WITH A FOREWORD BY MICHAEL FELLMAN

Faces Of The Civil War An Album Of Union Soldiers And Their Stories

Tracey Baptiste

Faces Of The Civil War An Album Of Union Soldiers And Their Stories:

Faces of the Civil War Ronald S Coddington, 2021-04-27 Archival images and biographical sketches of Union soldiers tell the stories of their lives during and after the Civil War Before leaving to fight in the Civil War many Union and Confederate soldiers posed for a carte de visite or visiting card to give to their families friends or sweethearts Invented in 1854 by a French photographer the carte de visite was a small photographic print roughly the size of a modern trading card The format arrived in America on the eve of the Civil War fueling intense demand for the keepsakes Many cards of Civil War soldiers survive today but the experiences and often the names of the individuals portrayed have been lost to time A passionate collector of Civil War era photography Ron Coddington researched the history behind these anonymous faces in military records pension files and other public and personal documents In *Faces of the Civil War* Coddington presents 77 cartes de visite of Union soldiers from his collection and tells the stories of their lives during and after the war These soldiers came from all walks of life All were volunteers Their personal stories reveal a tremendous diversity in their experience of war many served with distinction some were captured some never saw combat while others saw little else The lives of survivors were even more disparate While some made successful transitions back to civilian life others suffered permanent physical and mental disabilities which too often wrecked their families and careers In compelling words and haunting pictures *Faces of the Civil War* offers a unique perspective on the most dramatic and wrenching period in American history *Faces of the Civil War* Ronald S. Coddington, 2013 There are no ordinary lives *African American Faces of the Civil War* Ronald S. Coddington, 2012-08-31 Discover the men of color who fought for their freedom during the Civil War through profiles illustrated with original wartime photographs A renowned collector of Civil War photographs and a prodigious researcher Ronald S Coddington combines compelling archival images with biographical stories that reveal the human side of the war This third volume in his series on Civil War soldiers contains previously unpublished photographs of African American Civil War participants many of whom fought to secure their freedom During the Civil War 200 000 African American men enlisted in the Union army or navy Some of them were free men and some escaped from slavery others were released by sympathetic owners to serve the war effort *African American Faces of the Civil War* tells the story of the Civil War through the images of men of color who served in roles that ranged from servants and laborers to enlisted men and junior officers Coddington discovers these portraits cartes de visite ambrotypes and tintypes in museums archives and private collections He has pieced together each individual's life and fate based upon personal documents military records and pension files These stories tell of ordinary men who became fighters of the prejudice they faced and of the challenges they endured *African American Faces of the Civil War* makes an important contribution to a comparatively understudied aspect of the war and provides a fascinating look into lives that helped shape America It does nothing to diminish the depth and precision of Coddington's research to say that each compelling vignette prompts the reader to hurriedly flip to the next one Publishers Weekly starred review

Faces of the Confederacy Ronald S. Coddington, 2009-01-19 Extensive research fascinating characters The author has done an admirable job of literally placing a face on the ordinary Confederate soldier The Journal of Southern History The history of the Civil War is the stories of its soldiers writes Ronald S Coddington in the preface to Faces of the Confederacy This book tells the stories of seventy seven Southern soldiers young farm boys wealthy plantation owners intellectual elites uneducated poor who posed for photographic portraits cartes de visite to leave with family friends and sweethearts before going off to war Coddington a passionate collector of Civil War era photography conducted a monumental search for these previously unpublished portrait cards then unearthed the personal stories of their subjects putting a human face on a war rife with inhuman atrocities The Civil War took the lives of twenty two of every hundred men who served Coddington follows the exhausted survivors as they return home to occupied cities and towns ravaged farmlands a destabilized economy and a social order in the midst of upheaval This book is a haunting and moving tribute to those brave men Like its companion volume Faces of the Civil War An Album of Union Soldiers and Their Stories this book offers readers a unique perspective on the war and contributes to a better understanding of the role of the common soldier With his meticulous research and a journalist s eye for good stories Ron Coddington has brought new life to Civil War photographic portraits of obscure and long forgotten Confederates whose wartime experiences might otherwise have been lost to history Bob Zeller cofounder and president of the nonprofit Center for Civil War Photography Faces of the Civil War Navies Ronald S.

