Faith For Earths Final Hour:

Faith for Earth's Final Hour Hal Lindsey, 2003-07-01 **Earth's Final Hour** Ed Hindson, 1999-08-15 Some people say that the last days are upon us right now Others say the end times are in the distant future Who is right Is it possible to know If you re wondering what you can know for certain about the timetable of last days events you ll find answers in this book Can I still believe in the soon return of Christ Why have so many people miscalculated the second coming How can Christ s return be imminent if there are still unfulfilled prophecies This balanced look at the unfolding of Bible prophecy in a wildly chaotic world will help you sort fact from fiction Learn how to avoid excessive speculation and receive hope inspiration and a very clear picture of what God has revealed for about the last days **Wild Faith** Talia Lavin, 2024-10-15 The Christian right has been threatening American plurality for decades and its influence is on the rise In Wild Faith Talia Lavin thoroughly chronicles how this reactionary force is spreading through the US political system and sounds a clear alarm Christian nationalism is a growing danger to democracy To fully understand the peril at hand you must read this book which is both an investigative triumph and a warning David Corn author of 1 New York Times bestseller Russian Roulette and American Psychosis An investigation into the rise of the Christian Right over the last half century that lays out the grim vision evangelicals are enforcing on our democracy All across America a storm is gathering from book bans in school libraries to anti trans laws in state legislatures firebombings of abortion clinics and protests against gay rights The Christian Right a cunning political force in America for more than half a century has never been more powerful than it is right now it propelled Donald Trump to power and it won t stop until it s refashioned America in its own image In Wild Faith critically acclaimed author Talia Lavin goes deep into what motivates the Christian Right from its segregationist past to a future riddled with apocalyptic ideology Using primary sources and firsthand accounts Lavin introduces you to deliverance ministers who carry out exorcisms by the hundreds modern day self proclaimed prophets and apostles Christian militias cults zealots and showmen and the people in power who are aiding them to achieve their goals Along the way she explores anti abortion terrorists the Christian Patriarchy movement with its desire to place all women under absolute male control the twisted theology that leads to rampant child abuse and the ways conspiracy theorists and extremist Christians influence each other to mutual political benefit From school boards to the Supreme Court Christian theocracy is ascendant in America and only through exploring its motivations and impacts can we understand the crisis we face In Wild Faith Lavin fearlessly confronts whether our democracy can survive an organized fervent theocratic movement one that seeks to impose its religious beliefs on American citizens **Prophecy in the New Millennium** Suzanne Newcombe, Sarah Harvey, 2016-04-15 Secular and spiritual prophets of doom abound in the information rich twenty first century as they have for millennia But there has yet to be worldwide floods meteor impact global computer failure obvious alien contact or direct intervention from God to end the world as we know it Considering the frequency with which prophecy apparently fails why do prophecies continue to be made

and what social functions do they serve This volume gives a concise but comprehensive overview of the rich diversity of prophecy its role in major world religions as well as in new religions and alternative spiritualities its social dynamics and its impact on individuals lives Academic analyses are complimented with contextualized primary source testimonies of those who live and have lived within a prophetic framework The book argues that the key to understanding the more dramatic apocalyptic and millenarian aspects of prophecy is in appreciating prophecy s more mundane manifestations and its role in providing meaning and motivation in everyday life

One Day Closer John M. Burling, 2015-05-06 What are we one day closer to Everything that will happen in the future Christians and particularly students of Biblical prophecy understand that everybody is one day closer to the second coming of our Lord Jesus Christ With the downward direction of our country and current disturbing world events and trends the probability of moving closer to the second coming is increasing That is not to say the date is known Only the Father knows the date One Day Closer cites biblical quotes history and political events showing how and why the downward direction occurred and world events are unfolding as they are It also includes end event prophecy details

In the Twinkling of His Eye Peachey, 2014-05 LARGE PRINT EDITION The Bible says in I Thessalonians 5:3 KJV For when they shall say peace and safety then sudden destruction cometh upon them as travail upon a woman with child and they shall not escape As people are going about their daily lives a suddenly event will take place that will engulf and cause great sorrow for the human race An event never dreamed of will strike One day you will open the door and everything will end changing you for all time You will be stepping into the future as your past will be gone The Holy Spirit gave me a vision of a coming event that will transform all of mankind To prepare me for this future event I experienced an encounter with God at the age of sixteen This was not something a person would seek out or plan to happen but the Lord God Almighty came into my room one night and fear and respect for him entered into my being

