Faith Born Of Seduction:

Faith Born of Seduction Jennifer L Manlowe, 1995-07-01 How do survivors of sexual and domestic violence relate to religion and to a higher power What are the social and religious contexts that sustain and encourage eating disorders in women How do these issues intersect The relationship between Christian religious discourse incest and eating disorders reveals an important and so far unexamined psychosocial phenomenon Drawing from interviews with incest survivors whose sexual and religious backgrounds are intimately connected with their problematic relationship with food Jennifer Manlowe here illuminates the connections between female body weight and appetite preoccupations Manlowe offers social and psychological insights into the most common forms of female suffering incest and body hatred The volume is intended as a resource for professionals advocates friends of survivors and most importantly the survivor of incest herself as she attempts to understand the links of meaning in her mind between her incest experience and her subsequent eating disorder **The Lost Coin** Mary Ann Beavis, 2002-08-27 A collection of feminist interpretations of parables about women and women's work This volume not only fills a gap in the scholarly literature on parables but brings to life vignettes from ancient Mediterranean women's lives and offer insights into the place of women in the ministry of Jesus the early church and Christian theology It is a rich resource for scholarship teaching and preaching Contributors include the editor Elisabeth Schnssler Fiorenza Linda Maloney Kathleen Nash Pheme Perkins Barbara Reid Kathleen Rushton Holly Hearon and Adele Reinhartz Topics include feminist readings of the Parable of the Persistent Widow the Wise and Foolish Virgins the Prodigal Son the Faithful Steward and the Bride in John 3 Wounds of the Spirit Traci C. West, 1999-03-01 A collection of first person accounts documenting a historical legacy of violence against black women in the U S In Wounds of the Spirit Traci West employs first person accounts from slave narratives to contemporary interviews to Tina Turner's autobiography to document a historical legacy of violence against black women in the United States West a black feminist Christian ethicist situates spiritual matters within a discussion of the psycho social impact of intimate assault against African American women Distinctive for its treatment of the role of the church in response to violence against African American women the book identifies specific social mechanisms which contribute to the reproduction of intimate violence West insists that cultural beliefs as well as institutional practices must be altered if we are to combat the reproduction of violence and suggests methods of resistance which can be utilized by victim survivors those in the helping professions and the church Interrogating the dynamics of black women's experiences of emotional and spiritual trauma through the diverse disciplines of psychology sociology and theology this important work will be of interest and practical use to those in women's studies African American studies Christian ethics feminist and womanist theology women's health family counseling and pastoral care *Loving Life As It Is* Phd Jennifer Manlowe, 2007-10-03 *Loving Life As It Is* is a resource for believing and non believing friends and loved ones of alcoholics and addicts In order to offer an agnostic understanding of recovery Dr Manlowe weaves together the best philosophy of the Twelve Step Program of

Alcoholics Anonymous with her favorite meditation exercises and aphorisms from world philosophers **Fasting: an Exceptional Human Experience** Randi Fredricks, 2012-12-20 Fasting An Exceptional Human Experience Since prehistory fasting has been used in various ways as a means of transformation As a spiritual practice it is the oldest and most common form of asceticism and is found in virtually every religion and spiritual tradition In psychology studies have suggested that fasting can alleviate the symptoms of some psychiatric conditions including depression and schizophrenia In medicine fasting is one of the most promising therapies with research suggesting that fasting can cause certain drugs such as chemotherapy to work better while reducing drug side effects Hunger striking sometimes called political fasting may be the most powerful application of fasting Proof of this occurred in 1948 when Gandhis hunger strike caused millions of Hindus and Muslims in India to cease their fighting As a practical guide Randi Fredricks Ph D provides detailed information on the different types of fasting where people fast the physiological process of fasting and the contraindications and criticisms of fasting Using existing literature and original research Dr Fredricks focuses on the transformative characteristics of fasting in the contexts of psychology medicine and spirituality The relationship between fasting and transpersonal psychology is examined with a focus on peak experiences self realization and other exceptional human experiences Dr Fredricks demonstrates how fasting can be profoundly therapeutic create global paradigm shifts and provide personal mystical phenomena *Interpreting Weight* Jeffery Sobal, 2017-07-05 What is too fat what is too thin Interpretations of body weight vary widely across and within cultures Meeting weight expectations is a major concern for many people because failing to do so may incur dire social consequences such as difficulty in finding a romantic partner or even in locating adequate employment without these social and cultural pressures body weight would only be a health issue while socially constructed standards of body weight may seem immutable they are continuously recreated through social interactions that perpetuate or transform expectations about fatness and thinness Written by sociologists psychologists and nutritionists all of the chapters in this book focus on how people construct fatness and thinness examining different strategies used to interpret body weight such as negotiating weight identities reinterpreting weight and becoming involved in weight related organizations Together these chapters emphasize the many ways that people actively define construct and enact their fatness and thinness in a variety of settings and situations Starving for Salvation Michelle Mary Lelwica, 2002 TABLE OF CONTENTS 1 Bodies of Evidence Bodies of Knowledge Contemporary Approaches Historical Perspectives New Directions 2 The Good the True and teh Beautiful Female Body Popular Icons of Womanhood and the Savation Myth of Female Slenderness 3 Losing Their Way to Salvation Papular Rituals of Womanhood and the Saving Promises of Culture Lite 4 Universes of Meaning Worlds of Pain The Struggles of Anorexic and Bulimic Girls and Women A Different Kind of Salvation Cultivating Alternative Senses Practices and Visions Notes Selected Bibliography Index **Trauma-Sensitive Theology** Jennifer Baldwin, 2018-09-20 The intention of Trauma Sensitive Theology is to help theologians professors clergy spiritual care givers and therapists speak well of God and faith