Coddington, 2016-10-30 Explore the human side of the Civil War through archival images and biographical sketches of Confederate and Union sailors During the American Civil War more than one hundred thousand men fought on ships at sea or on one of America s great inland rivers There were no large scale fleet engagements yet the navies particularly the Union Navy did much to define the character of the war and affect its length The first hostile shots roared from rebel artillery at Charleston Harbor Along the Mississippi River and other inland waterways across the South Union gunboats were often the first to arrive in deadly enemy territory In the Gulf of Mexico and along the Atlantic seaboard blockaders in blue floated within earshot of gray garrisons that guarded vital ports And on the open seas rebel raiders wreaked havoc on civilian shipping In Faces of the Civil War Navies Civil War photograph collector Ronald S Coddington focuses his skills on the Union and Confederate navies Using identifiable cartes de visite of common sailors on both sides of the war many of them never before published Coddington uncovers the personal histories of each individual These unique narratives are drawn from military and pension records letters diaries period newspapers and other primary sources In addition to presenting the personal stories of seventy seven intrepid volunteers Coddington also focuses on the momentous naval events that ushered in an era of ironclad ships and other technical innovations Taken collectively these snapshots show that the history of war is not merely a chronicle of campaigns won and lost it is the collective personal odysseys of thousands of individual men Faces of Civil War Nurses Ronald S. Coddington, 2020-10-06 A collection of rare archival images and biographical sketches of the

dauntless women who served as nurses and caregivers during the Civil War During the American Civil War women on both sides of the conflict radiating patriotic fervor equal to their male counterparts contributed to the war effort in countless ways forming charitable societies becoming nurses or even marching off to war as vivandieres unofficial attaches to the regiments In *Faces of Civil War Nurses* Ronald S Coddington turns his attention to the experiences of 77 women of all ages and walks of life who provided care during the war as nurses aid workers and vivandieres Their personal narratives are as unique as fingerprints each provides a distinct entry point into the larger social history of the brutal and bloody conflict Coddington tells these determined women's stories through letters diaries pension files and newspaper and government reports Using identified tintypes and cartes de visite of women on both sides of the war many of them never before published Coddington uncovers the personal histories of each intrepid individual Following their postwar stories he also explains how the bonds they formed continued long after the cessation of hostilities The fifth volume in Coddington's series on Civil War soldiers this captivating microhistory will appeal to anyone with an interest in the Civil War women's studies social history nursing or photography Praise for Ronald Coddington's *Faces* Series An engaging look at a neglected part of the history of the American Civil War Booklist Coddington has hit upon a unique and fascinating niche in the seemingly endless march of Civil War books C RL News A lavishly produced visual record of southern Civil War soldiers will appeal to serious photography enthusiasts and collectors as well as those readers captivated by the personal stories of Civil War soldiers Civil War Books and Authors Coddington's prose is as unpretentious as the faces he shares yet authoritative It resurrects details that broaden our understanding of those sad times and sheds valuable light on the shape of modern culture Atlanta Constitution Even at a distance of over a hundred years the faces staring out of these pages create an undeniable emotional connection with the reader This book is highly recommended H CivWar H Net Reviews A fascinating window into the war's impact on the individual soldier well researched and engagingly written Any teacher of the Civil War would do well to consult this volume and incorporate some of the captivating tales into lectures and readings Journal of Military History

