Falcon Helen Macdonald, 2016-11-15 Before best selling author Helen Macdonald told the story of the goshawk in *H Is for Hawk* she told the story of the falcon in a cultural history of the masterful creature that can cut the sky in two with the perfectly aerodynamic profile of a raindrop as she so incisively puts it In talon sharp prose she explores the spell the falcon has had over her and by extension all of us whether we've seen them through binoculars framed on gallery walls versified by poets flown as hunting birds through Manhattan windows sewn on flags stamped on badges or winnowing through the clouds over abandoned arctic radar stations Macdonald dives through

centuries and careens around the globe to tell the story of the falcon as it has flown in the wild skies of the natural world and those of our imagination Mixing history myth and legend she explores the long history of the sport of falconry in many human cultures from Japan to Abu Dhabi to Oxford she analyzes the falcon s talismanic power as a symbol in art politics and business and she addresses the ways we have both endangered and protected it Along the way we discover how falcons were mobilized in secret military projects their links with espionage the Third Reich the Holy Roman Empire and space programs and how they have figured in countless stories of heroism and of course the erotic Best of all Macdonald has given us something fresh a new introduction that draws on all her experience to even further invigorate her cherished subject The result is a deeply informed book written with the same astonishing lyrical grace that has captivated readers and had everyone talking about this writer cum falconer

Kara the Lonely Falcon Joseph Girzone,1997-04-28 For ages all Kara has known is hunting and killing his next meal but one day something changes within him A new kind of hunger is growing one in his heart [Eye of the Falcon...](#) Dale Mayer,2018-01-02 As a young girl Issa bonded with her pet falcon was the lookout for her father s smuggling operation in Ireland After everything blew up one night and her father and brothers were killed her mother brought her to America to start over Immigrating was hard but eventually she grew up and pursued a career in environmental sciences and continued to follow her passion for falconry But she doesn t find the same special bond with another falcon Until one fateful day when her world explodes again Eagle a former military pilot has retired to his small ranch outside of Denver Colorado where he runs a rescue center for raptors in need One falcon is acting irrationally Eagle s only recourse is to euthanize him but the falcon rips free Although injured so badly he shouldn t be able to fly the falcon disappears into the skies The next night the falcon returns with a beautiful but seriously injured young woman in tow carrying a message of death and destruction for the both of them
