Eifler, 2025-10-15 How do Catholic university faculty attend to and support the prophetic imaginations of their students Among the treasures of the Catholic intellectual tradition two are especially vital for contemporary Catholic education the sacramental imagination and prophetic imagination A sacramental imagination as illuminated in this book's companion *Becoming Beholders* posits that God is made manifest in all the academic life But that reality of beauty and goodness must be held in tension with the prophetic imagination a worldview that is acutely attuned to injustices and looks with creative eyes towards a more peaceful and equitable world Composed of essays by faculty in Catholic higher education in various fields *Beneath the Roar and Tumult* addresses this tension with insight into practical strategies for attending to the prophetic imagination in the classroom In the classroom educators are called on to create spaces for their students to grapple with inequalities and to dream of an actionable way forward while cultivating a more wholistic vision of academic life in solidarity with the world outside of it *Beneath the Roar and Tumult* offers practical guidance for fostering inclusion and belonging in college classrooms to provide a space where the prophetic imagination is embraced

**The Serpent's Gift** Jeffrey J. Kripal, 2008-09-15 Because thou hast done this thou art cursed above all cattle and above every beast of the field With those words in Genesis God condemns the serpent for tempting Adam and Eve and the serpent has shouldered the blame ever since But how would the study of religion change if we looked at the Fall from the snake's point of view Would he appear as a bringer of wisdom more generous than the God who wishes to keep his creation ignorant Inspired by the early Gnostics who took that startling view Jeffrey J Kripal uses the serpent as a starting point for a groundbreaking reconsideration of religious studies and its methods In a series of related essays he moves beyond both rational and faith based approaches to religion exploring the erotics of the gospels and the sexualities of Jesus John and Mary Magdalene He considers Feuerbach's Gnosticism the untapped mystical potential of comparative religion and even the modern mythology of the X Men Ultimately The Serpent's Gift is a provocative call for a complete reorientation of religious studies aimed at a larger understanding of the world the self and the divine *Faith First*, 2000 [Faith First Kindergarten: Catechist Guide](#), 2001 *5 Minutes with the Psalms and the Wisdom Books* Lou DeFra, Ann Primus Berends, 2017-04-07 Continuing the tradition of 5 Minutes with Christ and 5 Minutes with the Saints this uplifting book of meditations by members of the Alliance for Catholic Education ACE at the University of Notre Dame draws on inspiration from the Psalms Proverbs and the books of Wisdom in the Bible These timeless insights of scripture can provide inspiration and encouragement for all of those on the front lines of Catholic education Written by teachers for teachers this book is a valuable resource not only for teachers but also for pastors principals administrators and school board members as they seek to motivate others and to reflect on their own role in education More than seventy meditations will help you get back in touch with Jesus the source of all wisdom who gives meaning and coherence to your life as a teacher With contributions from teachers who work in a variety of subject areas at all levels of elementary and high school 5 Minutes with the Psalms and the Wisdom Books will be a welcome reminder of the dignity of the teaching vocation and a gentle source of encouragement for educators struggling to meet the needs of their students each day *Catholic to the Core!* Kathy Husak-Tarnacki, 2022-02-17 Catholic to the Core was born out of a restlessness in the heart of the author Since the early 1990s Kathy Husak Tarnacki felt a very distinct call from God to focus her skills and passions regarding education in a way that honored Christ in every way possible The call was so clear to her that she approached her pastor at the time and asked for permission to open a school within the church She had never been a principal and had never taken formal classes regarding administration but she knew that when God calls he equips And that he did The years that followed were filled with unexpected twists and turns in her professional career and her journey of faith from Catholicism to a non denominational setting then back to the Catholic Church Each step exposed her to new aspects of the possibilities and challenges present

when you pursue Christ wholeheartedly as well as highlighting how far schools have fallen from fulfilling their God given purpose These experiences filled her heart and mind with thoughts questions concerns and possible solutions for the lukewarm atmospheres of many of our Catholic schools In 2014 she felt a tugging to begin to write her thoughts down on paper not sure exactly what the purpose would be Now in 2022 she is blessed with the opportunity to publish what she wrote and share it with the hope that it will encourage conversation reflection and determined action