The Civil War in 50 Objects Harold Holzer, New-York Historical Society, 2013-05-02 The American companion to *A History of the World in 100 Objects* a fresh visual perspective on the Civil War From a soldier's diary with the pencil still attached to John Brown's pike the Emancipation Proclamation and the leaves from Abraham Lincoln's bier here is a unique and surprisingly intimate look at the Civil War Lincoln scholar Harold Holzer sheds new light on the war by examining fifty objects from the New York Historical Society's acclaimed collection A daguerreotype of an elderly dignified ex slave a soldier's footlocker still packed with its contents Grant's handwritten terms of surrender at Appomattox the stories these objects tell are rich poignant sometimes painful and always fascinating They illuminate the conflict from all perspectives Union and Confederate military and civilian black and white male and female and give readers a deeply human sense of the war

The Civil War and Reconstruction Eras Tracey Baptiste, 2015-07-15 This extensive guide details the political and economic forces that affected

the expansion of slavery and how slaves freed black Americans and white liberal politicians fought for the freedom of slaves and for the basic rights of dignity and protection that they had not previously enjoyed under the law The book sheds light on the collective and sometimes little known contributions of African Americans to their own freedom and traces the economic disparity between the freed slaves and the rest of America the rise of terrorism targeting African Americans and the politics that eventually led to the Jim Crow era Living Hell Michael C. C. Adams, 2016-09-15 A senior military historian presents an unflinching account of the human costs of the Civil War Many Americans argues Michael C C Adams tend to think of the Civil War as more glorious less awful than the reality Millions of tourists flock to battlefields each year as vacation destinations their perceptions of the war often shaped by reenactors who work hard for verisimilitude but who cannot ultimately simulate mutilation madness chronic disease advanced physical decay In Living Hell Adams tries a different tack clustering the voices of myriad actual participants on the firing line or in the hospital ward to create a virtual historical reenactment Perhaps because the United States has not seen conventional war on its own soil since 1865 the collective memory of its horror has faded so that we have sanitized and romanticized even the experience of the Civil War Neither film nor reenactment can fully capture the hard truth of the four year conflict Living Hell presents a stark portrait of the human costs of the Civil War and gives readers a more accurate appreciation of its profound and lasting consequences Adams examines the sharp contrast between the expectations of recruits versus the realities of communal living the enormous problems of dirt and exposure poor diet malnutrition and disease He describes the slaughter produced by close order combat the difficulties of cleaning up the battlefields where tens of thousands of dead and wounded often lay in an area of only a few square miles and the resulting psychological damage survivors experienced Drawing extensively on letters and memoirs of individual soldiers Adams assembles vivid accounts of the distress Confederate and Union soldiers faced daily sickness exhaustion hunger devastating injuries and makeshift hospitals where saws were often the medical instrument of choice Inverting Robert E Lee s famous line about war Adams suggests that too many Americans become fond of war out of ignorance of its terrors Providing a powerful counterpoint to Civil War glorification Living Hell echoes William Tecumseh Sherman s comment that war is cruelty and cannot be refined Praise for Our Masters the Rebels A Speculation on Union Military Failure in the East 1861-1865 This excellent and provocative work concludes with a chapter suggesting how the image of Southern military superiority endured in spite of defeat Civil War History Adams s imaginative connections between culture and combat provide a forceful reminder that Civil War military history belongs not in an encapsulated realm with its own categories and arcane language but at the center of the study of the intellectual social and psychological currents that prevailed in the mid nineteenth century Journal of American History Praise for The Best War Ever America and World War II Adams has a real gift for efficiently explaining complex historical problems Reviews in American History Not only is this mythologizing bad history says Adams it is dangerous as well Surrounding the war with an aura of nostalgia both fosters the

delusion that war can cure our social ills and makes us strong again and weakens confidence in our ability to act effectively in our own time *Journal of Military History*

