Fakers Exploding The Myths Of The Supernatural:

The Fakers Paul Meier, Danny Korem, 1981-01-01 The Fakers Danny Korem, Paul Meier, Paul D. Meier, 1980 There exist two extreme trends of thought in our society which are of equal danger 1 the possibility of the supernatural does not exist 2 many phenomena that actually originate in the physical are mistakenly believed to be of a supernatural nature This text endeavors to give balance to the consideration of supernatural phenomena *Exploring the Paranormal* R. Alan Streett, 2024-10-31 A personal exploration of questions surrounding psychic healing s ances astral projection and more After an injury threatened his chances of signing a professional baseball contract R Alan Streett sought help from Olga Worrall a world famous psychic healer This encounter set in motion his lifelong search for the origin and nature of psychic phenomena Were they natural or supernatural From God or from the devil Were they mentalists tricks or feats of the subconscious mind Streett invites us to join him in real time as he explores the fascinating world of the paranormal offering insights into healing magic trance channeling yogic meditation alternative medicine astral projection and the brain s ability to produce spiritual and mystical experiences Ultimately Streett enables readers to draw some time tested and cutting edge conclusions Exploring the Paranormal is a helpful guide for all who wish to understand the varied forms of spirituality that are so popular today **Witchcraft, Demons and Deliverance** Claudia Währisch-Oblau, Henning Wrogemann, 2015 Beliefs in witchcraft and demons still shape many societies and seem to be increasing rather than disappearing with modernization and urbanization Witch hunts in Africa and Asia show the scope of the problem The deliverance practices of pentecostal and charismatic churches are widely controversial and their effects are rather ambiguous The contributions in this volume written by experts and practitioners from four continents analyze these phenomena from the perspectives of intercultural theology anthropology and ethnology and also describe the responses of Catholic and Protestant churches Series Contributions to Mission Science Intercultural Theology Beitrage zur Missionswissenschaft Interkulturellen Theologie Vol 32 Subject Anthropology Ethnology Sociology Religious Studies **Essentials of Spiritual Warfare** A. Scott Moreau, 2008-09-01 There s a war going on and you have what it takes to win Christians are engaged in a cosmic war between good and evil a war waged on many fronts in our hearts and minds in our churches and in our world How can we be equipped for the fight Is God still in control How did Jesus engage in spiritual warfare How powerful is Satan and how can we resist him With clarity and depth Scott Moreau answers these questions and more as he maps out a biblical overview of spiritual warfare He encourages us to put truth into action and to stand firm in our personal battles and against evil in the world **Apologetics, Mission and New Religious Movements: A Holistic Approach** Philip Johnson, 2010-07-11 It is this search for balance and his real desire to speak into living situations that sets Johnson s work apart from earlier studies of cults and new religions At the same time his work is innovative in other ways **The Fakers** Paul D. Meier, Danny Korem, 1981 **After the New Age** Steven H. Propp, 2008-12-16 Its 1976 and Janet Tanhurst is a teenager who feels stifled

by life with her strict mother and the authoritarian church she must attend. Once out of high school however Janet is initiated into a fascinating new world of Astrology Tarot cards and Spirit Mediums. Next she encounters the mysterious world of UFOs a bewildering and sometimes frightening realm encompassing ancient astronauts alien abductions and shadowy government conspiracies. As the 1980s arrive the Christian dominated Piscean Age seems to be giving way to a long anticipated Aquarian Age with its hope for a coming revolution in higher consciousness. There are new paradigms in philosophy and science promoting a holographic conception of the universe as engaged in a Cosmic Dance along with the emergence of an introspective type of instrumental music known as New Age. With the help of bookstore owner Whisper Wynn Janet investigates subjects such as reincarnation quartz crystals chakras and the human aura in addition to an exciting new form of spiritual teaching called channeling. Following movement leaders including Shirley MacLaine and Marianne Williamson studying enigmatic teachers like G I Gurdjieff and Carlos Castaneda and inspired by medical doctors such as Deepak Chopra and Andrew Weil she learns about Alternative Medicine and Holistic Health as well as traditional health practices from China Japan and India. She assimilates wisdom from the ancient Celts along with rituals from contemporary Goddess worshippers in formulating her own unique concept of the Divine that is within us all.

Integrative Theology Gordon R. Lewis, Bruce A. Demarest, 2010-09-21 Integrative Theology is designed to help graduate students in a pluralistic world utilize a standard method of fruitful research. Each chapter on a major doctrine 1 states a classic issue of ultimate concern 2 surveys alternative past and present answers and 3 tests those proposals by their congruence with information on the subject progressively revealed from Genesis to Revelation. Then the chapter 4 formulates a doctrinal conclusion that consistently fits the many lines of biblical data 5 defends that conviction respectfully and finally 6 explores the conclusion's relevance to a person's spiritual birth growth and service to others all for the glory of God. Why the title Integrative Theology. In each chapter steps 2-6 integrate the disciplines of historical biblical systematic apologetic and practical theology.

First Corinthians Bible Commentary - a Bible commentary on First Corinthians, This verse by verse commentary on First Corinthians offers a thorough but very understandable commentary on the entirety of Paul's letter to the Corinthians. Since the First Corinthians letter touches on a number of different subjects this volume also offers some special studies to more fully explore what the Bible says on additional topics like civil government the role of women in the church spiritual gifts etc. If you want to have a better understanding of First Corinthians this commentary will help you. Here is a small sample of the text: Introduction to First Corinthians 13. Some consider 1 Cor 13 the love chapter of the Bible or a parenthetical description of love but this chapter is actually an integral part of Paul's discussion about spiritual gifts. Since the Corinthians were rude jealous and boastful it was necessary for them to go beyond their present pursuit. To the apostle the development of the character of the person was superior to the exercise of the gift. His contrasts chap 13 are clear gifts without love vs gifts with love and the permanence of love vs the temporal nature of gifts. Gromacki p 159. Stated another way verses 1-3 affirm that spiritual gifts

were worthless without love verses 4 7 affirm that love was superior to the gifts and verses 8 13 assert that spiritual gifts were temporal but love abides Although 1 Cor 13 may seem familiar to many this chapter is often one of the most misunderstood parts of the New Testament The Corinthians elevation of spiritual gifts over love is seen in places such as 12 13 25 14 27 33 40 It is also found by contrasting the qualities in 1 Cor 13 with other sections of this epistle For instance love suffers long 13 4 but tongue speakers at Corinth were impatient 14 27 28 Love does not envy 13 4 but the Corinthians envied the gifts of others chapter 12 Love is not puffed up 13 4 but tongue speakers were proud compare 13 1 Love causes people to act in a kind and orderly way but some of the Corinthians behavior was disorderly 14 23 40 Love is not unseemly but the Corinthians were at risk of unseemly behavior in their families 1 Cor 7 36 as well as their Sunday assemblies 1 Cor 11 2 16 17 34 Agape love does not seek its own 13 5 but these Christians were seeking their own see 1 Cor 8 and the discussion about idol meat Love keeps people from rejoicing in evil 13 6 but the Corinthians rejoiced in evil 1 Cor 5 2 6 There were various things that provoked these brethren 13 5 and it seems they were keeping a record of evil 1 Cor 13 5 It was time for the members of this congregation to show some spiritual maturity and demonstrate the type of love that bears all things believes all things hopes in all things and endures all things 1 Cor 13 7
