The Bible is full of God s promises Everything He says is true and He will always follow through on His word The book you are holding is designed to be a FUN way to learn some of those promises and make you want to learn even more God wants you to talk to Him all the time about everything Prayer is a great way to communicate with God To some of us prayer can sometimes feel like we are talking into space but GOD HEARS YOU One of the most important ways God speaks to you is through scripture from The Bible It s like an instruction book for life Our prayer is that this book will teach you help and inspire you and that each page you land on will be the message God wants you hear that day How does it work 1 Each morning flip the pages until you land on a message 2 Read your message for the day kind of like a fortune cookie but WAY better 3 Enjoy your message for the day because that is God speaking directly to you 4 At night take your bible and look up the scripture that proves that your message is true 5 Write the actual scripture from your bible on the lines in the book Jesus Feeds the Five Thousand Crystal Bowman,2011-03-15

People love to follow Jesus listening to everything he says But one day it gets late and the crowd is hungry How can five little loaves of bread and two tiny fish feed so many people This is a Level One I Can Read book which means it s perfect for children learning to sound out words and sentences It aligns with guided reading level J and will be of interest to children Pre K to 3rd grade God's Message for Children Stephan Joubert,Jan Gabriël Van der Watt,Theresa Hills,1999 **The Message** Lena Pereira,2023-02-09

The Message is a lighthearted childrenaEUR tm s book holding a very powerful and important message to the reader and listener Once the reader whether a child or adult hears the message in this book it is guaranteed that he or she will forever hear the sound of nature in a uniquely different reassuring and loving way In this book a child hears a distinct sound that leads him to a conversation with a dove The dove has an important message for him and for all children of the world in only the way that a dove can do The message that the boy receives makes him realize that he is loved heard and seen by God It also gives him assurance to feel confident and to create the life that he wants to live and to be proud of himself The story will be as

significant and encouraging to the child who is listening to the book being read as it is to the adult who is reading the book
