Falcon Crest ,1982 **Falcon Crest** ,1984 **Earl Hamner** James E. Person (Jr.),James E. Person,2005 Since Spencer s Mountain I have followed Earl Hamner s career with much interest and much satisfaction having picked a winner Harper Lee author of To Kill a Mockingbird Earl Hamner one of America s best loved storytellers has never been the subject of a full length study Earl Hamner From Walton s Mountain to Tomorrow fills that gap A native Virginian Hamner once said Even though families are said to be shattered these days and God is said to be dead if people can revisit the scenes and places where these values did exist possibly they can come to believe in them again or to adapt some kind of belief in God or faith in the family unit or just getting home again This vision of what makes for a whole life permeates all of Hamner s work It is present in the novel Spencer s Mountain upon which The Waltons was loosely based and in his screenplays such as the work he is perhaps most proud of Charlotte s Web It is even present in such unlikely places as the eight scripts he contributed to the classic television series The Twilight Zone and the tales of cold blooded betrayal and boundless ambition depicted on Falcon Crest In Earl Hamner From Walton s Mountain to Tomorrow readers will discover the integrated nature of his career finding that there is no real conflict between the warm folksiness of The Waltons the offbeat fantasies of his Twilight Zone scripts the unscrupulous ethics displayed on Falcon Crest and the myriad other novels and scripts he has written and TV programs he has produced Instead readers will find that there is a pervasive theme running throughout Hamner s work that of a man forever taking a backward glance at his roots for direction in finding what makes life worthwhile Upon learning that this book was being written Hamner told one of his friends I can t imagine anyone wanting to read a book about me much less write one about me Readers of this book will find Hamner s doubts indeed misplaced They will also discover a delightful individual who has enjoyed a long accomplished career as a storyteller laboring for a worthy goal that posterity may know of an age and a people whose legacy has not through silence been permitted to pass away as if a dream **Napa** James Conaway,2002-10-24 The New York Times bestselling history of the rise of California s wine country and its most famous vintners from the author of Napa at Last Light James Conaway s remarkable bestseller delves into the heart of California s lush and verdant Napa Valley also known as America s Eden Long the source of succulent grapes and singular wines this region is also the setting for the remarkable true saga of the personalities behind the winemaking empires This is the story of Gallos and Mondavis of fortunes made and lost of dynasties and destinies In this delightful full bodied social history Conaway charts the rise of a new aristocracy and in so doing chronicles the collective ripening of the American dream Napa is a must read for anyone interested in our country s obsession with money land power and prestige An extraordinary American success story a pageant of family dramas and blood feuds People This is more than a wine book it is a fascinating and closely reported social history Tracy Kidder *Weekly World News* ,1981-09-08 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only
