning the fiery trial which is to try you as though some strange thing happened unto you I Peter 4 12 My brethren count it all joy when you fall into divers various or different types of temptations trails test or difficulties knowing this that the trying or proving of your faith worketh patience James 1 2 3 When we are committed to live by faith we will undoubtedly encounter tough times However it is not the time to faint In this book I will show you several basic principles to toughen your faith and win *Faith for Tough Times* David Cassady, 1991 **Why Faith?** A. Daniel Owusu Yeboah,2019-01-29 In my years in the Prayer Ministry I have come to discover that there are many diverse views of prayer apprehensions misunderstanding misuse of prayer for financial gain through the exploitation of seekers of help Thus in many instances the object of prayer praying to God has shifted from God to faith in men who promote prayer through Wealth and Healing Ministries These men promote prayer by manipulating their followers minds as the only power to gain wealth and healing while acting as their intermediaries between them and God to receive answers to their prayers Their goal however is to make money on the backs of their followers who are manipulated to believe in the so called miracles they perform for them The power and true benefits are now shifting to false miracle working prayers Of course there is a place for and power in intercessory prayer no one should be made to believe that there are some special people who alone who can and must pray to God to experience his blessing The single most important requirement of prayer is faith in God When personal faith in God is absent prayer dies and the experience of the power and blessings from prayer are lost Faith however may not necessarily translate into victory in every circumstance what acts of faith do guarantee is that we will please God and eventually be rewarded by him The purpose of this book *The Prayer of Faith Praying with Hope* is to help everyone who prays to understand that prayer is first building a relationship with God through Jesus and not just to receive or see miracles It explains that anyone who exercised faith in Jesus can literally move the mountains in their lives if they prayed and prayed the right way Faith treats things hoped for as a reality with a conviction that what is being asked for has a real answer Faith is therefore mandatory for those who approach God Faith is never easy it wasn't meant to be so But the more convinced we are of the reality of an all good all loving all powerful God the more our trust will grow and the less we will be overwhelmed by doubts and temptations How strong is your faith As thou has believed so be it done unto thee Discover the secret the power and joy of praying by faith to move your mountains as you read on      *Good Parents, Tough Times* Charlene C.
