Jette,2019-05-01 Many Christians lack understanding of faith s journey how God s soldiers are armored and how to be prepared for spiritual warfare Little knowledge in this area makes many go into battle unprepared and they lose fight after fight God s soldiers are doing spiritual warfare with natural fleshly means which causes them to be beaten and confused and as Job they sit believing that God has forsaken them This book is not a repeat of Storms Are Faith s Workout Preparing Christians for Spiritual Ambush It will build upon the truths in that book to help strengthen God s soldiers to go to battle dressed in the full armor of God There are no shortcuts to overcoming in this life and many obstacles must be faced In the pages of this book God s soldiers will gain the understanding of how faith works and the necessity for God s armor in facing whatever obstacle the devil has put in their path When the book is finished God s soldiers will have confidence in God and in his armor They will be emboldened to stand firm confront any obstacle and overcome it by faith      **Storms Are**

**Faith's Workout** R. C. Jette,2018-10-04 Are you struggling with the storms of this life Do you feel overwhelmed with the constant onslaught This book is your help to withstand the ambushes of an enemy that wants you to give up your faith At seventy one years of age my life has endured the onslaught of many storms trials of my faith and through them I have gained insight as to how to overcome This book uses scriptural and personal examples I use a sound biblical foundation to build the chapters Only the word of God can teach the truth that is needed in this trying and overwhelming time that we live in The faith of many Christians is being attacked and they do not know how to rise above This book is compiled as a result of enduring the attacks that have been directed at me by a cunning and crafty enemy It is through the storms assailed against me that I have learned how to surmount the ambushes It is my prayer that my years of endurance will teach others how to do likewise It will take an effort on their part to read the book to the end but they should come away with an understanding of
