## **Face Up With A Miracle:**

**Face Up with a Miracle** Don Basham, 1969      **Exorcism and Deliverance** William K Kay, Robin Parry, 2011-04-01 A significant examination of exorcism and deliverance from a range of disciplines focuses on an important but often neglected area of the church's mission to the world. The diversity of essays makes sure that every facet is presented to encourage the reader thoroughly to consider this aspect of the church's approach to evil in our society. Since Jesus of Nazareth made exorcism a cornerstone of his own ministry, the Church has seen itself as engaged in a battle against the demonic. Exorcism has continued to play a role throughout Christian history in this conflict, although it has received different emphases in different times and places and has been practiced in a range of different ways. **Exorcism and Deliverance** aims to shed new light on the phenomena of possession and exorcism by looking at them from a range of disciplinary perspectives.

**Exorcism and Deliverance Ministry in the Twentieth Century** James M. Collins, 2009-11-10 This study seeks to demonstrate that exorcism/deliverance ministry is an innately enthusiastic practice utilizing John Knox's classic study of Christian enthusiasm. The twentieth century provides an ideal arena for such a study since it frames a complete lifecycle for this rite from its infancy during the early decades through its heyday in the 1970s and 80s on to creeping routinisation by the end of the century. Two enthusiastic settings, Charismatic and Evangelical Fundamentalist, are identified and examined as the environment in which two related streams of exorcism/deliverance ministry were practiced. Finally, enthusiastic Sacramentalist exorcism is considered in order to establish the thesis that enthusiastic settings provide a conducive atmosphere for the emergence and practice of exorcism/deliverance ministry. Attention is paid to historical factors within the Charismatic and Evangelical Fundamentalist streams that underlie the development of this rite. As a result, important secondary insights are gained into the tidal nature of enthusiastic movements, the role of itinerant preachers in the propagation of enthusiasm, the routinisation of enthusiastic practices, and the manner in which enthusiasm overcomes institutional denominational boundaries. The study provides the foundation for future investigation of the manner in which enthusiastic experience is presented for apologetic purposes, the relationship between exorcism/deliverance ministry and millenarianism, and the practice of this rite within non-Western churches.

**The Holy Spirit** Frederick K. C. Price, 2016-09-06 For years Apostle Frederick K. C. Price wanted nothing more than to serve Jesus fully. Like many, he thought he had received all that God had to give when he accepted Jesus as his Savior and Lord. Still, there was something missing in his life, and he wasn't sure what it was. His search to find that missing ingredient led him to the baptism with the Holy Spirit. The same Spirit who revolutionized his Christian life has prompted Apostle Price to tell what great things the Lord has done since those early years of his ministry. His story will stir in you the same hunger to find the joy, victory, and power still available today through the Holy Spirit.
