

FAITH IN READING

*Religious Publishing and the
Birth of Mass Media
in America*

DAVID PAUL NORD

Faith In Reading Religious Publishing And The Birth Of Mass Media In America

David Käbisch, Kerstin von der Krone, Christian Wiese

Faith In Reading Religious Publishing And The Birth Of Mass Media In America:

Faith in Reading David Paul Nord, 2004-08-19 This is the remarkable story of the unlikely origins of modern media culture In the early 19th century a few entrepreneurs decided the time was right to launch a true mass media in America Though they were savvy businessmen their publishing enterprises were not commercial businesses but nonprofit religious organizations

Religious Knowledge and Positioning David Kabisch, Kerstin von der Krone, Christian Wiese, 2023-11-06 What should one know in order to position oneself vis vis other religions and confessions What is religious knowledge and how should it be taught This volume sheds light on educational media in Judaism and Christianity such as catechisms children s bibles and sermons as well as Jewish and Protestant teacher training in 19th century Germany and explores the methodological potentials of educational media as a source for inter religious history It reflects on broader processes of knowledge production and the impact of science and scholarship on religious education and knowledge production within Christian and Jewish contexts The volume draws on an interdisciplinary conference that took place in 2018 and brought together scholars associated with two transdisciplinary research projects The German Israeli research group Innovation through Tradition Jewish Educational Media and Cultural Transformation in the Face of Modernity associated with the German Historical Institute Washington and Tel Aviv University funded by the German Research Foundation DFG 2014 2019 and the LOEWE research hub Religious Positioning Modalities and Constellations in Jewish Christian and Muslim Contexts at Goethe University Frankfurt and Justus Liebig University Giessen funded by the Hessian Ministry of Science and Art 2015 2021

Religious Periodicals and Publishing in Transnational Contexts Anja-Maria Bassimir, Oliver Scheiding, 2017-06-23 This volume explores the interrelationship of religion and print practices and sheds new light on the history of religious publishing in a globalizing world and its changing media consumption Periodicals have recently become of interest to scholars in book history and religious studies as they try to determine how magazines journals newsletters and newspapers meet the diverse spiritual demands of believers conditioned by an increasingly translocal and pluralistic religious landscape in modern America and beyond Existing publications in this field have produced new insights into the multilayered nineteenth and twentieth century publishing enterprises as well as the numerous actors behind them often crossing ethnic gender and national boundaries This volume focuses instead on the socio economic conditions institutional organizations action networks and communicative environments that shape religious publishing and its medial apparatus in transnational contexts In doing so the authors study the material devices business structures and cultural networks needed for circulating words and images that nourish specific formations of religious adherence

America's Book Mark A. Noll, 2022 Noll s magisterial work highlights not only the centrality of the Bible for the nation s most influential religious figures Methodist Francis Asbury Richard Allen of the African Methodist Episcopal Church Catholic Bishop Francis Kenrick Jewish scholar Solomon Schechter agnostic Robert Ingersoll but also why it was important for presidents like Abraham Lincoln notable

American women like Harriet Beecher Stowe Elizabeth Cady Stanton and Frances Willard dedicated campaigners for civil rights like Frederick Douglass and Francis Grimké lesser known figures like Black authors Maria Stewart and Harriet Jacobs and a host of others of high estate and low

The Oxford History of Protestant Dissenting Traditions, Volume V Mark P. Hutchinson, 2018-10-17 The five volume Oxford History of Protestant Dissenting Traditions series is governed by a motif of migration out of England It first traces organized church traditions that arose in Britain and Ireland as Dissenters distanced themselves from a state church defined by diocesan episcopacy the Book of Common Prayer the Thirty Nine Articles and Royal Supremacy but then follows those traditions as they spread beyond Britain and Ireland and also analyses newer traditions that emerged downstream in other parts of the world from earlier forms of Dissent Secondly it does the same for the doctrines church practices stances toward state and society attitudes toward Scripture and characteristic patterns of organization that also originated in earlier British and Irish dissent but that have often defined a trajectory of influence independent of ecclesiastical organizations The Oxford History of Protestant Dissenting Traditions Volume V follows the spatial cultural and intellectual changes in dissenting identity and practice in the twentieth century as these once European traditions globalized While in Europe dissent was often against the religious state dissent in a globalizing world could redefine itself against colonialism or other secular and religious monopolies The contributors trace the encounters of dissenting Protestant traditions with modernity and globalization changing imperial politics challenges to biblical denominational and pastoral authority local cultures and languages and some of the century's major themes such as race and gender new technologies and organizational change In so doing they identify a vast array of local and globalizing illustrations which will enliven conversations about the role of religion and in particular Christianity

