Faith Fortitude And Fear:

Faith, Fortitude And Fear Hooshang Meshkinpour, M.d., On Demand Publishing, 2005-07-08 Faith Fortitude and Fear looks upon the Jewish history through reason adhering to the principal premise that Jewish history like the history of others is deeply influenced by the ever changing social forces and indeed is not a predetermined divine drama The prominent feature of the book is its balanced objective and impartial analysis of the Jewish history The book has been structured to attract both Jewish and non Jewish readers Thomas Aquinas on Faith, Hope, and Love Christopher Kaczor, 2020-10-30 Thomas Aquinas on Faith Hope and Love is designed to make as easy as possible a first reading of key passages from the Summa theologiae This book contains selections from the Summa that are most influential most important or likely to be most interesting to the contemporary reader The text of the Summa itself is edited and arranged for beginners Each article begins with Thomas s answers to the question at hand and then goes to the first objection followed by the reply to the first objection the second objection and its reply and so on This arrangement provides a greater accessibility and ease in following the argument Below the text copious footnotes illuminate the text as a professor in the classroom might Some notes provide historical background to figures that Thomas presupposes his reader will know such as Gratian Dionysius and Lombard Other notes offer doctrinal summaries of other parts of the Summa that illuminate what Thomas says about faith hope or love Thomas had an enormous influence on theologians Church councils and popes after his time so some footnotes examine this influence Thomas drew heavily on sources of wisdom before him so other footnotes summarize the teachings of earlier authors such as Aristotle and Augustine This book also contains introductory essays on the Summa on faith on hope and on love which provide an overview to situate the reader and place treatment of the theological virtues in its larger context of the Summa For those who have never read Thomas Aquinas on faith hope and love and for those who teach them this book provides ready access to the wisdom of the Angelic doctor **Film and Faith** Carson Holloway, Micah Watson, 2023-11-21 Film and Faith Modern Cinema and the Struggle to Believe explores religious themes in contemporary film with a focus on recent depictions of religion s continuing manifestations in a secularizing age The contributors are students of philosophy political theory and theology examine religious and philosophical ideas in commercially and artistically important modern films They offer a scholarly yet accessible considerations of contemporary films exploring the problem of faith in the modern world The approach is balanced sympathetic but not uncritical reflecting a complexity in the minds of the contributors themselves While they are religious believers nonetheless established scholars trained in mainstream academic disciplines The chapters cover cinema that are important in different ways and that represent different genres from the art films of Terrence Malick to the more conventional but serious dramas of the Coen brothers and Frank Capra to popular action blockbusters like the Dark Knight and the Marvel films Drawing on these cinematic works the authors explore religious themes that remain salient even in a time when religion seems to be in decline themes such as sin and judgment the
