Good Faith Hunting Henry Stewart, 2012-12-18 Church attendance in the United States and other Western nations is rapidly declining and the losses are not solely because young people don't like church Baby boomers are also leaving frequently because the church leadership assumes a believer's faith and how it plays out is constant over a lifetime Boomers are a transition generation undergoing profound faith journeys as they transition through life's phases Many churches struggle to connect with people on a journey because the corporate modernist mindset doesn't have room for changes and journey Good Faith Hunting is a book of hope for church leaders and major influencers who want to celebrate the faith journeys of baby boomers and others through life allegiance and experience as an opportunity to show the love of Christ as they sojourn alongside people in their community

Faith Envy Hermen Kroesbergen, 2021-06-24 From time to time both believers and nonbelievers envy those with more faith In this book Hermen Kroesbergen coins the concept of faith envy as an angle to investigate faith and religious language and provide a new direction for the philosophy of religion For far too long the philosophy of religion has focused on statements of faith concerning superempirical powers forgetting that if they would ever be able to prove these statements they cease to be religious Kroesbergen explores the possibility of using the angle of faith envy for a much needed alternative approach using the philosophers S ren Kierkegaard Ludwig Wittgenstein and Simone Weil as guides Their lives and works have often been studied for what they have to say about religious beliefs here however the focus is on what they have to say about the faith they envy Our own faith envy and Kierkegaard Wittgenstein and Weil's struggle to make sense of it provides a deeper insight into what faith is and could be This book is a timely and provocative intervention in a philosophy of religion that has reached a dead end and a society that is deeply troubled about faith but envies it nonetheless

Through the Lens of Faith Elizabeth Danna, 2022-07-14 There

Diotte, **Remnant Christianity in a Post-Christian World** W. Paul Jones, 2021-11-03 The contemporary Christian church is in critical decline both in membership and finances All attempts at reversal are failing primarily because of the consuming socioeconomic secular dynamic in which society is immersed in its self destructive course Consequently Christian imagery is losing its conceivability and credibility and past motivations that once encouraged belief have lost their appeal Without these as points of contact the demise of the institutional church will be relentless despite all efforts to halt it Yet as at other crisis points in history the divine promise has been to raise a faithful remnant with sufficient promise to outlast whatever the societal demise After carefully analyzing the ingredients of our societal crisis the author develops the contours of a Remnant Church to be set in place now within the present institutional churches This necessitates distilling a vital spirituality and discerning the heart of a preservable tradition sufficient to claim both personal and communal commitment Thereby prepared for the long haul the Remnant Church can emerge as a prophetic alternative **80s Chart-Toppers** Sharon Davis, 2012-01-06 The 80s were a decade of musical change As the 70s disco stranglehold was broken rock gay dance and pop music competed with funk and soul romantic ballads and political protest computerised music and controversy The glamour of costume greasypaint and

Faith, Hope, and Love in the Kingdom of God Robert Hernan Cubillos, 2017-04-27 We live in a world full of challenges The three graces can almost be seen as motors for Christian life in today s world but the words faith hope and love have so many everyday uses that their technical theological meanings are for many difficult to appreciate Modern life also leaves many yearning for authenticity and meaning Many religions have answered that need by calling to mind the image of a path Always profound progressions religious paths tend to be motivated either by practices the act of walking the path or focal points Christianity has a focal point an object and it sees the three graces as distinctively content filled The heart of this book is about helping people find the Christian path and their intellectual emotional and spiritual balance an equilibrium that is sustained by a strong personal faith an enduring hope for the future and genuine love that will withstand the worst of times It contributes to the category of Christian literature that provides a pattern for Christian living without surrendering the intellect to the more popular side of this genre

Understanding Faith Stephen R.L. Clark, 2011-12-12 Militant atheists often mirror the worst kind of ignorance and hostility that they condemn in traditional believers Writing both as a philosopher and an Anglican Christian Professor Clark explores this initial perception considering such topics as the alleged openness of scientists compared with the dogmatism of believers the difficulty of reading scripture outside the community of faith that has selected and elaborated it the problems of moral realism and the problem with abandoning it why Darwinian and neo Darwinian Theory has been unpopular with some believers and what if anything can still be affirmed from it what can be learnt from modern biology especially about our relations with other creatures the nature of God the metaphor of waking up as applied to our hopes of heaven the varieties of possible world orders founded on differing religious schemata including some atheistical ones and the place of religion in the State He concludes appropriately with some remarks about the End