The Chance of Salvation Lincoln A. Mullen, 2017-08-28 The Chance of Salvation offers a history of conversions in the United States which shows how religious identity came to be a matter of choice Shortly after the American Revolution people in the United States increasingly encountered an expanded array of religious options Evangelical Protestants began an effort to convert Americans while developing new practices that emphasized conversion as an immediate choice Their missionary effort extended to Native American nations such as the Cherokee in the Southeast who received Christianity on their own terms Enslaved and newly freed African Americans likewise created a variety of Christian conversion that was centered on religious hope and eschatological expectation Mormons drawing on earlier Protestant practices and beliefs enthusiastically proselytized for a new tradition that emphasized individual choice and free will By uncovering the way that religious identity is structured as an obligatory decision this book explains why Americans change their religions so much and why the United States is both highly religious in terms of religious affiliation and very secular in the sense that no religion is an unquestioned default

Handbook of Religion and Social Institutions Helen Rose Ebaugh, 2007-10-23 Handbook for Religion and Social Institutions is written for sociologists who study a variety of sub disciplines and are interested in recent studies and

theoretical approaches that relate religious variables to their particular area of interest The handbook focuses on several major themes Social Institutions such as Politics Economics Education Health and Social Welfare Family and the Life Cycle Inequality Social Control Culture Religion as a Social Institution and in a Global Perspective This handbook will be of interest to social scientists including sociologists anthropologists political scientists and other researchers whose study brings them in contact with the study of religion and its impact on social institutions **Democratic Communications** James F.

Hamilton,2009-08-01 This is the first book to take issue with the long standing assumptions about alternative media and democratic communications and place them in a detailed cultural and historical context Ranging from prophecy in sixteenth century England to the self managed projects of critical literacy and social change of today it assesses the historical heritage present conditions and future possibilities of today s remade media landscape for democratic communications *Companion to the History of the Book* Simon Eliot,Jonathan Rose,2019-08-08 The celebrated text on the history of the book completely revised updated and expanded The revised and updated edition of *The Companion to the History of the Book* offers a global survey of the book s history through print and electronic text Already well established as a standard survey of the historiography of the book this new expanded edition draws on a decade of advanced scholarship to present current research on paper printing binding scientific publishing the history of maps music and print the profession of authorship and lexicography The text explores the many approaches to the book from the early clay tablets of Sumer Assyria and Babylonia to today s burgeoning electronic devices The expert contributions delve into such fascinating topics as archives and paperwork and present new chapters on Arabic script the Slavic Canadian African and Australasian book new textual technologies and much more Containing a wealth of illustrative examples and case studies to dramatize the exciting history of the book the text is designed for academics students and anyone interested in the subject **The Oxford History of Popular Print Culture** Gary Kelly,Joad Raymond,Christine Bold,2011 Planned nine volume series devoted to the exploration of popular print culture in English from the beginning of the sixteenth century to the present *Selling Antislavery* Teresa A. Goddu,2020-04-10 Beginning with its establishment in the early 1830s the American Anti Slavery Society AASS recognized the need to reach and consolidate a diverse and increasingly segmented audience To do so it produced a wide array of print material and visual media almanacs and slave narratives pincushions and gift books broadsides and panoramas Building on the distinctive practices of British antislavery and evangelical reform movements the AASS utilized innovative business strategies to market its productions and developed a centralized distribution system to circulate them widely In *Selling Antislavery* Teresa A Goddu shows how the AASS operated at the forefront of a new culture industry and by framing its media as cultural commodities made antislavery sentiments an integral part of an emerging middle class identity She contends that although the AASS s dominance waned after 1840 as the organization splintered it nevertheless created one of the first national mass markets Goddu maps this extensive media culture focusing in particular on the material produced by

AASS in the decade of the 1830s She considers how the dissemination of its texts objects and tactics was facilitated by the quasi corporate and centralized character of the organization during this period and demonstrates how its institutional presence remained important to the progress of the larger movement Exploring antislavery s vast archive and explicating its messages she emphasizes both the discursive and material aspects of antislavery s appeal providing a richly textured history of the movement through its artifacts and the modes of circulation it put into place Featuring more than seventy five illustrations Selling Antislavery offers a thorough case study of the role of reform movements in the rise of mass media and argues for abolition s central importance to the shaping of antebellum middle class culture Every Leaf, Line, and Letter Timothy Larsen,2021-05-04 Christians within evangelicalism have always had a high regard for the Bible How has the eternal Word of God been received across various races age groups genders nations and eras This collection of historical studies focuses on evangelicals defining uses and abuses of Scripture from Great Britain to the Global South from the high pulpit to private devotions and public causes **Encyclopedia of Christianity in the United States** George Thomas Kurian,Mark A. Lamport,2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation The Altar at Home Claudia Stokes,2014-07-17 Displays of devout religious faith are very much in evidence in nineteenth century sentimental novels such as Uncle Tom s Cabin and Little Women but the precise theological nature of this piety has been little examined In the first dedicated study of the religious contents of sentimental literature Claudia Stokes counters the long standing characterization of sentimental piety as blandly nondescript and demonstrates that these works were in fact groundbreaking assertive and highly specific in their theological recommendations and endorsements The Altar at Home explores the many religious contexts and contents of sentimental literature of the American nineteenth century from the growth of Methodism in the Second Great Awakening and popular millennialism to the developing theologies of Mormonism and Christian Science Through analysis of numerous contemporary religious debates Stokes demonstrates how sentimental

