Faithful To The End:

Faithful to the End Terry L. Wilder, J. Daryl Charles, Kendell H. Easley, 2007-09-01 In classroom and scholarly study the Gospels Acts and the Pauline letters receive far more attention than does the so called end of the New Testament Hebrews James 1 and 2 Peter 1 2 and 3 John Jude and Revelation Faithful to the End An Introduction to Hebrews Through Revelation offers a careful study of these latter biblical letters closely examining each one s authorship and origin destination and audience purpose and major themes Appropriate as a reference work or textbook in college and seminary classrooms this volume uniquely combines head knowledge with a challenge to the heart for it is purposefully titled after each book s recurring theme of persevering in the faith Coauthor Terry L Wilder writes Our hope is that God might use this text to help readers not only learn about these New Testament books but also to appropriate the message contained in each May we be faithful to the end

Faithful to the End Gordon Wong, 2006 **Faithful to the End** Robert M. Solomon, 2022-03-22 In his last known epistle Apostle Paul the extraordinary missionary to the Gentiles left a poignant reflection on the most important matters in life As we read and meditate on 2 Timothy we are challenged to think about the direction and destiny of our own lives Are we in the Story of Jesus or are we in the many faulty and futile stories of the world Are we being useful to the King of kings or are we wasting our lives in something transient and puny when measured against eternity These questions and more come to us from Paul s epistle and have to be answered in each of our hearts Robert Solomon s passion for biblical exposition helps us plumb the depths of God s Word and let it cast its searchlights on our lives so that we are taught rebuked corrected and trained in righteousness 2 Timothy 3 16 Faithful to the Future Brother Emile of Taizé, 2013-11-21 Faithful to the Future examines the true nature of Christian Tradition and particularly how it implies a fidelity not only to the past but to the future as well tradition appears to be inseparable from creativity and reform Congar s sense of the future and his conviction that something very important is happening in history led him to re emphasize forgotten dimensions of Christian tradition especially those that value the human person When Congar reflected on Church authority and how it is best exercised he was not thinking about a power that curtails freedom Seeking to rediscover what is specific to Christianity he described authority as a reality that is at the service of growth where paying attention to the unknown and the unexpected is of the utmost importance Congar was one of the greatest artisans of Vatican II and his writings are characterized by the urgent call for the reforms made necessary by a changing world and by an understanding of catholicity a sense of the Church that is not sectarian but that lives and thinks according to the whole This volume explores the four themes that are prominent in Congar s writings namely tradition reform catholicity and authority The book does not assume a detailed knowledge of Congar s writings but addresses a difficulty that is frequently encountered in the present time no one better than Yves Congar has shown that the Church is not a system Faithful to Save Kent Eilers, 2011-07-14 Faithful to Save is an exposition and analysis of Pannenberg s doctrine of reconciliation as it appears in his three volume

Systematic Theology It suggests that this doctrine is best approached by bearing in mind its three most salient characteristics all of which are inter dependent and when kept in view make the essential tenets of Pannenberg s account transparent God acts freely and immediately in and for creation history is a function of the faithfulness of God to his creation reconciliation is an expression of this faithfulness towards sinful creation God s holding fast to creation despite its self destructive self assertion On the basis of a detailed examination of the central texts it argues that Pannenberg s doctrine of reconciliation at once marks out God s action in the world as the true Infinite and issues an invitation to consider how such a God extends himself in reconciling love to his creatures so that their finite creatureliness is at every turn affirmed and found to be in the end good

Good Morning Message Peggy Edwards, 2010-08 This daily devotional book has been a God led inspiration from its very start up from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network Our God is so awesome I've had people return emails to me or speak to me and ask How did you know that I needed that today or How did you know I was going through this That is when I thankfully remind them that God inspired each and every one of these devotionals I am just being faithful and following His directions Now I'm led to put them into a year of daily devotions book to reach others Occasionally my emailed devotionals have colored photographs that I take as God inspired message for the day Unfortunately I couldn't include those in this book I did include a photo in grayscale at the beginning of each month the cover photo is a God blessed look at an Alaskan sunset I am so thankful that God is working in my life I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others When you feel down just start counting each of the blessings God has touched you with in your life and you will feel His Presence and comfort to encourage you We are never alone He is just a prayer away nothing is impossible for our God He is not done with us yet He is asking us to be obedient in our service to Him and He will help us grow in our faith Trust in Him and you will be astounded at what He has in store for you
