*The Gospel of César Chávez* Mario T. Garcia, 2007-08-10 Once asked to explain how he had sustained himself over so many years of struggle César Chávez responded I don't think I could base my will to struggle on cold economics or some political doctrine For me the base must be faith In evaluating the life and struggles of César Chávez one of the most recognized Latino leaders in the United States and the first labor leader to successfully organize and unionize U.S. farm workers many historians journalists and other writers have largely missed one significant factor of his life his faith and deep spirituality The Gospel of César Chávez uses the prolific leader's own words to express his profound faith and the way it shaped his life and leadership

**Profane & Sacred** Bridget A. Kevane, 2008 Profane Sacred examines religious discourse in contemporary Latino a fiction exploring how religion creates mediates or changes Latino culture and identity Much contemporary literary criticism on Latino a literature has focused on the bilingual and bicultural nature of Latino identity history and cultural production But just as the multiplicity of cultures and languages has shaped Latino identity and history so too has religion Studying the religious discourse found in fiction can clearly enrich not only our perception of the diversity within the Hispanic communities but also the diversity between sociologists and creative writers

**Hispanic American**

**Religious Cultures** Miguel A. De La Torre, 2009-09-10 This encyclopedia is the first comprehensive survey of Hispanic American religiosity contextualizing the roles of Latino and Latina Americans within U S religious culture Spanning two volumes Hispanic American Religious Cultures encompasses the full diversity of faiths and spiritual beliefs practiced among Hispanic Americans It is the first comprehensive work to provide historic contexts for the many religious identities expressed among Hispanic Americans The entries of this encyclopedia cover a range of spiritual affiliations including Christian religious expressions world faiths and indigenous practices Coverage includes historical development current practices and key individuals while additional essays look at issues across various traditions By examining the distinctive Hispanic interpretations of religious traditions Hispanic American Religious Cultures explores the history of Latino and Latina Americans and the impact of living in the United States on their culture

*Latinos and the New Immigrant Church* David A. Badillo, 2006-06-19 Latin Americans make up the largest new immigrant population in the United States and Latino Catholics are the fastest growing sector of the Catholic Church in America In this book historian David A Badillo offers a history of Latino Catholicism in the United States by looking at its growth in San Antonio Chicago New York and Miami Focusing on twentieth century Latino urbanism Badillo contrasts broad historic commonalities of Catholic religious tradition with variations of Latino ethnicity in various locales He emphasizes the contours of day to day life as well as various aspects of institutional and lived Catholicism The story of Catholicism goes beyond clergy and laity it entails the entire urban experience of neighborhoods downtown power seekers archdiocesan movers and shakers and a range of organizations and associations linked to parishes Although parishes remain the key site for Latino efforts to build individual and cultural identities Badillo argues that one must consider simultaneously the triad of parish city and ethnicity to fully comprehend the influence of various Latino populations on both Catholicism and the urban environment in the United States By contrasting the development of three distinctive Latino communities the Mexican Americans Puerto Ricans and Cuban Americans Badillo challenges the popular concept of an overarching Latino experience and offers instead an integrative approach to understanding the scope depth and complexity of the Latino contribution to the character of America s urban landscapes

Mexican-American Catholics Eduardo C. Fernández, 2007 Mexican American Catholics is the third book in the Paulist Press Pastoral Spirituality Series following Vietnamese American Catholics by Peter C Phan and American Eastern Catholics by Fred J Saato Author Fr Fernández presents the history of Christianity in Mexico via Spain the conditions of Mexican Catholics in America and the challenges facing Mexican American Catholics as well as suggestions on how to meet them Pastoral strategies for assisting Mexican American Catholics in becoming more active members of the church are included as is an extensive bibliography