Two Civil Wars Katherine Bentley Jeffrey, 2016-04-11 *Two Civil Wars* is both an edition of an unusual Civil War era double journal and a narrative about the two writers who composed its contents The initial journal entries were written by thirteen year old Celeste Repp while a student at St Mary's Academy a prominent but short lived girls school in midcentury Baton Rouge Celeste's French compositions dating from 1859 to 1861 offer brief but poignant meditations describe seasonal celebrations and mention by name both her headmistress Matilda Victor and French instructor and priest Father Darius Hubert Immediately following Celeste's prettily decorated pages a new title page intervenes introducing *An Abstract Journal Kept by William L Park of the U S gunboat Essex during the American Rebellion* Park's diary is a fulsome three year account of military engagements along the Mississippi and its tributaries the bombardment of southern towns the looting of plantations skirmishes with Confederate guerillas the uneasy experiment with contrabands freed slaves serving aboard ship and the mundane circumstances of shipboard life Very few diaries from the inland navy have survived and this is the first journal from the ironclad Essex to be published Jeffrey has read it alongside several unpublished accounts by Park's crewmates as well as a later memoir composed by Park in his declining years It provides rare insight into the culture of the ironclad fleet and equally rare firsthand commentary by an ordinary sailor on events such as the sinking of CSS Arkansas and the prolonged siege of Port Hudson Jeffrey provides detailed annotation and context for the Repp and Park journals filling out the biographies of both writers before and after the Civil War In Celeste's case Jeffrey uncovers surprising connections to such prominent Baton Rouge residents as the diarist Sarah Morgan and explores the complexity of wartime allegiances in the South through the experiences of Matilda Victor and Darius Hubert She also unravels the mystery of how a southern youngster's school scribbler found its way into the hands of a Union sailor In so doing she provides a richly detailed picture of occupied Baton Rouge and especially of events surrounding the Battle of Baton Rouge in August 1862 These two unusual personal journals linked by curious happenstance in a single notebook open up intriguing provocative and surprisingly complementary new vistas on antebellum Baton Rouge and the Civil War on the Mississippi

The War for the Common Soldier Peter S. Carmichael, 2018-11-02 How did Civil War soldiers endure the brutal and unpredictable existence of army life during the conflict This question is at the heart of Peter S Carmichael's sweeping new study of men at war Based on close examination of the letters and records left behind by individual soldiers from both the North and the South Carmichael explores the totality of the Civil War experience the marching the fighting the boredom the idealism the exhaustion the punishments and the frustrations of being away from families who often faced their own dire circumstances Carmichael focuses not on what soldiers thought but rather how they thought In doing so he reveals how to the shock of most men well established notions of duty or disobedience morality or immorality loyalty or disloyalty and bravery or cowardice were blurred by war Digging deeply into his soldiers writing Carmichael resists the idea that there

was a common soldier but looks into their own words to find common threads in soldiers experiences and ways of understanding what was happening around them In the end he argues that a pragmatic philosophy of soldiering emerged guiding members of the rank and file as they struggled to live with the contradictory elements of their violent and volatile world Soldiering in the Civil War as Carmichael argues was never a state of being but a process of becoming

Photography and the American Civil War Jeff Rosenheim, Metropolitan Museum of Art (New York, N.Y.), Gibbes Museum of Art (Charleston, S.C.), New Orleans Museum of Art, 2013 Published to coincide with the 150th anniversary of the battle of Gettysburg features both familiar and rarely seen Civil War images from such photographers as George Barnard Mathew Brady and Timothy O Sullivan

The American Chestnut Donald Edward Davis, 2021-11-15 Before 1910 the American chestnut was one of the most common trees in the eastern United States Although historical evidence suggests the natural distribution of the American chestnut extended across more than four hundred thousand square miles of territory an area stretching from eastern Maine to southeast Louisiana stands of the trees could also be found in parts of Wisconsin Michigan Washington State and Oregon An important natural resource chestnut wood was preferred for woodworking fencing and building construction as it was rot resistant and straight grained The hearty and delicious nuts also fed wildlife people and livestock Ironically the tree that most piqued the emotions of nineteenth and early twentieth century Americans has virtually disappeared from the eastern United States After a blight fungus was introduced into the United States during the late nineteenth century the American chestnut became functionally extinct Although the virtual eradication of the species caused one of the greatest ecological catastrophes since the last ice age considerable folklore about the American chestnut remains Some of the tree s history dates to the very founding of our country making the story of the American chestnut an integral part of American cultural and environmental history The American Chestnut tells the story of the American chestnut from Native American prehistory through the Civil War and the Great Depression Davis documents the tree s impact on nineteenth and early twentieth century American life including the decorative and culinary arts While he pays much attention to the importation of chestnut blight and the tree s decline as a dominant species the author also evaluates efforts to restore the American chestnut to its former place in the eastern deciduous forest including modern attempts to genetically modify the species

