Martin, Reverend, 2017-06-21 Improve your health and well being Remove the problems from your life Increase the power of your faith In life day to day problems come to us all but if our faith is weak even small problems can guickly grow to appear bigger than they really are Doubt and worry are the most destructive forms of fear they can cloud our vision blinding us from the truth A mountain of doubt can cripple your life Like a rabbit in headlights you close your eyes and freeze hoping the problem will go away when you have opened them When it remains you can be left dazed and confused not knowing what way to turn All rational thought goes out the window In a panic to get things back to the way they were you can make all the wrong decisions No one likes change but it is much easier when you come from a place of strength when it originates from a place of faith and not fear Faith is like a muscle like any muscle it needs to be consistently exercised to have maximum power When all is going smoothly our faith can be easily neglected although this is the time that we must use to maintain its strength If you were asked to run a marathon tomorrow unless you had put in the training you might not even reach the half way point How then can you expect to have the faith to remove the problems from your life if you do not first develop a level of faith that can do so Faith is something that needs constant attention or thoughts of doubt will set in In this book I will share with you methods to increase your faith and keep it at its highest level so you are prepared for any problem or difficulty that may arise When you nurture your faith you will begin to see your life change in unusual ways Things that once held you back will soon fade away A simple change of perspective can make a mountain become level ground Change your life today increase the power within Faith Can Move Mountains G. A,2021-09-21 Faith based journal The Faith That Moves **Mountains** Arisnel Mesidor, 2017-08-21 The Faith That Moves Mountains How to Have It How to Use It and How to Protect It is a Christian nonfiction book consisting of a theological reflection on Mark 11 2025 If you feel like you have a huge and intimidating mountain standing in front of you if you feel like a huge wall prevents you from entering into your promised land if you are currently facing a situation where you feel blocked from realizing your full potential and fulfilling your God given destiny this book is written for you The purpose of the book is to reassure you that God has not forgotten you even if it feels like so at times That you have found yourself in precarious situations at one point or another in your life is not a result of Gods indifference toward you This book reminds you that even before God brought you into this world he made provisions in order for you to be able to deal with such circumstances You must never lose sight of the fact that God loves you and his plan is not for the mountains of life to remain in your way forever without you being able to do something about it In this book I

will teach you about the nature of the faith that moves mountains I will try to explain the nature of that faithhow to have it how to use it and how to protect it I want you to realize that you dont always have to put up with things that prevent you from moving forward in your life and toward your God given destiny I encourage you to keep this in mind not knowing whether or not something negative is happening to you is part of how God is working in your life You need to pray and make your desire known to God As Gods servant you never need to hide your frustration from him and shy away from letting the one who loves you know what you need My prayer is that after realizing how powerful faith in God is you may put yours into good use God did not put us in this world without carefully equipping us for every challenge we would face God has not created us either as simple tools he can use whenever or for whatever he wants Rather God has made us acting beings able to do thingsand in fact the things which he himself does God created us in his image and has made us his associates in looking after everything he created Discover the power of faith in God and triumph over the mountains of life Move Mountains Ken McGee, 2005-05 A very uplifting inspiring look at the power of God and the importance of having faith even in light of adversity Story after story is shared of miracles which have occurred both in Ken and his wife s lives as well as many people who have they encountered in their ministry throughout the years This book is a biography of sorts in that it chronicles Ken's and then later Ken and Gretnia's journey through the ups and downs of ministry It covers Ken's heritage all of the churches he and Gretnia have pastored all of the years they were on the evangelistic field and even includes text written by their children Kenneth and Tammy which serves to further personalize the experiences shared by Ken and his family in their years of ministry together Faith that Moves Mountains and Smashes Strongholds Russell G.