without further wounding survivors of trauma It explores the nature of traumatic exposure response processing and recovery and its impact on constructive theology and pastoral leadership and care Through the lenses of contemporary traumatology somatics and the Internal Family Systems model of psychotherapy the text offers a framework for seeing trauma and its impact in the lives of individuals communities society and within our own sacred texts It argues that care of traumatic wounding must include all dimensions of the human person including our spiritual practices religious rituals and community participation and theological thinking As such clergy and spiritual care professionals have an important role to play in the recovery of traumatic wounding and fostering of resiliency This book explores how trauma informed congregational leaders can facilitate resiliency and offers one way of thinking theologically in response to traumatizing abuses of relational power and our resources for restoration

Disciplining Freud on Religion Greg Kaplan, William Parsons, 2010-08-04 It is well known that in formulating his general theoretical framework and views on religion Freud drew on multiple disciplines within the natural and social sciences as well as from the humanities This edited collection adds to the continued multidisciplinary interest in Freud by focusing on his understanding and interpretation of and relationship to religion It disciplines Freud by situating his work on religion from the methodological interests and theoretical advances found in diverse disciplinary contexts Scholars within the field of religious studies Jewish Studies philosophy and the natural sciences bring together their diverse voices to heighten the academic understanding of Freud on religion The contributors aim to establish closer and more direct interdisciplinary communication and collaboration with regard to Freudian Studies This volume should appeal to a wide range of scholars for upper level undergraduate and graduate classes and those training in psychoanalysis

Erotic Morality Linda Holler, 2002 This work examines the role of the senses and emotions especially touch in moral reflection and agency It proposes that ethics consider touch as the centre of moral life rather than disciplines designed to control the body and feelings

Sites of Violence, Sites of Grace Cynthia Hess, 2008-12-16 Cynthia Hess offers a thoughtful reconstruction of Christian nonviolence through an examination of both theological and theoretical works She shows how contemporary understandings of violence and the human person challenge traditional views of nonviolence as pacifism and the refusal of military violence Hess begins with an analysis of the extensive writings on nonviolence by John Howard Yoder one of the foremost twentieth century thinkers on this subject She then seeks to deepen his view by probing the insights of trauma scholars who explore the powerful and lasting effects of traumatic violence on individuals and communities These scholars often maintain that many survivors continue to hold the reality of traumatic violence within their bodies and minds so that it becomes part of them as they move through time In light of this claim Hess argues that Christian nonviolence must move beyond pacifism to directly address the problem of internalized violence In conversation with resources in Yoder's work as well as feminist theory and trauma studies she analyzes an often overlooked dimension of religious nonviolence the creation of communities in which traumatized persons can survive and flourish With its highly interdisciplinary character this book

presents a fresh perspective on Christian nonviolence that not only challenges traditional views but also reclaims the centrality of nonviolence for contemporary Christian theology and practice *God and the Victim* Jennifer Erin Beste, 2007-09-28 Christian tradition holds that an individual's ability to respond to God's grace to love both God and neighbor is not wholly vulnerable to earthly contingencies such as victimization Today however trauma theory insists that situations of overwhelming violence can permanently damage a person's capacity for responsive agency For Christians this theory raises the very troubling possibility that humans can inflict ultimate harm on each other such that some individuals' eternal destiny can be determined not by themselves but by those who do great harm Jennifer Beste addresses the challenges that contemporary trauma theory and feminist theory pose to deeply held theological convictions about human freedom and divine grace Do our longstanding widespread beliefs regarding one's access to God's grace remain credible in light of recent social scientific research on the effects of interpersonal injury With an eye toward the concrete experiences of trauma survivors Beste carefully considers the possibility that one can be victimized in such a way that his or her receptiveness to God's grace is severely diminished or even destroyed Drawing on insights present in feminist and trauma theory Beste articulates a revised Rahnerian theology of freedom and grace responsive to trauma survivors in need of healing Her thinking is characterized by two interconnected claims that human freedom to respond to God's grace can in fact be destroyed by severe interpersonal harm and that God's love can be mediated at least in part through loving interpersonal relations Offering crucial insights that lead to a more adequate understanding of the relation between God's grace and human freedom Beste's important theory reconfigures our visions of God and humanity and alters our perceptions of what it means to truly love one's neighbor **Female Genital Mutilation in Africa** Daniel Njoroge Karanja, 2003-06 *Traumatic Pasts* Mark S.