WLA, 2005 The Home Voices Speak Louder Than the Drums Wanda Easter Burch, 2017-05-15 Soldier mortals would not survive if they were not blessed with the gift of imagination and the pictures of hope wrote Confederate Private Henry Graves in the trenches outside Petersburg Virginia The second angel of mercy is the night dream Providing fresh perspective on the human side of the Civil War this book explores the dreams and imaginings of those who fought it as recorded in their letters journals and memoirs Sometimes published as poems or songs or printed in newspapers these rarely acknowledged writings reflect the personalities and experiences of their authors Some expressions of fear pain loss homesickness and disappointment are related with grim fatalism some with glimpses of humor

The Crowded Hour Clay

Risen, 2020-06-16 The gripping The Washington Post story of the most famous regiment in American history the Rough Riders a motley group of soldiers led by Theodore Roosevelt whose daring exploits marked the beginning of American imperialism in the 20th century When America declared war on Spain in 1898 the US Army had just 26 000 men spread around the country hardly an army at all In desperation the Rough Riders were born A unique group of volunteers ranging from Ivy League athletes to Arizona cowboys and led by Theodore Roosevelt they helped secure victory in Cuba in a series of gripping bloody fights across the island Roosevelt called their charge in the Battle of San Juan Hill his crowded hour a turning point in his life one that led directly to the White House The instant I received the order wrote Roosevelt I sprang on my horse and then my crowded hour began As The Crowded Hour reveals it was a turning point for America as well uniting the country and ushering in a new era of global power A revelatory history of America's grasp for power Kirkus Reviews starred review Both a portrait of these men few of whom were traditional soldiers and of the Spanish American War itself The Crowded Hour dives deep into the daily lives and struggles of Roosevelt and his regiment Using diaries letters and memoirs Risen illuminates an influential moment in American history a war of only six months time that dramatically altered the United States standing in the world Fast paced carefully researched Risen is a gifted storyteller who brings context to the chaos of war The Crowded Hour feels like the best type of war reporting told with a clarity that takes nothing away from the horrors of the battlefield The New York Times Book Review

The "Iron Man" and the "Mississippi Company" of Morgan's Raiders Jim Power, 2009-03-30 The story of a MS cavalry company that became part of John Hunt Morgan's 2nd Ky Cavalry While the leader appeared to be a sickly misfit in his previous army service due to his health his men had to help him mount his horse at the start of the Great Raid into Indiana Ohio where most of the men were captured but not before they began to call him the Iron Man After prison he and many of the company escorted Jefferson Davis as he attempted to escape The concluding chapter tells of the men and their return to a difficult life where many died very early Considerable non published and out of print material is included

Civil War Almanac John C. Fredriksen, 2007 Presents a comprehensive reference to the American Civil War including a chronology of major events biographical sketches related articles and a collection of maps

Faces Of The Civil War An Album Of Union Soldiers And Their Stories Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information.

No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Faces Of The Civil War An Album Of Union Soldiers And Their Stories PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Faces Of The Civil War An Album Of Union Soldiers And Their Stories PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Faces Of The Civil War An Album Of Union Soldiers And Their Stories free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF

books and manuals waiting to be discovered right at your fingertips.

FAQs About Faces Of The Civil War An Album Of Union Soldiers And Their Stories Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
