Author Sandie Beckman's spirit sensed the urgency and desperation to reach out in compassion to receptive hearts that wanted the intimacy and the power of the Lord. A fresh vision and revelation is needed to be delivered from the spiritual darkness that is growing at a fast pace. This means we need to break out of the status quo of Christianity and be energized by the Holy Spirit. It's time to make the End Time church a place of God's power. God wants to release his power but only after He establishes an intimate bridal partnership with his church. Without this intimacy, his church will not handle the fullness of his power. If we are distracted by other things over time, our hearts will burn out like a field burned out, and it then becomes hard to grow anything. **Follow the Son** will help us to understand God's heart, his ways, and unconditional love and acceptance for all of mankind and his desire to share intimacy with us. Our spiritual journey should be one with enthusiasm, expectancy, a journey of truth and blessings, an adventure of fulfilling inspiration, and rewarding. If you want to conquer the heart of Jesus, it will take devotion, a determination, obedience, and heartfelt prayer, and quality time spent with the Lord and waiting and worshiping upon Him. It will be a rewarding experience. God is looking for people as such. But the hour is coming and now is when the true worshipers will worship the Father in spirit and truth, for the Father is seeking such to worship Him. John 4:23. If this is you, break free of the fear of being branded as too fanatical or always having to apologize for your spiritual lifestyle. Be the bridal partner Jesus desires, so come on **Follow the Son**. Words on Cassette, 1999.

Faith: the Believers' Rod Williams Ekanem, 2015-07-24 **Faith: The Believers' Rod** is a product of a summer Bible school I facilitated. It opens with the prerequisite a reader must have for the book to be meaningful: accept Jesus Christ as a personal savior. With the human tendency to have something to hold on to, feel, and touch, this book recommends that faith in the redeeming power of Jesus Christ is that thing any Believer should hold on to. Although invisible, absolute faith in God could be a good stabilizing rod, just as Moses' rod which God used to perform wonders. The book defines faith but differentiates it from presumption, impression, or impulse and points out why everyone needs a faith lift. The book proffers various ways of increasing one's faith and concludes with how to deal with God's silence when God does not speak. *Faith, Formation, and Decision* James M. Childs, 1992. James Childs's concise and compelling introduction is based on twenty years of teaching and writing in Christian ethics. Illuminating his case with examples from business, medicine, and public policy dilemmas, Childs constructs an original and comprehensive proposal for Christian ethics: dialogical ethics, one that resonates well with contemporary concern for character and virtue but is also animated and informed by Christian faith.