Micale, Paul Lerner, 2001-09-04 *Traumatic Pasts* originally published in 2001 offers a variety of perspectives on mental trauma in war medicine culture and society in modern European and American history Its primary goals are to provide a generous sampling of the best of the historical scholarship about trauma to indicate the empirical analytical and methodological scope of this work and to present some of the conceptual and methodological issues inherent in writing about the subject The book operates on the premise that the historical humanities have something crucially important to say about trauma its essays may be read in part as attempts to introduce a deep historical dimension into ongoing debates and controversies However it is important to stress that these essays are not simply addressed the concerns rather they reflect a shared conviction that trauma opens up fresh perspectives in the study of social and cultural history **Pilgrim's**

Wilderness Tom Kizzia, 2013-07-16 Into the Wild meets Helter Skelter in this riveting true story of a modern day homesteading family in the deepest reaches of the Alaskan wilderness and of the chilling secrets of its maniacal spellbinding patriarch When Papa Pilgrim his wife and their fifteen children appeared in the Alaska frontier outpost of McCarthy their new neighbors saw them as a shining example of the homespun Christian ideal But behind the family's proud piety and

beautiful old timey music lay Pilgrim s dark past his strange connection to the Kennedy assassination and a trail of chaos and anguish that followed him from Dallas and New Mexico Pilgrim soon sparked a tense confrontation with the National Park Service fiercely dividing the community over where a citizen s rights end and the government s power begins As the battle grew more intense the turmoil in his brood made it increasingly difficult to tell whether his children were messianic followers or hostages in desperate need of rescue In this powerful piece of Americana written with uncommon grace and high drama veteran Alaska journalist Tom Kizzia uses his unparalleled access to capture an era defining clash between environmentalists and pioneers ignited by a mesmerizing sociopath who held a town and a family captive *Chronicling Trauma* Doug

Underwood,2011-09-01 To attract readers journalists have long trafficked in the causes of trauma crime violence warfare as well as psychological profiling of deviance and aberrational personalities Novelists in turn have explored these same subjects in developing their characters and by borrowing from their own traumatic life stories to shape the themes and psychological terrain of their fiction In this book Doug Underwood offers a conceptual and historical framework for comprehending the impact of trauma and violence in the careers and the writings of important journalist literary figures in the United States and British Isles from the early 1700s to today Grounded in the latest research in the fields of trauma studies literary biography and the history of journalism this study draws upon the lively and sometimes breathtaking accounts of popular writers such as Charles Dickens Ernest Hemingway Dorothy Parker Graham Greene and Truman Capote exploring the role that trauma has played in shaping their literary works Underwood notes that the influence of traumatic experience upon journalistic literature is being reshaped by a number of factors including news media trends the advance of the Internet the changing nature of the journalism profession the proliferation of psychoactive drugs and journalists greater self awareness of the impact of trauma in their work The most extensive scholarly examination of the role that trauma has played in the shaping of our journalistic and literary heritage *Chronicling Trauma Journalists and Writers on Violence and Loss* discusses more than a hundred writers whose works have won them fame even at the price of their health their families and their lives **The**

The Religion of Thinness Michelle M. Lelwica,2009-12-01 With so many women approaching their diets body image and pursuit of a slender figure with slavish devotion The Religion of Thinness is a timely addition to the discussion of our cultural obsession with weight loss At the heart of this obsession is the belief that in order to be happy one must be slim and the attendant myths rituals images and moral codes can leave some women with severe emotional damage Idealized images in the media inspire devotees of this religion to experience guilt for behaviors that are biologically normal and necessary and Lelwica offers two ways to combat this dangerous cultural message Advising readers to look hard at the societal cues that cause them to obsess about their weight and to remain mindful about their actions and needs this book will not only help stop the cycle of guilt and shame associated with food it will help readers to grow and accept their bodies as they are