Holding Faith Prof. Cynthia L. Rigby, 2018-04-17 Martin Luther wrote Faith takes hold of Christ and has Him present enclosing Him as a ring encloses a gem We hold faith as we seek to know Christ better exploring Christian doctrines and deepening our understanding of their relevance to our day to day lives Faith holds us as we respond to Christ s calling

negotiate life's challenges and join in the work of bringing in God's kingdom. This introduction to Christian theology shows how various understandings of particular doctrines play out in relation to the way we live our lives. It explores the content of core Christian doctrines and celebrates the so what of each. Using theological literature and Scripture but also current events, sociology, fiction, and movies, Rigby shows that theology is key to how we come to understand and negotiate our world. Holding Faith contends that some approaches to Christian doctrine are preferable to others, making persuasive arguments for creative ways of believing that can enliven our lives and the life of the world. Theology has relevance because it can stymie or transform. How will we hold our faith? Cynthia Rigby has written an accessible and lucid book of theological reflection for today's believers, seekers, and doubters. This is no small feat. The book succeeds in the daunting challenges of presenting Christian theology with clarity and completeness, with commitment and generosity. It is an admirable text for theology students, pastors, and all those interested in understanding more deeply their faith and life. Leanne Van Dyk, President and Professor of Theology, Columbia Theological Seminary, Decatur, GA. This is an extraordinary book. Cynthia Rigby is a Reformed theologian, a minister, and a teacher. All of these gifts are evident in Holding Faith as Rigby offers an eloquent introduction to Christian theology that is academically rich, pastorally sensitive, and profoundly accessible. She does not make theology accessible by watering it down but rather by explaining it with compelling clarity. Holding Faith is perfect for seminarians, pastors, church groups, and curious souls for those who are new to Christianity and those who have been studying and living Christian faith their entire lives. It will be an enormous blessing to those who teach theology and those who preach the gospel. Shannon Craig Snell, Professor of Theology, Louisville Presbyterian Theological Seminary, Louisville, KY. Cindy Rigby's is a timely, necessary, and accessible voice in theological discourse, not only for those who together comprise Christendom but also for those who are curious enough about what Christian doctrines offer by way of challenge, critique, and comfort in our increasingly distracted, fractious world. Holding Faith is a prophetic, priestly, and pastoral defense of a faith tradition that historically contributed to this oppressive state of affairs yet undoubtedly remains rife with redemptive possibility for individuals, communities, nations, the cosmos. In its pages, Rigby provides church folks, people of other faiths, seminarians, and inquisitive nones with a thoughtful place to search out our private and corporate relationships to the God whom the doctrines signify, however imperfectly. JoAnne Marie Terrell, Associate Professor of Theology, Ethics, and the Arts, Chicago Theological Seminary. For those of us who teach theology, it's rare to find a text that is accessible to those with no previous exposure to theology while also introducing readers in deep and expansive ways to major doctrinal teachings. But Rigby has managed to accomplish both here. This is a profoundly personal and invitational approach to thinking theologically in ways that demonstrate the relevance of ancient teachings for our world today. And it is also a serious engagement with the biblical text, a vast array of historical and contemporary theological voices, poetry, literature, film, and more. This introduction to theology will empower readers to hold onto faith in new and exciting ways. Deanna A. Thompson, Professor of Religion at Hamline.

University St Paul MN THE LOSS OF FAITH Richard Gary Hallmark, 2025-08-13 The death of a child is devastating as those parents who have experienced such a loss can attest With dreams and hopes replaced with pain and anguish and happiness vanquished by heartache such a loss is the start of a journey no parent wants to make In The Loss Of Faith Richard Hallmark endures such a journey A journey where his faith trust and belief in God are tested challenged and all but destroyed almost from the moment of his child s death A journey where he asks the unanswerable seeks the unknowable and wrestles with the unwinnable A journey that begins the day his child died and continues until the day God restores him Yet in The Loss Of Faith is where Richard Hallmark comes to know that truly God loves him and has not abandoned him and that it is during the journey where God teaches restoration occurs lessons are learned and changes are made Richard Hallmark invites you to accompany him through The Loss of Faith as God leads you together But this is not a pleasant nor a happy journey It is a raw and brutal journey One of thoughts observations and prayers to God that are personal unrefined and sometimes severe A journey where nothing is held back and no apologies are made for not doing so as Richard searches for God **Faith and Science** Kenneth D.
