FAITH IN CHRIST AND THE WORSHIP OF CHRIST Johann Auer,1986 **Faith in Christ and the Worship of Christ** Johann Auer,1986 **The Touch of the Sacred** F. Gerrit Immink,2014-08-03 All over the world Christian communities meet on Sunday morning for worship But what really happens during a worship service How do worshipers participate in the service What does it mean to sing pray and celebrate the Lord s Supper together What do worshipers do when they listen to a sermon In *The Touch of the Sacred* Gerrit Immink offers thoughtful theological reflection on the religious practice of worship services in the Protestant tradition He develops a theology of worship with a clear focus on the death and resurrection of Jesus Christ as he explores the meaning of worship the mystery of Christ the sacraments prayer and preaching Ultimately he says something dynamic happens when a church congregation speaks and acts it is touched by the sacred by a very encounter with the living God [Discover the Mystery of Faith](#) Glenn Packiam,2013-03-05 What if the way we worship isn t just an expression of our faith but is what shapes our faith The Church has believed this about the way we worship and pray together for centuries The way we worship becomes the way we believe But if this is true it s time to take a closer look at what we say and sing and do each week Drawing from his own discovery of ancient worship practices Glenn Packiam helps us understand why the Church made creedal proclamations and Psalm praying a regular part of their worship He shares about why the Eucharist was the climactic point of their corporate re telling of the salvation story When our worship becomes a rich feast our faith is nourished and no longer anemic The more our worship speaks of Christ the more we enter into the mystery of faith **Evangelical is Not Enough** Thomas Howard,1984-01-01 A deeply moving narrative that unfolds the conversion to Catholicism of two Protestant Evangelical Christians [Christianity at the Religious Roundtable](#) Timothy C. Tennent,2002-11-01 Argues that Christian dialogue with other faiths is an integral part of our call to proclaim the message of Christ *Christ s Fulfillment of Torah and Temple* Matthew Levering,2002-04-15 Christ s Fulfillment of Torah and Temple is a concise introduction to the Christian theology of salvation in light of the contributions of Thomas Aquinas In this cogent study Matthew Levering identifies six important aspects of soteriology each of which corresponds to an individual chapter in the book Levering focuses on human history understood in light of the divine law and covenants Jesus the Incarnate Son of God and Messiah of Israel Jesus cross transformation in the image of God the Mystical Body of Christ into which all human beings are called and eternal life Taking the doctrines of faith as his starting point Levering s objective is to answer the questions of both Christians and non Christians who desire to learn how and for what end Jesus saves humankind Levering s work also speaks directly to contemporary systematic theologians In contrast to widespread assumptions that Aquinas s theology of salvation is overly abstract or juridical Levering demonstrates that Aquinas s theology of salvation flows from his reading of Scripture and deserves a central place in contemporary discussions Thomas Aquinas s theology of salvation employs and develops the concepts of satisfaction and merit in light of his theology of

the Old Testament For Aquinas Christ fulfills Israel s Torah and Temple law and liturgy These two aspects of Israel s religion provide the central categories for understanding salvation The Torah expresses God s Wisdom incarnated in Jesus Christ Christ s passion then fulfills and transforms the moral juridical and ceremonial precepts of the Torah which correspond to the three offices of ancient Israel prophet king and priest The New Law in Christ Jesus is also the fulfillment of the Temple Israel s worship Christ offers the Father the perfect worship participated in by all members of his Mystical Body through faith charity and the sacraments Old Law and New Law are fulfilled in the perfect knowing and loving perfect law and liturgy of eternal life the Heavenly Jerusalem As a Thomistic contribution to contemporary theology this fruitful study develops a theology of salvation in accord with contemporary canonical readings of Scripture and with the teachings of the Second Vatican Council on the fulfillment and permanence of God s covenants Conversion From Sin John Powell,2010-06 **The**
