Faith It Dont Fake It

Carolyn Williford, Craig Williford

Faith It Dont Fake It:

Reckless Faith Beth Guckenberger, 2008-09-23 When Beth and her husband Todd took a missions trip to Mexico thirteen years ago they just thought it was an opportunity to do a little good with their summer vacation But they couldn't forget a chance encounter with a forgotten orphanage couldn't forget that transcendent feeling of having participated in something truly profound and like addicts they wanted that feeling again A year later they moved to Monterrey Mexico Some might call that reckless In the years that follow Beth and Todd establish a ministry that helps orphans the poorest most defenseless members of a needy populace And while the stories here are drawn from those experiences this book isn't a memoir It's about living with faith with the certainty that God will show up exactly where and exactly when He's needed Beth calls it a reckless faith a willingness to trust even when you don't understand And her book an inspiring collection of true stories about real people who when faced with real challenges chose to trust God is a call to every reader to live with Reckless Faith

Finding Faith---A Search for What Is Real Brian D. McLaren, 2009-07-13 There have been times when you've felt that if there isn't a God there ought to be Swept up in the mystery of the night sky you've felt the closeness of its designer Nature's extravagant diversity unfolding in living color has made you long to know the artist who dreamed it all up Imagine what that might be like to actually know God in a way that fills your heart and whispers tremendous value and purpose to something deep within you But how can you experience a being you're not even sure exists Religious jargon and games can't satisfy such a longing It's got to be real or nothing at all A Search for What Is Real helps you sort through the questions objections and concerns that arise when you consider God not as some theological abstraction but as someone you can actually connect with and want to connect with perhaps more than you know FINDING FAITH The Finding Faith books A Search for What Makes Sense and A Search for What Is Real don't try to tell you what to believe they are guides in learning how to believe If you think the spiritual journey requires turning your back on honesty and intellectual integrity these two companion volumes will speak to both your mind and your soul

Summary of Faith Jenkins's Sis, Don't Settle Everest Media,2022-04-26T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The media constantly sends the message to single women that it is

unacceptable to not be married by a certain age It s exhausting to hear about so many relationships that failed because someone felt pressured and made poor decisions based on an artificial timeline 2 I have never desired a love that felt like crossing something off a list I m a small town girl who has always dreamed big and it never sat right with me that I might be expected to sacrifice quality for speed I wanted a love as deep as the ocean and as strong as Gorilla Glue with nothing but room to keep growing 3 The Rules say that after a few dates with a man you should start thinking about marriage But for me it was all about Kevin I spent hours on the phone with my girlfriends gushing about him I daydreamed about him at work I found a good hairstylist in New York and made sure to see her weekly so that I d always look good just in case he called for the next date 4 I met with an attorney named Brian who seemed nice enough We dated for four months and in the end his insecurities and his need for female adulation were too much for me I ended it after four months of these philosophies being revealed

Of the Protestant Faith* Todd D. Utey, 2014-02-18 For many generations modern Christians have sat in church week after week while ministers pound the pulpits telling them what horrible sinners they are In many cases doctrines have been handed down from parents to children professor to student and pastor to assistant with little or no study of the scriptures on a personal basis It should come as no surprise that we are missing some important pieces If you are ready for real growth then you should read the Bible for yourself and find out what it says to you first hand Reading this book may help you along the way In this book we will explore provocative truths that you may not have considered before We will look at topics the average minister will rarely if ever speak of We will discuss things that the protestant church simply cannot accept in spite of it being right in front of them in black and white and even in red and white We will also look at a few scientific discoveries that support the word and spark our imaginations Christ came to set us free from the bondage of the old law and bring salvation yet many churches today are riddled with legalism bickering envy hate all the things that contradict what Christ came to promote that being love and forgiveness Christ himself said that he came into the world not to condemn it but instead to save it and to give each person eternal life Plain Truth is a fresh look at some of the most interesting scriptures on the most controversial subjects I have shared it with the world in an effort to promote the Kingdom of God along with peace and personal growth for those that seek it I hope you enjoy reading this book as much as I have

greatest collision taking place in that country the clash between the rise of the individual and the Communist Party's struggle to retain control He asks probing questions Why does a government with more success lifting people from poverty than any civilization in history choose to put strict restraints on freedom of expression Why do millions of young Chinese professionals fluent in English and devoted to Western pop culture consider themselves angry youth dedicated to resisting the West's influence How are Chinese from all strata finding meaning after two decades of the relentless pursuit of wealth Writing with great narrative verve and a keen sense of irony Osnos follows the moving stories of everyday people and reveals life in the new China to be a battleground between aspiration and authoritarianism in which only one can prevail An Economist Best Book of 2014 Winner of the bronze medal for the Council on Foreign Relations 2015 Arthur Ross Book Award **I Walk By Faith, So Can You** Isaac Newton Corns ,2025-05-14 I Walk by Faith So Can You is a bold Spirit filled call to action for every believer to walk by faith not by sight just as Christ did It dismantles hesitation feelings based Christianity and passive belief systems replacing them with truth fire and identity rooted in the finished work of Jesus Each chapter declares that the same power authority and presence that fueled Christ's life now lives in every believer You will be equipped to speak boldly heal fearlessly disciple others move mountains confront the impossible and go into the world today before the sun sets knowing you carry Christ and the full reality of heaven inside you This is not a suggestion it's your new normal You walk by faith and so can anyone who believes **A Word to Sinners, and a word to saints, etc** Thomas GOUGE,1677 **A Practical Discourse of Regeneration** Thomas Gouge,1718
