The Stigmata: Those Who Bore the Wounds of Christ Deacon Albert E. Graham,2023-08-10 Whether you are an atheist an agnostic or a true believer and disciple of Jesus Christ you will be mystified at what you learn from The Stigmata The Stigmata examines such other worldly phenomena one could liken it to a spiritual X files episode Christ s death and resurrection was not the end but the beginning for us all Jesus agonizing suffering sacrifice and surrender of his own life opened the gates of heaven to all those willing to follow Him The stigmatics serve as an earthly human reminder of the Divine Jesus obedient holy and sacrificial offering to us The Stigmata is a compilation of some 657 individuals from the 13th to the 21st centuries who have incomprehensibly borne the wounds suffered by Christ The Stigmata discusses many of the stigmatics in biographical detail

Some stigmatics are recognized saints such as St Padre Pio and St Therese Neumann. Sainted or not, all stigmatics suffer in some way like Christ, bearing evidence of nail piercings to the hands and feet, the crown of thorns, and sword laceration near the heart. Have there been fraudulent stigmatics? Yes, and *The Stigmata* discusses the fakes, separating them like wheat from chaff. Aside from the painful and bloody wounds, these individuals suffer many stigmatics exhibit other miraculous mysteries from levitation and bi-location to reading of souls and other human impossibilities. The pain the stigmatics have endured is real; the phenomena they've experienced is mystical, and their complete impact on the world is known only to God.

Cuentame Imperatori-Lee, Natalia, 2018-04-24. From the common Spanish phrase *cuentame* tell me a story, the author tells the story of the church rooted in the experiences and lives of Latino Catholics in the United States. **New Covenant**, 2001. **No Bullet Got Me Yet** John Stansifer, 2024-03-12. A 2025 Kansas Notable Book. The incredible story of Father Emil Kapaun, the most decorated chaplain in US military history, who has been declared Venerable by Pope Francis and is now a step closer to sainthood. Father Emil Kapaun, a humble priest, went far beyond the call of duty during World War II and the Korean War. Often found with the combat medics on the front lines, unarmed, ministering to the wounded, and known for his intense devotion to the soldiers whom he called my boys, Kapaun became the most decorated chaplain in US military history, awarded a Medal of Honor, the Distinguished Service Cross, and the Legion of Merit. But Father Kapaun's leadership, bravery, and selflessness don't end there. When the story of human history is over, evil, death, darkness, they don't get the final word. It was Father Kapaun's love for God that gave him the courage to lay down his life for his friends and for his country. Writer John Stansifer has spent years interviewing veterans and ex-POWs. Coupled with other interviews or self-published war experiences, as well as material from the National Archives and rare access to thousands of unseen documents, *No Bullet Got Me Yet* unveils the compelling history of the life of Father Kapaun as related by his friends, family, and fellow soldiers, as well as in his own words from the numerous letters he wrote from the 1930s all the way to the battlefields of the Korean War.

Irish women in medicine, c.1880s-1920s Laura Kelly, 2016-05-16. Available in paperback for the first time, this book is the first comprehensive history of Irish women in medicine in the late nineteenth and early twentieth centuries. It focuses on the debates surrounding women's admission to Irish medical schools, the geographical and social backgrounds of early women medical students, their educational experiences, and subsequent careers. It is the first collective biography of the 760 women who studied medicine at Irish institutions in the period and, in contrast to previous histories, puts forward the idea that women medical students and doctors were treated fairly and often favourably by the Irish medical hierarchy. It highlights the distinctiveness of Irish medical education in contrast with that in Britain and is also unique in terms of the combination of rich sources it draws upon, such as official university records from Irish universities, medical journals, Irish newspapers, Irish student magazines, the memoirs of Irish women doctors, and oral history accounts. *Beyond the Sea of Beer* Miloslav Rechcigl Jr., 2017-11-09. This is a comprehensive history of immigrants from the historic lands of the Bohemian Crown and its

successor states including Czechoslovakia and the Czech Republic based on the painstaking lifetime research of the author The reader will find lots of new information in this book that is not available elsewhere The title of the book comes from a popular song of the famous Czech artistic duo Voskovec and Werich who described America in those words when they lived here reflecting on their love for this country It covers the period starting soon after the discovery of the New World to date The emphasis is on the US although Canada and Latin America are also covered It covers the arrival and the settlement of the immigrants in various states and regions of America their harsh beginnings the establishment of their communities and their organization A separate section is devoted to the contributions of notable individuals in different areas of human endeavor including Bohemians Moravians Bohemian Jews and the Slovaks These people excelled in just about every facet of human undertaking Even though a total number of these immigrants were fewer than other ethnic groups their accomplishments were phenomenal Nothing like this has ever been published since the time Thomas Capek wrote his classic *The Cechs Bohemians in America* some one hundred years ago **Bibliographic Index** ,2002 **Dear Communion of Saints: amusingly apt advice for foolish Christians** The Ironic Catholic,2010-06-11 What would happen if we took our life questions to the saints rather than Dear Abby This affectionate parody asks the foolish questions we all want to ask and provides a few pointed startling and funny answers from various saints or near saints in the Catholic tradition **African Saints, African Stories** Camille Lewis Brown,2008 This is a book designed for personal prayer reflection and possible retreat time but basically it is a text for all to commune with the saints It includes four parts in each of its forty chapters These sections have a brief biography of each holy person a relevant passage from Scripture a brief prayer and a few reflection questions The first thirty chapters of this book address hoy men and women that the church has already officially recognised as a saint blessed or venerable The final ten chapters of the book celebrate the lives of men and women who have contributed to the Catholic church but remain without one of these titles Adapted from page 2 **The Catholic Periodical and Literature Index** ,2008 *ARBA In-depth* Martin Dillon,Shannon Graff Hysell,2004-02-28 Unabridged reviews of reference books CD ROMs and Websites selected from the American Reference Books Annual from 1997 to 2003