Living Beauty Alejandro García-Rivera, Alex García-Rivera, Thomas J. Scirghi, 2008 The Christian mystery celebrated in the Roman Catholic liturgy is a sensible mystery and calls out for artistic expression Living Beauty explores the Christian mystery and points to the need for a liturgical aesthetic as a means to encounter the divine

mystery A liturgical aesthetic gives an account of Christian worship in terms of a new set of categories that includes divine beauty a theology of sensibility and the new notion of a unitive revelatory experience These categories help to reveal the aesthetic dimensions of the Church's watershed document on the liturgy Sacrosanctum Concilium The Church today stands in need of a new conversation on the aesthetic dimension of the liturgy and the role of the arts Contrary to common opinion the arts provide more than an environment or mere extrinsic ornamentation for the liturgy they are intrinsic to the very nature of liturgy They provide the means of being sanctified in the encounter with divine beauty that is the mystery of Christian worship Artistic expression enables the worshipping community to receive the divine mystery in beauty stic expression enables the worshipping community to receive the divine mystery in beauty stic expression enables the worshipping community to receive the divine mystery in beauty

Voices of Feminist Liberation Emily Leah Silverman, Dirk von der Horst, Whitney Bauman, 2014-10-14

Voices of Feminist Liberation brings together a wide range of scholars to explore the work of Rosemary Radford Ruether one of the most influential feminist and liberation theologians of our time Ruether's extraordinary and ground breaking thinking has shaped debates across liberation theology feminism and eco feminism queer theology social justice and inter religious dialogue At the same time her commitment to practice and agency has influenced sites of local resistance around the world as well as on globalised strategies for ecological sustainability and justice Voices of Feminist Liberation examines the potential of Ruether's thinking to mobilize critical theology social theory and cultural practice The scholars gathered here present their personal engagements with Ruether's thinking and teaching The book will be invaluable to scholars policy makers and activists seeking to understand how colonial and patriarchal oppression in the name of religion can be confronted and defeated

ÁSanto! Edwin David Aponte, 2012

An overview of Latino a spiritualities today Protestant Catholic Pentecostal and non Christian and the challenges they bring to Christian theology and ministry Given the context of increasing religious pluralism and a burgeoning interest in religions religiosity and spirituality within the United States and the knowledge that by the mid twenty first century an estimated 100 million Americans will claim Latin origin an understanding of the varieties of Latino a spirituality becomes essential This book focuses on the ways in which Latinos and Latinas participate in the pursuit and practice of the spiritual or holy santo as part of their lived religion In seven chapters Aponte explores various understandings of santo and its participation in daily life rites of passage and worship

*Liberation Theologies in the United States* Stacey M Floyd-Thomas, Anthony B Pinn, 2010-03-01

Liberation Theologies in the United States reveals how the critical use of religion can be utilized to challenge and combat oppression in America In the nascent United States religion often functioned as a justifier of oppression Yet while religious discourse buttressed such

oppressive activities as slavery and the destruction of native populations oppressed communities have also made use of religion to critique and challenge this abuse As Liberation Theologies in the United States demonstrates this critical use of religion has often taken the form of liberation theologies which use primarily Christian principles to address questions of social justice including racism poverty and other types of oppression Stacey M Floyd Thomas and Anthony B Pinn have brought together a stellar group of liberation theology scholars to provide a synthetic introduction to the historical development context theory and goals of a range of U S born liberation theologies Black Theology Anthony B Pinn Womanist Theology Stacey M Floyd Thomas Latina Theology Nancy Pineda Madrid Hispanic Latino a Theology Benjam n Valent n Asian American Theology Andrew Sung Park Asian American Feminist Theology Grace Ji Sun Kim Native Feminist Theology Andrea Smith Native American Theology George Tink Tinker Gay and Lesbian Theology Robert E Shore Goss Feminist Theology Mary McClintock Fulkerson An extraordinary resource for understanding the vitality of liberation theologies and their relation to social transformation in the changing U S context Written in an accessible and engaged way this powerful and informative text will inspire beginners and scholars alike I highly recommend it Kwok Pui lan author of Postcolonial Imagination and Feminist Theology A delight to read and an exemplary account of the genre of liberation theologies Religious Studies Review
