Transforming Our Painful Emotions: Spiritual Resources in Anger, Shame, Grief, Fear and Loneliness Evelyn Eaton Whitehead and James D. Whitehead, 2010 *Renewal* Shmuel Boteach, 2010-05-25 Our culture is showing the cracks of a growing fracture Soaring divorce rates a crippled economy that rewards the few and punishes the many religious fueled hatred record rates of depression the headlines paint a grim picture We inhabit a society that desperately needs fixing But as Rabbi Shmuley Boteach reveals in his new book *Renewal* our society can be made whole again when we as individuals make the choice to live a life based on values For too long conversations about values have been derailed by political movements trying to score points over hot button issues like gay marriage or abortion Boteach one of our wisest and most respected counselors and spiritual experts reaches deep into our history and into our shared religious legacy to revive the key universal values of Judaism for our struggling world He presents these age old ideas as guideposts for the challenges of modern times These values whose roots are in the Bible and thousands of years of Jewish spiritual living can be applied to anyone in the modern

world from Christians and Muslims to atheists and agnostics who want to renew their existence and recommit themselves to the most precious things in life Renewal shows everyone how to use the timeless values of the Hebrew Bible and Judaism to live a more fulfilling modern life Destiny Unlike the Greeks who believed that life was scripted from birth the Jews believe in destiny In short they reject the idea of tragic fates and instead champion the individuals capacity to create their own destiny through individual choice Redemption Christians and Muslims emphasize salvation or the need for man to become spiritual to refine his character and earn a place in heaven But Jews believe in world redemption the capacity for the individuals to make heaven here on earth for the betterment of the community Action What you do is more important than what you believe Good deeds always supersede good dogma Enlightenment Jews are an infinitely curious people and believe that the great bane of existence boredom can only be cured by knowledge Marriage Marriage refers not just to the institution but rather the softening of the masculine by exposure to the feminine A culture that does not know how to respect women is bound to collapse Struggle It is wrestling with our nature rather than attaining perfection that constitutes true righteousness Everyone is somehow flawed but righteousness is found in the struggle to do right amid a predilection to act selfishly Sacred Time Whereas other religions sanctify space Jewish values privilege special moments The Sabbath day the holiest day of the week provides a time for connecting with family and friends

**Awaken** Terry Nance, 2015-12-10 We live in a time when the church is failing to live up to its own standards It has tragically been losing the respect of those it tries to win to Christ because it has succumbed to sin pride and corruption In the past a lost world looked to the church as the example of hope and integrity today many people laugh or roll their eyes when the church is mentioned It has largely lost its relevance in the world In Awaken best selling author Terry Nance has composed a series of letters to younger and newer believers aiming to help them avoid many of the sins and mistakes of their spiritual fathers as they hold high the standard of

the kingdom of God with which they have been entrusted We the church must realize that we are called to be kingdom leaders for Jesus Christ not empire builders for ourselves We must awaken to the understanding that we carry Jesus to this world and His spirit within us must be reflected in everything we do Nance s challenge is clear Set a standard of holiness in your own life endure affliction as a good soldier of Christ run your race with patience and persevere until you come to the finish line As you do you will leave behind an army of leaders in the next generation who can take up your banner for Jesus and carry it forward with honor
