Evans, 2015-01-16 The Abundant Truth Devotional Series was developed to assist the Christian in personal devotion meditation and prayer The Pathway to Purpose Devotional comprises of 30 daily devotions developed from various scriptures This devotional series is designed to give Christians faith and hope as they strive to fulfill their God given purpose In the end the walk and life of the Christian today will be enhanced Volume 2 of 3 Journey of Faith for Ordinary Time Mary Shrader, 2006-03 This book will be your companion as you journey through the season of Ordinary Time It will help you understand Jesus s life from his entry into this world to his entry into Jerusalem Back cover Faith for the Curious Mark Matlock, 2024-09-24 It may surprise you to know that the majority of non Christians are not hostile to the faith or looking for a fight In fact most are open and even curious about spiritual matters Yet evangelism training and apologetic resources are often geared toward knowing what to say to hardcore atheists and evolutionists who make up less than 10 percent of the unchurched population If you re ready to have respectful and fruitful spiritual conversations with your spiritually curious friends neighbors and family members Mark Matlock offers this research based approach He shows you how to create a church culture that is open to spiritual exploration and discovery help foster meaningful connections to Jesus and his Church start spiritual conversations and break through common communication barriers bridge the gap between traditional Christianity and the modern spiritual climate and much more Recovering Historical Christology for Today's Church Marvin Jones, 2019-02-20 This book explains the basic tenets of Christology that a college student would encounter in a basic Christology class The book is written in three different sections The first section focuses upon primary Christological passages which include a limited survey of Christology in the New Testament The second section reviews the Christological Councils limited to the first four ecumenical councils i e Nicea Constantinople Ephesus and Chalcedon The third section deals with the application of Christology correlating the biblical witness with the councils preaching Christology to a contemporary church and summarizing the Christological content for the contemporary church The book is a textbook for an introductory Christology class As such it will meet the needs of professors who are trying to find an introductory work that surveys the many aspects of teaching Christology It will also be a valuable tool for pastors as an easy to read reference for sermon building and Sunday school lessons and youth directors as an accessible tool to teach basic foundational Christological truths to their youth group The One Year Praying in Faith Devotional Chris Tiegreen, 2021-11-09 The faith journey can be hard but it doesn t have to be Abraham Joseph David Paul and even Jesus himself all heroes of the faith who experienced both the soaring grace of answered prayers and crushing sorrow when God seemed unwilling to respond or too far away to hear And yet even in the darkest times God was working writing an unseen story of redemption that would save the world When we pray how do we see beyond the immediate and into the eternal How do we know when to keep praying and when to give up

when to consider something a promise from God and when to recognize that it was from our own imagination Why does silence from God rarely mean no and almost always mean come closer The One Year Praying in Faith Devotional answers these questions and many more taking you through a 365 day journey that will help you experience a prayerful relationship The A to Z of the Seventh-Day Adventists Gary Land, 2009-07-29 Covering the Millerite with God like never before movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861 63 this volume provides a comprehensive history of the denomination The first major element of the book is a chronology of Adventist history that begins with William Miller's conclusion in 1818 that the Second Advent of Jesus would occur about 1843 and extends through the Science and Theology Conferences of 2002 04 The interpretive introduction that follows places the emergence of Adventism within the context of the Second Great Awakening describes the development of sabbatarian Adventism from its early opposition to church organization to its highly institutionalized and bureaucratically structured contemporary form and examines the denomination s geographical expansion from a small North American sect to a global church The dictionary entries that constitute the bulk of the volume address individuals organizations institutions and doctrines that have been important in the history of the church including dissident movements and individuals who have emerged as critics of the denomination and its beliefs Second there are entries on the development and current situation of Adventism in many individual countries Finally thematic entries on such subjects as art music literature health care and women address other elements important to understanding church life The dictionary entries are followed by a bibliography of scholarly and popular works published by the denomination commercial and academic presses and individuals and organizations 365 Reflections for Today's World Donald R Greathouse, 2024-11-01 Some say life isn t what it used to be and so it may seem But it is what we have been given Once people were created to be loved and things were created to be used However in today s world it seems that it has been reversed because it now feels like people are being used and things are being loved And just as regrettable as we grow older people and their individual differences will widen and we will begin to realize that once when we thought we had a lot of friends well now we realize that instead we just knew a lot of people We need to work harder to see the light of truth more clearly Simple words thoughts or deeds presented in a caring way at the appropriate time can influence change not only in someone else's life but also in yours God realizes His followers will see this light and know how to cope with any difficulty they may face Pray for a positive spiritual change and know that God is in complete control Be a child of God not of deceit and torment With spiritual truth all things are better Perhaps and hopefully this book will help you find a new truth with a more purposeful meaning for each and every day And as John Lennon once said Everything will be alright in the end and if it s not alright then it s not the end Leader's Guide for Journey of Faith for Ordinary Time Mary Shrader, Jenni Vankat, 2006 Has nine sessions and a retreat experience to help young people enter fully into the expectation and the joy of the Ordinary
