**The Faithful Christian** Billy Graham, 1994 In this anthology you will read the best of Billy Graham's thoughts from Agnells to Adam from Eden to the End Times from the road to sin to the journey toward Christ **Billy Graham** Lon Allison, 2019-02-01 Just in time for the first anniversary of Billy Graham's death Allison's reflection on the life and work of America's pastor is now available in paperback New preface by the author new to this edition Billy Graham said You have no idea how sick I get of the name Billy Graham and how wonderful and thrilling the name Christ sounds to my ears So why another book about him Lon Allison evangelist himself and popular evangelical pastor in Wheaton Illinois has learned much from Billy Allison retells the highlights of what has been by any objective account a fascinating life and tells it in a way that resonates with the Graham legacy of serving God and seeking to spread the Good News Every stage of Graham's life is included even the rough spots with appreciation and a desire to answer the question What can we learn from the life and ministry of Billy Graham What is his legacy What was his message and how might it still be relevant for today Many will welcome the intimate details of his life revealed by Allison Their close relationship allows the author to present a bird's eye view of the evangelist David Gibson Catholic News Service [Examining Billy Graham's Theology of Evangelism](#) Thomas P. Johnston, 2003-03-12 Examining Billy Graham's Theology of Evangelism was written to advance an unbiased understanding of Billy Graham's theology and practice Theological examination of Graham's sermons revealed four distinct eras in his theology and practice The Early Early Graham pre 1949 The Early Graham 1949 1955 The Middle Graham 1955 1965 The Later Graham 1965 present In each of these eras Graham portrayed a discernible and distinct approach to defining evangelism theological nomenclature and cooperative strategy No literature on Billy Graham discusses in combination this evolution in Graham's theology and practice You are invited to take a fresh look at the teaching and practice of this man who has touched millions of lives through the proclamation of the Gospel of Jesus Christ **Book of Jesus** Calvin Miller, 1998 An anthology of stories poems essays biblical passages hymns and songs celebrates the life of Jesus Christ in a collection that features contributions from Shakespeare Gandhi Dickens Desmond Tutu and others [Satan's Strategy to Curse Christ's Congregation](#) Keith A. Sherlin, 2010-09 Dr Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his thoughts I would wholly recommend this reading to all who profess Christ as their Lord Pamela Rogers Dr Keith has presented a solid case for authoritative leadership

in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ s body This work makes a clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem

**America's Preacher and His Message** Timo Pokki,1999 Although the popular literature concerned with Billy Graham as an evangelical icon is vast there have been few serious academic considerations of his religious views In America s Preacher and His Message Timo Pokki provides the most extensive systematic analysis to date on Graham s theology paying particular attention to views surrounding conversion and sanctification The study not only provides a detailed analysis of Graham s thoughts on these topics but also investigates the impact of Calvinism and Arminianism on revivalism and evangelicalism in general Jimmy Carter, the Politics of Family, and the Rise of the Religious Right J. Brooks Flippen,2011-03-15 As Jimmy Carter ascended to the presidency the heir apparent to Democratic liberalism he touted his background as a born again evangelical Once in office his faith indeed helped form policy on a number of controversial moral issues By acknowledging certain behaviors as sinful while insisting that they were private matters beyond government interference J Brooks Flippen argues Carter unintentionally alienated both social liberals and conservative Christians thus ensuring that the debate over these moral family issues acquired a new prominence in public and political life The Carter era according to Flippen stood at a fault line in American culture religion and politics In the wake of the 1960s some Americans worried that the traditional family faced a grave crisis This newly politicized constituency viewed secular humanism in education the recognition of reproductive rights established by Roe v Wade feminism and the struggle for homosexual rights as evidence of cultural decay and as a challenge to religious orthodoxy Social liberals viewed Carter s faith with skepticism and took issue with his seeming unwillingness to build on recent progressive victories Ultimately Flippen argues conservative Christians emerged as the Religious Right and were adopted into the Republican fold Examining Carter s struggle to placate competing interests against the backdrop of difficult foreign and domestic issues a struggling economy the stalled Strategic Arms Limitation Talks disputes in the Middle East handover of the Panama Canal and the Iranian hostage crisis Flippen shows how a political dynamic was formed that continues to this day The Living Church ,1994 Leadership Secrets of Billy Graham for Graduates Harold Myra,Marshall Shelley,2006-02 Give the graduate a look into the leadership secrets of one of the most renowned leaders today Billy Graham Filled with devotions and Scriptures to challenge the new graduate this book is an ideal gift Every Day with Jesus Worthy Books,2011-09-27 Daily inspiration from the greatest Christian writers of all time in a beautifully designed insightful one year devotional Each one page 150 word devotional references a