writers rather than offering simple depictions of domesticity instead manipulated these scenes to advocate for divergent new beliefs and bolster their own religious authority On the one hand the comforting rhetoric of domesticity provided a subtle cover for sentimental writers to advance controversial new beliefs practices and causes such as Methodism revivalism feminist theology and even the legitimacy of female clergy On the other hand sentimentality enabled women writers to bolster and affirm their own suitability for positions of public religious leadership thereby violating the same domestic enclosure lauded by the texts *The Altar at Home* offers a fascinating new historical perspective on the dynamic role sentimental literature played in the development of innumerable new religious movements and practices many of which remain popular today *Cultural History of Reading* Sara E. Quay, Gabrielle R. Watling, 2008-11-30 What is it about some books that makes them timeless *Cultural History of Reading* looks at books from their earliest beginnings through the present day in both the U S and regions all over the world Not only fiction and literature but religious works dictionaries scientific works and home guides such as Mrs Beeton's all have had an impact on not only their own time and place but continue to capture the attention of readers today Volume 1 examines the history of books in regions throughout the world identifying both literature and nonfiction that was influenced by cultural events of its time Volume 2 identifies books from the pre colonial era to the present day that have had lasting significance in the United States History students and book lovers alike will enjoy discovering the books that have impacted our world **An Unpredictable Gospel** Jay Riley Case, 2012-01-02 The astonishing growth of Christianity in the global south over the course of the twentieth century has sparked an equally rapid growth in studies of World Christianity which have dismantled the notion that Christianity is a Western religion In *Missionary Passages* Jay Case examines the efforts of American evangelical missionaries in light of this new scholarship He argues that if they were agents of imperialism they were poor ones Western missionaries had a dismal record of converting non Westerners to Christianity **Decoding Modern Consumer Societies** H. Berghoff, U. Spiekermann, 2012-01-02 Drawing on a wide range of studies of Europe the United States Asia and Africa the contributions gathered here consider how political history business history the history of science cultural history gender history intellectual history anthropology and even environmental history can help us decode modern consumer societies *Political Religion Beyond Totalitarianism* J. Augusteijn, P. Dassen, M. Janse, 2013-01-29 The success of fascist and communist regimes has long been explained by their ability to turn political ideology into a type of religion These innovative essays explore the notion that all forms of modern mass politics including democracies need a form of sacralization to function *America's Great Age of Rhetoric, 1770-1860* Merrill D. Whitburn, 2024-05-13 This book analyzes the advocacy conceptualization and institutionalization of rhetoric from 1770 to 1860 Among the forces promoting advocacy was the need for oratory calling for independence the belief that using rhetoric was the way to succeed in biblical interpretation and preaching and the desire for rhetoric as entertainment Conceptually leaders followed classical and German rhetoricians in viewing rhetoric as an art of

ethical choice Institutionally a rhetorician such as Ebenezer Porter called for the development of organizations at all levels a sociology of rhetoric Orville Dewey highlighted the passion for rhetoric calling his times the age of eloquence **Spirits of Protestantism** Pamela E. Klassen, 2011-07-14 Spirits of Protestantism reveals how liberal Protestants went from being early twentieth century medical missionaries seeking to convert others through science and scripture to becoming vocal critics of missionary arrogance who experimented with non western healing modes such as Yoga and Reiki Drawing on archival and ethnographic sources Pamela E Klassen shows how and why the very notion of healing within North America has been infused with a Protestant supernatural liberalism In the course of coming to their changing vision of healing liberal Protestants became pioneers three times over in the struggle against the cultural and medical pathologizing of homosexuality in the critique of Christian missionary triumphalism and in the diffusion of an ever more ubiquitous anthropology of body mind and spirit At a time when the political and anthropological significance of Christianity is being hotly debated Spirits of Protestantism forcefully argues for a reconsideration of the historical legacies and cultural effects of liberal Protestantism even for the anthropology of religion itself

Getting the books **Faith In Reading Religious Publishing And The Birth Of Mass Media In America** now is not type of challenging means. You could not and no-one else going gone books accretion or library or borrowing from your links to admission them. This is an no question easy means to specifically acquire lead by on-line. Faith In Reading Religious Publishing And The Birth Of Mass Media In America Introduction

In the digital age, access to information has become easier than ever before. The ability to download Faith In Reading Religious Publishing And The Birth Of Mass Media In America has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Faith In Reading Religious Publishing And The Birth Of Mass Media In America has opened up a world of possibilities. Downloading Faith In Reading Religious Publishing And The Birth Of Mass Media In America provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Faith In Reading Religious Publishing And The Birth Of Mass Media In America has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Faith In Reading Religious Publishing And The Birth Of Mass Media In America. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Faith In Reading Religious Publishing And The Birth Of Mass Media In America. Some websites may offer pirated or illegally obtained

copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Faith In Reading Religious Publishing And The Birth Of Mass Media In America, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Faith In Reading Religious Publishing And The Birth Of Mass Media In America has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Faith In Reading Religious Publishing And The Birth Of Mass Media In America Books
