## **Faith In Jesus Christ:**

Faith in Jesus Edwin Aaron Ediger, 2012-10-11 What is the biblical gospel Do the scriptures give us a clear picture of what God requires or doesn't for salvation There is only one way to obtain salvation and the language context and logic of all of the Bible's authors demonstrate precisely what the authentic gospel message is The gospel must be clearly understood in order to tell others the good news of salvation Some have either added to or subtracted from the gospel thereby rendering it confusing misleading or ineffective The Word of God emphasizes the one true way of salvation from cover to cover No Bible student pastor teacher or Christian leader should be without this careful incisive and revealing analysis of the precision and clarity of the biblical language that unfolds the good news about Jesus Christ The reader is invited on a biblical journey with the original writers as they identify Jesus who gives eternal life to those who put their trust in Him **Why I Believe in**

Michael F. Bird, Preston M. Sprinkle, 2009 The Faith of Jesus Christ represents an attempt to grapple with one of the most perplexing problems in Pauline studies namely that of the phrase *pistis christou* Issues of considerable theological import hinge on how we interpret it does it mean faith in Christ or the faithfulness of Christ The topic is now well rehearsed in contemporary scholarship and this volume sheds new light on the question by presenting rigorous exegetical studies from both sides of the debate It also brings creative new proposals to bear on the problem and orients the discussion in the wider spectrum of historical biblical and systematic theology The Faith of Jesus Christ represents the most penetrating and comprehensive attempt to date to grapple with the significance of Jesus faithfulness and obedience for Christian salvation and the extent to which it is represented in key biblical texts Book jacket **Why I Believe in Jesus Christ** Shailer