What Manner of Man Is This? John W. Hawkins, 2009-04-15 Who was Jesus Was he just a Jew who lived 2000 years ago Was he God incarnate Was he the Messiah a teacher a healer a miracle worker or a world savior He was all of these things depending on what source you are using to define him This book tells us about Jesus perhaps the greatest man who ever lived among us through a number of different and often differing sources 1 The Holy Bible both Old and New Testaments 2 modern scholars and historians who make frequent use of documents not discovered until the middle of the last century 3 from the stories of people who knew him uncovered through the agency of past life regressions and 4 from two well known twentieth century psychics Edgar Cayce and Levi Dowling who obtained their information from what they called the akashic records To supplement the material quoted herein footnotes are provided that list the author and publisher of more than sixty books used in doing research for this book

Three Perspectives Steven H. Propp, 2009-12 You re Jewish aren t you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish

parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the author s earlier book *Beyond Heaven and Earth* in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world

events *The Martyrdom of St. Peter and St. Paul* George Burgess,1834 *End-Time Events* Randall Cobb,2025-01-07 As I visit different congregations I find that 98 percent of them do not teach the truth when it comes to the end times I happen to believe that everyone needs to know the truth when it comes to end time events so they know what to look for such as falling away the tribulation period and the final judgment The Bible clearly instructs us to be vigilant I have covered all the events leading up to the return of Christ But it also teaches that no one can say for certain that we are living in the end times This is at best a debatable proposition Jesus himself repeatedly said that no one knows or can know the day or hour of his return Matthew 24 36 Mark 13 32 Acts 1 7 To be sure we are surrounded by events and developments that could be interpreted as signs of the end On every corner we see famines earthquakes disasters troubles persecutions wars and rumors of wars Mark 13 7 9 But has there ever been a period in the history of the world when this was not the case Attack of the New B Movies Justin Wigard,Mitch Ploskonka,2023-04-14 Since its inception in 1992 the Sci Fi Channel later rebranded as SYFY has aired more than 500 network produced or commissioned films Campy and prolific the network churned out one low budget film after another finally finding its zenith in the 2013 release of Sharknado With unpretentious charm and a hearty helping of commodified nostalgia the Sharknado franchise briefly ruled the cultural consciousness and temporarily transformed SYFY s original films from cult fringe to appointment television Naturally the network followed up with a steady stream of sequels and spin offs including Lavalantula and its sequel 2 Lava 2 Lantula This collection of essays is the first to devote critical attention to SYFY s original film canon both pre and post Sharknado In addition to unpacking the cultural historical and critical underpinnings of the monsters at the heart of SYFY s classic creature features the contributors offer a variety of approaches to understanding and interrogating these films within the broader contexts of ecocriticism monster theory post 9 11 criticism and neocolonialism Providing a further entry point for future scholarship an appendix details a thorough filmography of SYFY s original films from 1992 to 2022 *Finding God in Scripture* John Bertone,2016-09-01 Why should I read the Bible Isn t it just a lifeless and detached piece of history an ancient relic You may have heard people ask these questions or even asked them yourself This book will help you find the answers to understanding the Bible in a twenty first century context We have progressed as a civilization there is no doubt The advances in computer technology communication and science have improved the quality of our lives But fundamentally at the core the desires and motivations of humans remain the same and it is to this that the Bible speaks most clearly However interpreting the Bible requires intellectual curiosity commitment and a desire to discover truth Finding God In Scripture will equip you to better understand the nature of the Bible s message and the dynamics of how to interpret it For example just like today s modern writers biblical authors used various literary techniques such as the complexities associated with plot and characterization in narrative or the use of poetry evoking emotions These literary techniques were intended to convey God s message and involvement in the world Finding God In Scripture will show you that there is more to the Bible than the communication of historical information there

is a reality a truth that can transform your life
