## **Faith Is Stranger Than Fiction Serving A God Who Loves Surprises:**

**Faith is Stranger than Fiction** Steve Halliday, 2001-01-01 You think God must work in a certain way but out of left field He springs an eye popping surprise You pray for guidance in a ticklish situation and God responds with a plan that takes your breath away You're confident you know whom God will use to do His will and He chooses someone so unlikely that even that person is left speechless What's going on here What gives Actually it's really quite simple Faith Is Stranger Than Fiction When you serve a God who loves surprises there's no telling what He may cook up next to thrill your soul and challenge your spirit Only one thing is certain He will fulfill all His promises but He'll do it in a way none of us could imagine in a billion lifetimes

*Faith is Stranger Than Fiction* Steve Halliday, 2001 A fascinating collection of true stories proving the omnipotence and immutability of God He calls His people to live by faith placing full trust in Him In practice this often means that our Lord wants us to take a step away from actions that the world considers logical and prudent and instead trust Him to work things out in unexpected ways that better glorify Him Our God cannot be placed in a little box always doing what we want Him to do or acting exactly the way we want Him to act He is sovereign and will respond in His own way That's part of the awesome magnificence of God Job said that God does great things past finding out and wonders without number Steve Halliday says the same thing through these stories After reading you will agree that truly Faith Is Stranger Than Fiction
