J. Rushdoony, 2017-07-11 Our faith should be an informed one because the God who created all things speaks to every sphere of life and all facts should be studied in light of the revelation of God in Scripture This is the foundation of Christian dominion For R J Rushdoony true government was the self government of the Christian life in terms of God's law so he wrote his position papers to better equip Christians to apply their faith to all of life His objective was not to empower the state or the organized church but rather to call every

person and institution to God's Word which often put him at odds with both church and state This three volume collection of his position papers 1979-2000 are organized topically and are featured for the first time with an extensive index which will make this material far more accessible to the studious reader This beautiful three volume collection of hardback books topically organizes ALL of Rushdoony's position papers not only the 115 originally published in *Roots of Reconstruction* but also 118 later essays including six recently discovered unpublished papers **Philosophy, Feminism & Faith** Ruth E. Groenhout, Marya Bower, 2003-02-19 The stories are powerful sometimes heart rending sometimes lyrical but always deeply personal And there is some very good philosophizing as part of the bargain Merold Westphal How can the seemingly separate lives of philosopher feminist and follower of a religious tradition come together in one person's life How does religious commitment affect philosophy or feminism How does feminism play out in religious or philosophical commitment Wrestling with answers to these questions women who balance philosophy feminism and faith write about their lives The voices gathered here from several different traditions Catholic Protestant Quaker Jewish and Muslim represent diverse ethnicities races and ages The challenging and poignant reflections in *Philosophy Feminism and Faith* show how critical thought can successfully mesh with religious faith and social responsibility **Passionate Possessions of Faith** Robert Glen Guenther, 1994 The Guenther family appears to have originated in Switzerland Members of the family converted to the Anabaptist movement and were forced to flee first to Moravia and later to the valley of the Vistula in Poland and west Prussia Eventually members of the family became Mennonites and moved to the Ukraine where a number of Germans were settling One of the Guenthers to move there was Franz Guenther 1827-1900 who married Maria Warkentin and was the father of six children In 1878 Franz Maria and four of their children immigrated to America They settled in South Dakota where one of the children Cornelius F Guenther 1853-1934 married Eva Drksen and was the father of fourteen children Their many descendants live throughout the United States **HSA Heritage Auctions Rare Books Auction Catalog #6030** James Gannon, 2009-09 **The Strength of Faith - Christian Omnibus** Johann Wolfgang von Goethe, Martin Luther, Henryk Sienkiewicz, Dante Alighieri, Henry Van Dyke, David Hume, James Allen, Ralph Waldo Emerson, Andrew Murray, John Bunyan, Grace Livingston Hill, Thomas Paine, Voltaire, Lew Wallace, John Milton, Charles M. Sheldon, Ludwig Feuerbach, G. K. Chesterton, Friedrich Nietzsche, Thomas à Kempis, Leo Tolstoy, Fyodor Dostoevsky, Prentice Mulford, St. Teresa of Ávila, Florence Scovel Shinn, H. Emilie Cady, Gregory of Nyssa, Pope Gregory I, Athanasius of Alexandria, Basil the Great, John of Damascus, Brother Lawrence, Arthur Pink, St. Thomas Aquinas, St. Augustine, 2023-11-22 The Christian Omnibus weaves an intricate tapestry of faith and theology through the profound thoughts and literary prowess of distinguished authors across the ages Ranging from works that delve into the fervent personal spirituality of St Teresa of Ávila to the grand theological explorations reminiscent of Thomas Aquinas this collection celebrates the rich diversity inherent in Christian thought and writing Whether through the pious simplicity of Brother Lawrence's reflections the philosophical inquiries of Friedrich

Nietzsche or the narrative power found in Fyodor Dostoevsky's tales the anthology captures a multitude of perspectives that contribute to its overarching theme of spiritual strength and faith. The contributions hail from a spectrum of renowned thinkers and writers each lending unique insight into the historical and cultural milieu that shaped their works. From the Reformation's indomitable spirit exemplified by Martin Luther to the existential musings of Dostoevsky set against the backdrop of Imperial Russia each voice represents a facet of the ongoing discourse on faith through time. The anthology's assembly of such diverse voices through history not only highlights the evolution of Christian thought but also presents a convergence of literary philosophical and theological ideals that define various movements in Western literature and belief.

The Strength of Faith Christian Omnibus is an essential read for those looking to deepen their understanding of the interplay between faith and literature. This collection is a treasure trove for anyone interested in exploring the rich dialogues that unfold between vastly different thinkers showcasing the vast array of insights garnered from centuries of religious and philosophical contemplation. House of Faith House of Cards Eric N. Davis, 2010-05 Concise Vivid Honest

Dan Barker critically acclaimed author of *Godless* and *Losing Faith* in *Faith*. Brutally honest insightful and compelling storytelling. Lyndon Lamborn author of *Standing for Something More*. When a young couple searched for clues connecting them to a famous ancestor their journey led them on a path they never expected converting to Mormonism. *House of Faith House of Cards* tells the turbulent life story of their son Eric including all the typical Mormon experiences and some extraordinary episodes no Mormon will ever encounter. He participated with family members in his first secret temple ritual normally reserved for adults at the age of four only to be excluded from a similar ceremony involving his family thirteen years later. In 1857 a company of 120 immigrants set out from a small Arkansas town toward California. In a tragic twist of fate they never reached their destination. While encamped in southern Utah local Mormons and Paiute Indians launched an ambush brutally slaughtering the group in what became known as the Mountain Meadows massacre. 125 years later Eric would be raised as a Mormon in the same Arkansas community where this wagon train initially departed. There he learned just how much some people still despised that faith. While training for and serving a church mission in Canada in the mid 1990s Eric shared a room and became acquainted with a fellow missionary named Mark Hacking. Less than a decade later when the disappearance and murder of Hacking's wife became highly publicized several international media outlets approached Eric searching for any juicy detail of the man's troubled past. These stories are just the tip of the iceberg.
