Faking It A Look Into The Mind Of A Creative Learner:

Faking it Christopher M. Lee, Rosemary F. Jackson, 1992 If Chris hadn't faked it through school concealing his dyslexia he wouldn't have made it through school This is his story *The Manifesto* E. Paul Torrance, 2002-08-30 More than 40 years ago E. Paul Torrance undertook to study creativity in students and study whether it would predict their creative achievements as adults He and his colleagues wanted to determine what other factors influence predict encourage or sustain their creativity over time There has never been a longitudinal study of creativity of this magnitude Its findings will be useful to and have implications for several audiences parents teachers counselors especially vocational counselors university and college instructors and educational administrators The Manifesto for Children was developed on the basis of the responses of 215 young adults who had attended two elementary schools in Minnesota from 1958 to 1964 They had been administered some creativity tests each year and they were followed up in 1980 On the basis of their questionnaire responses the Manifesto was developed to describe their ongoing struggle to maintain their creativity and use their strengths to create their careers and to provide guidance to children In 1998 they were followed up to assess their creative achievements and to validate the Manifesto Some of the participants had attained eminence while others had attained only mediocre careers Successful Writing for Qualitative Researchers Peter Woods, 2006 The book discusses all aspects of translating research into writing It is a useful resource for students researchers and writers concerned with getting their research written and having it published

A Good Little School Carole G. Basile, 2012-02-01 A Good Little School pays homage to Jefferson County Open School a public school of choice with a thirty year history of providing an alternative education for students in K 12 Chronicled in this book are the personal experiences and anecdotes of teachers parents and students within the school and how their contributions make it unique In so doing these reflections demonstrate to others that there is more to education than conventional subject areas such as math and reading Also examined are the ways in which the school preserves the core elements that support the students best personal social and intellectual interests These self reflective accounts create a learning environment with humanity at the center giving students the skills necessary to lead compassionate lives

Written Expression Disorders N. Gregg, 2012-12-06 A critical review of the literature on written expression disorders of individuals with learning disabilities The purpose of the book is to shed light on issues concerning definition assessment and interaction for individuals with writing disorders The integrated model of written expression offered draws on the work of cognitive psychology neurolinguistics and sociolinguistics The model illustrates the interrelationship between cognitive and affective processing networks that influence the selection and use of linguistics and information structures in producing a written text Particularly noteworthy aspects of this book are the emphasis on the role of writing in developing higher mental functions other texts on writing disorders have placed greater emphasis on lower order aspects not only the addition and integration of the sociolinguistic dimension into the model of writing but also the inclusion of guidelines for assessing this

dimension specification of needed research in which both populations and tasks have been carefully defined and finally notice of the importance of a continuum for defining assessing and treating each component of written expression This state of the art work on disorders of writing is of interest to both researchers and clinicians concerned with written expression disorders in children and or adults *Handbook of College Reading and Study Strategy Research* Rona F. Flippo,2008-08-15 This Handbook is the most comprehensive and up to date source available for college reading and study strategy practitioners and administrators In response to changing demographics politics policy issues and concerns in the field of college reading and study strategies since publication of the first edition in 2000 this new edition has been substantially revised and fully updated to reflect the newest research in the field including six new chapters and a more user friendly structure to make it easier for researchers program administrators college instructors and graduate students to find the information that they need In this thorough and systematic examination of theory research and practice college reading teachers will find information to make better instructional decisions administrators will find justification for programmatic implementations and professors will find in one book both theory and practice to better prepare graduate students to understand the parameters and issues of this field The Handbook is an essential resource for professionals researchers and students as they continue to study research learn and share more about college reading and study strategy issues and instruction *Urban Narratives* David J. Connor,2008 Urban Narratives foregrounds previously silenced voices of young people of color who are labeled disabled Overrepresented in special education classes yet underrepresented in educational research these students the largest group within segregated special education classes share their perceptions of the world and their place within it Eight portraits in progress consisting of their own words and framed by their poetry and drawings reveal compelling insights about life inside and out of the American urban education system The book uses an intersectional analysis to examine how power circulates in society throughout and among historical cultural institutional and interpersonal domains impacting social academic and economic opportunities for individuals and expanding or circumscribing their worlds **Disability Studies and the Inclusive Classroom** Susan Baglieri,Arthur Shapiro,2012 This work s mission is to integrate the fields of disability studies and inclusive education It focuses on the broad foundational topics that comprise disability studies culture language history etc and moves into the more practical topics normally associated with inclusive education **Reaching and Teaching Students with Special Needs Through Art** Beverly Levett Gerber,Doris M.
