Mozart's Letters, Mozart's Life Robert Spaethling, 2005-12-17 A wonderful collection that gives Mozart a voice as a son husband brother and friend New York Times Book Review Mozart's honesty his awareness of his own genius and his contempt for authority all shine out from these letters Sunday Times London In Mozart's Letters Mozart's Life Robert Spaethling presents Mozart in all the rawness of his driving energies Spectator preserved in the zany often angry effervescence of his writing Observer Where other translators have ignored Mozart's atrocious spelling and tempered his foul language Robert Spaethling's new translations are lively and racy and do justice to Mozart's restlessly inventive mind Daily Mail Carefully selected and meticulously annotated this collection of letters should be on the shelves of every music lover BBC Music Magazine

Getting the Most Out of Mozart David Hurwitz, 2005 Unlocking the Masters Mozart was the first composer whose operas have never left the international repertoire and for many he remains one of the finest vocal composers who ever lived In a sense all of his music is vocal music depending as it does on arresting singable melodies but in his great operas single arias and sacred works Mozart put his melodic gift to work revealing the subtleties and expressive potential of a wide range of texts in languages ranging from Italian to Latin to German In every case he created masterpieces from operas such as *The Marriage of Figaro* *Don Giovanni* and *The Magic Flute* to the sacred choral motet *Ave Verum Corpus* and of course the unfinished *Requiem* his final project This second *Getting the Most Out of Mozart* volume in our *Unlocking the Masters* series focuses on Mozart's great operas and other vocal works but also discusses numerous lesser known compositions from operas he wrote as a child to insertion arias for favorite singers or operas by other composers In each case David Hurwitz describes how the musical setting and choice of instruments supports the text He takes readers through the seven major operas aria by aria showing how Mozart uses vocal style and orchestration to create believable and moving characters that remain the standard for characterization in music to which all composers and dramatists aspire The accompanying CD from Telarc Records includes 14 works
